Please note: Map is not drawn to scale.

## The Indian Ocean

The Indian Ocean is the world's third-largest ocean, covering almost 20% of the Earth's surface and stretching 6,200km between Africa and Australia. This colossal stretch of water borders four continents and provides major sea trade routes that connect the Middle East, Africa and Europe.

## The Adriatic Coast

The waters of the Adriatic Sea provide access to some of Europe's most exciting ports. Separating the Italian and Balkan peninsulas, it contains 1,300 islands belonging to Albania, Bosnia & Herzegovina, Croatia, Italy, Montenegro and Slovenia.

## The Eastern Mediterranean

One of humanity's most important crossroads, and now a route offering such a variety of ports, the Eastern Mediterranean is a route paved with historic monuments and paradise-like island groups, where the past is celebrated in the present.

## The Western Mediterranean

Covering the continents of Europe and Africa, the Western Mediterranean promises alluring culture, rich history and mouth-watering cuisine. From the French Riviera, to the island of Sicily via the southern Italian coast.

## The Red Sea

A global 200 ecoregion, the Red Sea is an inlet of the Indian Ocean, located between Africa and Asia. Its coastline is now a popular tourist attraction, as is neighboring Saudi Arabia, where rich cultural influences and archaeological monuments feature in abundance.

## The Black Sea

A fascinating body of water, its name shrouded in mystery. Several major rivers feed into the Black Sea, including the Danube, while a plethora of stunning cities line up along its coast, namely Istanbul, Sochi, Odessa and Batumi.

Emerald Cruises is a brand owned and operated by Scenic Tours (USA), Inc. Any reference herein to "Emerald" refers to Scenic Tours (USA), Inc. By booking a tour, cruise or other vacation package with Emerald and paying the booking deposit, you are agreeing to these terms and conditions, which creates a binding contract between Emerald and you, the customer. Please read this contract carefully, as it contains important terms and conditions including, without limitation, penalties for cancellation and specific limitations on our liability.

**1. General. Emerald operates tours within the United States,** and serves as a booking agent for tours operated by third-party service providers ("Providers") in other countries. Emerald reserves the right to provide the tour or any portion thereof either directly through its own personnel or through third party service providers. You hereby acknowledge and agree that where any tour or part of the tour, accommodations, flights or any other goods or services are provided by a third party (collectively, "Third Party Services") and not directly by Emerald Cruises, Emerald is not liable for any dispute or claim with respect to or arising from any Third Party Services including, without limitation, any losses, damages, breach of contract, negligence or other claims or damages arising from the acts or omissions of the Providers thereof and, therefore, you are required to pursue any such claims solely against the relevant Provider.

**2. Important Travel Information.** You acknowledge and agree that there are general risks associated with traveling, which are beyond Emerald's control and, as such, Emerald is not liable for any loss, cost or damage you may incur as a result thereof. Such general risks include, but are not limited to, tour variations or interruptions caused by road, ocean or weather conditions; national or local holidays affecting the closure of public buildings and attractions; strikes, civil disturbances and advices by governments, and other Force Majeure Events (as defined below); hazards associated with traveling in undeveloped areas; travel by boat, train, automobile, aircraft and other means of transportation; high winds; heavy fog; high water levels; low water levels; flooding; lock closures; unscheduled vessel or vehicle maintenance or for any other circumstances beyond Emerald's control; forces of nature; illness; flight schedule changes or cancellations; loss of luggage; epidemics or pandemics; political unrest; accidents; acts of terrorism or other criminal acts; and any changes to government visa or travel requirements. Furthermore, it is your sole responsibility to make your own inquiries regarding your trip, including any relevant government travel safety warnings.

**3. Travel Insurance.** You are urged to arrange comprehensive travel insurance to cover any unforeseen circumstances that may occur during the tour. Emerald is not liable in any regard for your failure to adequately insure yourself, and you agree to indemnify and hold Emerald harmless for any expenses or delays incurred as a result of your failure to adequately insure yourself. For your convenience, Emerald offers its clients the opportunity to purchase travel protection through TripMate, Inc. We act as a broker. Once purchased, the Travel Protection Plan premium is non-refundable.

