DESTINATION OVERVIEW

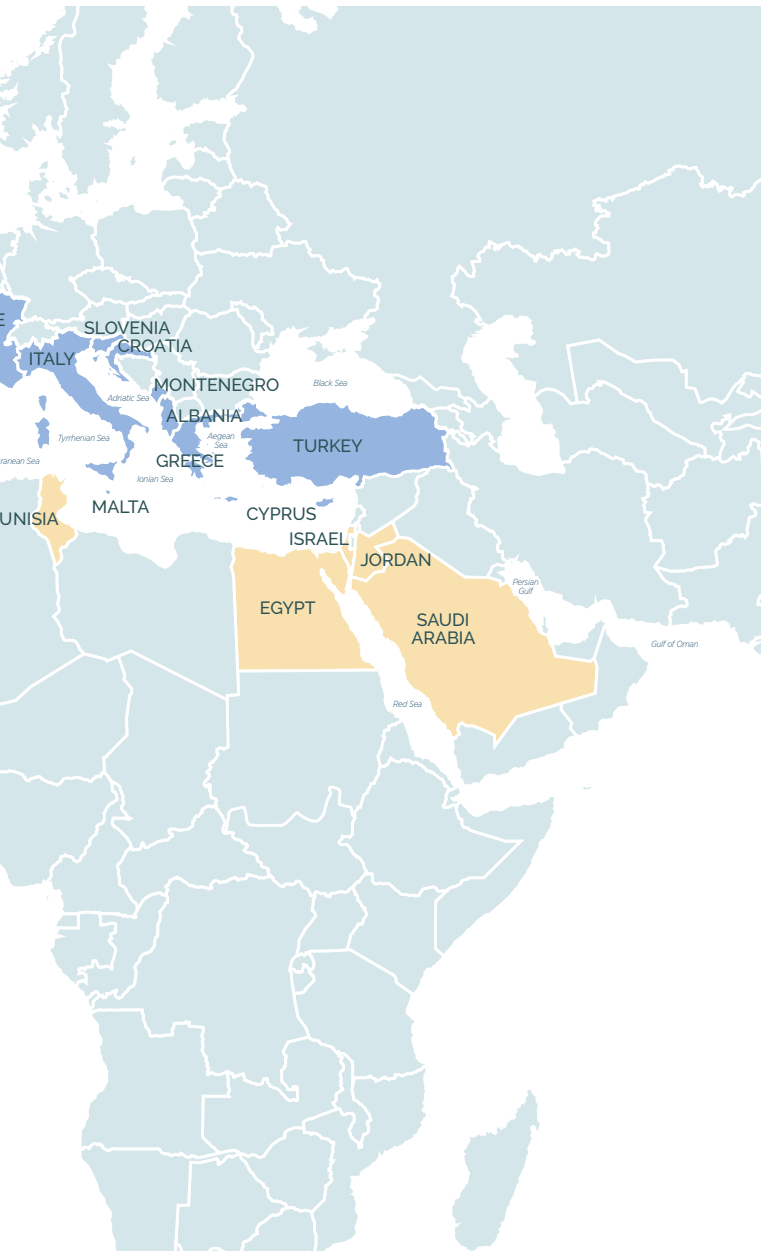

The Mediterranean

A timeless tapestry of culture, cuisine, and captivating landscapes that has enchanted travelers for centuries. From the majestic ruins of Rome to the intricate mosaics of Byzantium, and the labyrinthine streets of Moorish Andalusia, every corner reveals a story waiting to be unraveled.

The Adriatic Coast

The waters of the Adriatic Sea provide access to some of Europe's most exciting ports. Separating the Italian and Balkan peninsulas, it contains 1,300 islands belonging to Albania, Bosnia & Herzegovina, Croatia, Italy, Montenegro and Slovenia.

The Indian Ocean

The Indian Ocean is the world's third-largest ocean, covering almost 20% of the Earth's surface and stretching 6,200km between Africa and Australia. This colossal stretch of water borders four continents and provides major sea trade routes that connect the Middle East, Africa and Europe.

Warm, vast and crystal-clear, the Indian Ocean is a desert island paradise. Explore the Seychelles archipelago, hopping from one fascinating destination to the next, as white sandy beaches, dense rainforest and a plethora of spectacular wildlife reveals each island's own charming personality.

The Caribbean

A tropical paradise, the Caribbean Sea is home to fascinating cultures and postcard views on Caribbean islands. Enjoy picture-perfect beaches throughout the Virgin Islands, West Indies, and more. Tranquillity awaits in the Islands of the Caribbean. Golden beaches stretch towards turquoise waters, lush green forests overlook palm-tree-lined boulevards, and rich local life is warm and inviting.

The Red Sea

Home to some of the world's warmest and saltiest seawater, the Red Sea is a remarkable body of water. A global 200 ecoregion, the Red Sea is an inlet of the Indian Ocean, located between Africa and Asia. Its coastline is now a popular tourist attraction, as is its neighbour Saudi Arabia, where rich cultural influences and archaeological monuments coexist with some of the most contemporary features of the modern world.
