CREW APPRECIATION & SERVICE CHARGES

For your convenience, **Crew Appreciation** will automatically be added to your onboard account to recognize the efforts of a wide variety of crew members in various departments, including those in the Dining, Entertainment, Guest Services, and Galley areas. The amount of the Crew Appreciation is based on your stateroom category and is subject to adjustment at your discretion, except as otherwise provided in the Crew Appreciation and Service Charge Policy. A **Service Charge** will automatically be added to optional purchases of beverage packages, drinks, dining room and specialty dining, onboard parties, and other services or amenities provided to guests that are not included in the cruise fare. The Crew Appreciation and Service Charge payments on all vessels in our fleet are pooled and distributed in the form of compensation, including bonuses. For further details, please review our [Crew Appreciation and Service Charge Policy](#).

TAXES, FEES & PORT EXPENSES

“Taxes, Fees & Port Expenses,” or “TFPE” as used by HAL, may include any and all fees, charges, tolls, and taxes imposed on HAL by governmental or quasi-governmental authorities, as well as third-party fees and charges arising from a vessel’s presence in a harbor or port. TFPE may be assessed per guest, per berth, per ton, or per vessel. TFPE are subject to change, and HAL reserves the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full.