**4. Tour Price.** The "Tour Price" is the total amount listed on your itinerary. All Tour Prices are quoted in U.S. Dollars. Emerald reserves the right to vary Tour Prices at any time, in its absolute discretion, to account for any increase in costs, including but not limited to airfares, fuel, government taxes and charges, exchange rate fluctuations or other tour related costs or tariffs. If Emerald has received the full amount of the Tour Price from you, there will be no increases to your Tour price, regardless of any increases in the tour costs inside or outside of our control. If you have not paid the full amount of the Tour Price, and we must vary your Tour Price due to an increase in tour costs outside of Emerald's control, any increase Emerald applies to the Tour Price will be only to the extent required to meet such additional costs. Emerald reserves the right not to honor any published prices that Emerald determines were erroneous due to printing, electronic or clerical error.

All tours are conducted in English by a professional cruise or tour director. Accommodations. Tour Prices are per person, based on two persons sharing a room with a private bath or shower. If at any time during the tour you consider your rooming partner to be unsuitable, Emerald will attempt to arrange single accommodation for you for the remainder of the tour,

Pictures of hotel rooms or cabins may not represent the actual accommodation provided during the tour. Seat assignments and meal preferences may be requested at time of booking but remain subject to availability on a first come first served basis. Emerald does not assure any such requests will be granted. Not all airlines offer pre-assigned seats and some may impose additional charges for pre-assigned seats. **10. Tour Variations, Delays, Etc.** Itinerary Variations. While Emerald will make reasonable efforts to operate the tour in accordance with your itinerary, changes or substitutions may be necessary for reasons outside Emerald's control or other Force Majeure Events (as defined in paragraph 12). At certain peak periods duplicate departures may operate, and sometimes in reverse order; hotels may also vary from those stated on the itinerary pages. On tours that include cruises, the ship may be changed due to operational reasons. Departures in early and late season are potentially operated in cool weather conditions. As a result, slight itinerary variations may occur, and certain activities may not be available due to seasonality or weather conditions. Availability of certain activities may also be limited due to itinerary variations. If your tour enjoyment may be diminished by such limitations, please check with your Travel Agent before making your reservation. Emerald reserves the right to substitute (at the nearest reasonable standard) another vessel or motorcoach for all or part of the itinerary and also provide alternative accommodation, where necessary or advisable. Your travel experience in a substituted vessel or motorcoach may materially differ from your original accommodations. Ocean conditions (including repair or maintenance work on bridges, ports or docks) may provide Emerald with short notice of necessary or advisable changes to your itinerary. Emerald is not liable to you for any variations in the tour itinerary caused by Force Majeure Events or the events described in Section 2. Tour Cancellation. Your booking is conditional on Emerald receiving a minimum number of bookings to operate the tour and ensure an enjoyable group atmosphere. Where sufficient numbers, as determined by Emerald in its sole discretion, are not achieved, Emerald may cancel or suspend a scheduled departure of the tour. Emerald will use commercially reasonable efforts to provide notice of canceled or suspended tours at least 60 days prior to the scheduled

departure date. Emerald will endeavor to notify you of any changes to your tour itinerary in the following manner: (a) if prior to your tour departure, by telephone, email or mail; and (b) if during your tour, personally by your Cruise Director or Tour Director. In the event a tour or cruise is canceled by Emerald for any reason prior to departure, Emerald will use commercially reasonable efforts to offer the closest available tour or cruise departure. If the replacement tour price is less than the scheduled tour, you will receive a refund in the amount of the difference or if the replacement tour is more than the scheduled tour you will be required to pay the difference. If you accept the alternative tour or cruise departure, you will be bound by these Terms and Conditions with respect to the alternative tour or cruise. If you do not accept the alternative tour or cruise departure within a period of 7 days, then this Contract will be terminated and Emerald will refund all monies that you paid directly to Emerald and Emerald will have no further liability to you. Emerald will not be liable for any third party costs you incur as a result of cancellation, including without limitation, for airfares or other arrangements booked independently through or paid to a travel agent or other third party. Tour Delay. Where Emerald delays the departure of a tour or cruise, for whatever reason, for more than 7 days, as your sole and exclusive remedy you may terminate this Contract and Emerald will either: (a) provide you with a full refund of all amounts paid to Emerald; or (b) provide you with a credit towards future tours with Emerald which will be valid for 24 months from the date you notify us of the termination of this Contract.

