CARNIVAL HUB APP

Customize your cruise conveniently with our Carnival Hub App – simply download it ahead of your cruise and use it free of charge onboard.

Access the daily program and your onboard account, make dinner reservations and view restaurant menus, order pizza anywhere and anytime onboard or chat with your fellow travelers.

If you are not into using the app, all information is of course also available through other, conventional channels.

WE WILL GET YOU THERE

As true vacation experts we know that the fun does not only start once you embark your ship. We will therefore gladly assist you in making your travel arrangements to get your dream vacation started smoothly.

It is up to you if you prefer to only book your cruise with us or rather have further elements added to your package – simply get in touch with us.

FLIGHT

We cooperate with all renowned airlines (e.g. Lufthansa group) and will gladly customize an individual flight package for you.

RENTAL CAR

Cruise & drive – our cooperation with sunnycars makes it possible. Make new discoveries at your own pace before or after your cruise with Carnival.

TRANSFER

Carnival's transfers will take you safely and conveniently from the airport to your ship on embarkation day and back at the end of your cruise.

HOTEL

Start your vacation stress-free and discover your departure port by adding a pre-cruise hotel night – we particularly recommend that for all long-haul flights. And why not extending your cruise vacation with a beach stay (e.g. in Miami)?

INSURANCE

Ensure some extra peace of mind and choose from various insurance options – from a basic travel cancellation protection to full protection.

DINING

Our tremendous choice of restaurants onboard allows you to taste new delicacies every single day of your cruise – unless you already found your favorite and just need it again and again. There are certainly many hot picks for a favorite restaurant onboard – no matter if it's the probably best burger at sea in our casual Guy's Burger Joint or our traditional lobster dishes in a more elegant setting in the à-la-carte restaurants

FOR A SPECIAL TOUCH TO OUR CUISINE, FIRST CLASS CHEFS WITH DIVERSE BACKGROUNDS JOINED CARNIVAL CRUISE LINE TO CREATE EVEN MORE UNIQUE DINING EXPERIENCES FOR YOU:

GUY FIERI ✓ \$

The American masterchef and Emmy-Award winner has even created two different restaurant concepts for our ships. Guy's Burger Joint is available on all our ships and has evolved into one of the ultimate favorites among our guests.

Additionally some ships feature the new Guy's Pig & Anchor Smokehouse and Brewhouse – our recommendation: try the typical American lunch BBQ on seadays in the restaurant's outdoor seating area.

EMERIL LAGASSE \$

Mardi Gras, Carnival Celebration & Carnival Jubilee set sail with Emeril Lagasse's first-ever restaurant at sea: Emeril's Bistro. Everybody knows about Emeril's love for Creole cuisine. Sharing his hometown favorites with the world is his life's work – and now you'll enjoy the authentic bayou flavors and fun that New Orleans.

RUDI SODAMIN \$

Rudi's Seagrill is the brainchild of Austrian master chef Rudi Sodamin. He has years of experience pleasing palates of vacationers... and this guy loves serving up a smile as much as Carnival does! But he's serious about you experiencing the best that the seas have to offer, and an evening at Rudi's proves it through the courses.

SHAQUILLE O'NEIL ✓

NBA legend and Carnival Chief Fun Officer Shaq has created something very special for the brand new Mardi Gras, Carnival Celebration and Carnival Jubilee – step up to the counter for lunch or dinner and walk away with your choice of chicken sandwiches, crispy chicken strips or juicy fried chicken baskets... plus side dishes, like potato salad and jalapeño slaw. And keep in mind that we serve breakfast until 3 pm here...

TIP

Decide for a traditional early or late seating dinner time or go for our flexible Your Time Dining – simply request a table through our Carnival HUB app anytime you like.

ENTERTAINMENT

One thing is for sure: Boredom is definitely not an option with the extensive entertainment program on a cruise with Carnival. Let yourself be enchanted by spectacular shows in Las Vegas style, amuse yourself in the Punchliner Comedy Club with comedy shows as you would otherwise only experience them in New York or take over the microphone yourself and give your best at karaoke.

No matter what you choose, entertainment at the highest level is guaranteed every night.