**11. General Notices, Conditions and Safety Matters.** Sun Deck. Operation hours may be limited due to the passage of low bridges or other restrictions by local authorities. Noise, Vibration and Odor. While Emerald takes reasonable steps to minimize noise, vibration and odors on the cruise ships, you acknowledge and accept that some noise, vibration and intermittent odors may be experienced on vessels and that Emerald will not be liable to you in relation to any such noise, vibration or odors. Young Passengers. Children under 12 years old are ineligible to participate in our tours, except for applicable Christmas tours and cruises, and then only if accepted by Emerald in its sole discretion. Due to the availability of alcohol on many of our vacation packages, children and other persons under 21 years of age must be accompanied by a person over the age of 21 (an "Adult") and must share their accommodation with that Adult. Bus Safety. You acknowledge and agree that if you travel on a bus or motorcoach as a part of a tour, you are required to comply with any and all recommended safety requirements including, without limitation, remaining seated at all times while in the bus or motorcoach and wearing a safety belt while seated in the motorcoach. Neither Emerald nor its affiliates or Providers shall have any liability to you or any third party for any injuries, illness or death resulting from your failure to adhere to applicable safety recommendations. Physically Challenged Guests. Emerald strives to provide a safe, enjoyable and memorable travel experience for all passengers. Sightseeing in many historic towns and cities can only be undertaken by walking tours of up to 5 km (3.2 miles), often on uneven surfaces. Some tours include mountain excursions involving high altitudes. Consequently, a reasonably adequate (and sometimes high) level of fitness is required for many of our tours. Please consult with your doctor to ensure that you have an adequate level of fitness and are in good health before participating in these included excursions. Emerald will not provide any refunds if you are not able to participate in any portion of the tour. Most transportation services are not equipped with elevators or wheelchair ramps, and cabin doors and rest rooms may not be wide enough to provide access for standard wheelchairs. Emerald will make reasonable attempts to accommodate the special needs of its physically challenged guests, but is not responsible in the event it is unable to do so. Nor is it responsible for any denial of service by vessel operators, air carriers, hotels, restaurants or other Providers. We regret that we cannot provide individual assistance to our customers for walking, dining, getting on and off vessels, motorcoaches and other vehicles, or for other personal needs. A qualified and physically able companion must accompany travelers who need assistance and must assume full responsibility for their well being. Please note that motorized scooters are not suitable on international tours, and are may not be permitted in certain countries. Safety. Passengers must follow Tour/Cruise Director and crew instructions at all times to ensure on tour safety. You acknowledge that failure to do so will result in restricted access to areas on tour, or if necessary for your own safety and that of other passengers, withdrawal from the tour. If Emerald, or our staff or Providers are of the view you are negatively affecting your own health, safety or enjoyment, or that of other passengers, Emerald may terminate your continued participation in the tour immediately and in such event, Emerald will not be liable to you for any loss, cost or damage resulting from your withdrawal from the tour. If you are withdrawn from the tour, you must make your own travel arrangements at your own expense. You hereby acknowledge and agree that neither Emerald, nor any of its affiliates or Providers, are responsible for any damages, costs or expenses that may arise from the decision to exclude an individual from participating on all or any portion of an Emerald tour, or from any activities or accommodations on an Emerald tour. Passport/Visas. You must have a passport valid for six months past the expected end date of your tour. It is also your responsibility to obtain valid entry visas for all countries where so required, prior to departure. Failure to obtain correct documentation may affect your participation in all or any portion of the tour. Emerald will not provide any refunds if you are not able to participate in the tour, or any part thereof. You will be responsible for any costs you incur as a result of your failure to obtain the required documentation including, without limitation, any costs

associated with rejoining the tour or returning home. Vaccinations. Immunization requirements vary from country to country. Please consult your personal physician, a local public health board or the US Centers for Disease Control and Prevention (CDC) in Atlanta (404-322-4559 or [www.cdc.gov/travel](http://www.cdc.gov/travel)). Required inoculations, if Booking conditions any, must be recorded by traveler's health practitioner on a valid vaccination certificate which the traveler must carry for proof of inoculation where required. Smoking. You acknowledge that vessels, motorcoaches and other vehicles, restaurants, hotels and other accommodations do not permit smoking. Although Emerald may attempt to provide opportunities for smoking during the tour, Emerald does not guarantee such opportunities will be available.

**12. Force Majeure.** For the purposes of these terms and conditions, a "Force Majeure Event" means any act of God; war; terrorism; fire; flood or any other extreme weather 114

You hereby acknowledge and agree that Emerald is not liable for any delay or any failure by Emerald to perform its obligations under these Terms and Conditions resulting from or as a consequence of a Force Majeure Event. If a delay or failure occurs or is anticipated due to Force Majeure Event, Emerald's obligations are suspended for the duration of the Force Majeure Event. Emerald may immediately terminate this agreement, if the Force Majeure Event delays performance for a period of 7 days or more, calculated from the date Emerald notifies you of the Force Majeure Event.

**13. Waivers; Limitations of Liability; Disclaimers; Indemnification Waiver of Responsibility.** Without intending to limit the generality of the other limitations and disclaimers set forth herein, You hereby acknowledge and agree that Emerald accepts no responsibility and will not be liable to you or any third party for any loss, cost or damage (including loss of enjoyment) suffered directly or indirectly in connection with: (1) any tour risks or other aspects of the tour of which you were notified in these Terms and Conditions; (2) any change to your itinerary or delays in departure or arrival times of aircraft or otherwise during the conduct of the tour; (3) any loss or damage to your baggage; (4) any personal injury or death resulting from acts or omissions, including negligence, of any third parties providing goods or services to you during the tour, including air carriers, hotels, shore excursion operators, restaurateurs, transportation providers and medical personnel; or (5) any loss of enjoyment by you due to circumstances outlined in these Terms and Conditions or otherwise beyond Emerald's control. You further acknowledge and agree that, in issuing tickets and coupons for transportation of the customer by any means and making arrangements for hotel or other accommodation, Emerald is not acting as principal but only as agent for the companies, corporations or persons providing or offering the means of transportation and accommodation and, therefore, accepts no responsibility for their acts or omissions. Limitation of Indirect and Consequential Damages. Exclusive Remedy; Limitation of Direct Damages. You hereby acknowledge and agree that your sole remedy in the event of a breach by emerald of any of its obligations hereunder shall be limited to one of the following remedies, as applicable: (a) in the case of goods, in emerald's sole discretion, repair or replacement of such damaged or faulty goods with the same or equivalent goods or the reimbursement of the amount you paid for such goods, or (b) in the case of services, in emerald's sole discretion, supplying the services again or reimbursing the cost you paid for the supply of such services. Notwithstanding anything to the contrary, however, in no event will the total aggregate liability of emerald and its providers and suppliers for any claims, losses or damages whatsoever arising out of this contract exceed the total fees paid by you and actually received by emerald with respect to the tour or cruise with respect to which the claim arose. The limitations of liability and exclusion of certain damages set forth herein shall apply regardless of the success or effectiveness of other remedies. Disclaimer of Warranties. To the fullest extent permitted by law, and except as otherwise expressly set forth herein, emerald makes no representations or warranties, and hereby disclaims any other representations or warranties, express or implied, arising by law or otherwise, with regard to any of its products and services, including but not limited to any implied warranties of merchantability or fitness for a particular purpose, any implied warranty arising from the course of performance, course of dealing or usage of trade, or any implied warranties pertaining to title. Without limiting the foregoing, emerald does not warrant that your tour will be without delay, interruption or change. Class Action Waiver. This contract provides for the exclusive resolution of disputes through individual legal action on guest's own behalf instead of through any class action. Even if the applicable law provides otherwise, guest agrees that any arbitration or lawsuit against emerald whatsoever shall be litigated by guest individually and not as a member of any class action or as part of a class action, and guest expressly agrees to waive any law entitling

guest to participate in a class action. If guest's claim is subject to arbitration under paragraph 16 below, the arbitrator shall have no authority to arbitrate claims on a class action basis. Guest agrees that this section shall not be severable under any circumstances from the arbitration clause set forth in paragraph 16 below, and if for any reason this class action waiver is unenforceable as to any particular claim, then and only then such claim shall not be subject to arbitration. Indemnification. In consideration of the services and arrangements provided by Emerald, you, for yourself and for your heirs, personal representatives or assigns, do hereby release, waive, discharge, hold harmless and agree to indemnify Emerald and its owners, officers, directors, agents, contractors, subcontractors and employees from any and all claims, actions, or losses for bodily injury, property damage, wrongful death, loss of services, lost profits, consequential, exemplary, indirect or punitive damages or otherwise which may arise out of or occur during your travel in connection with your vacation package and any activities conducted in conjunction therewith. Acknowledgment of Waiver of Rights. Regardless of the situation or circumstances giving rise to a claim, you are hereby waiving rights and remedies that you may otherwise have under applicable law if you did not enter into and agree to be bound by these Terms and Conditions including, without limitation, limitation of remedies, waiver of warranties and limitations on your right to seek damages against Emerald and certain third parties. In consideration of participating in my vacation package, my signature on my journey application indicates that I have, on the date shown, read and understood this document and I acknowledge that it affects my legal rights and agree to be bound by its terms. My signature also signifies my intention to relieve and indemnify Emerald, its owners, officers, directors, employees, agents, contractors and subcontractors from any liability for personal injury, property damage or wrongful death which I might suffer during my participation in the scheduled vacation package.
