## INFORMATION ON CRUISE PRICES

### SHORE ACTIVITIES

You will receive the binding programme including prices approximately three months prior to departure. The organised shore activities are not included in the cruise price and can be pre-booked via your travel agency or online at [www.hl-cruises.com/mybookings](http://www.hl-cruises.com/mybookings)

On selected excursions, an individual audio system of the EUROPA 2 will be used on loan.

### CRUISE INFORMATION/TRAVEL DOCUMENTS

Approximately three months prior to departure, you will receive more detailed information and the shore activity programme with prices. After we receive your final payment, you will receive your travel documents roughly four weeks prior to departure.

### VERANDA SUITE AND OCEAN SUITE FOR SINGLE OCCUPANCY

When you book a Veranda Suite or an Ocean Suite for single occupancy, accommodation will be in Categories 1–2 or Categories 3–4. An allotment of these suites is available on each cruise. You will receive a confirmed suite number. The prices for Category 5 Veranda Suites, for Grand Ocean Suites, Penthouse Suites, Grand Penthouse Suites and Owner Suites for single occupancy are available on request.

### GUARANTEED SUITE

Accommodation will be provided in a suite in Categories 1–4, subject to availability. If you book a combination of several cruises in a Guaranteed Suite, no combination discount will be offered and it will be necessary to change suites after each individual cruise. Continuous occupancy of the same suite throughout the cruises is not possible. You will receive your exact suite number at the time of embarkation on board (limited allotment).

### PAYMENT

The cruise price must be paid by means of a direct transfer to Hapag-Lloyd Cruises. Payment of the cruise price to an intermediary travel agency will not settle the payment obligation. Upon the conclusion of the contract – that is, upon receipt of the written booking confirmation – a deposit in accordance with clause 3.2 of the Terms and Conditions of Travel (of 20, 25 or 30 %, depending

on the booking date) is to be paid. The passenger will receive a refund security certificate before paying the deposit (see clause 16 of the Terms and Conditions of Travel). The rest of the cruise price is due 30 days prior to departure. The total amount is payable immediately for cruises booked within 30 days of the departure date. Hapag-Lloyd Cruises shall send the travel documents upon receipt of the final payment (at the earliest 30 days prior to the start of the cruise) and upon receipt of the complete passport data of all cruise passengers (manifest data).

### CHANGES OF BOOKING

On request, a change of booking can be made up to 365 days prior to departure. Hapag-Lloyd Cruises will charge a processing fee of € 300 (USD 330, GBP 260)\* per person for a change of booking. A change of booking from the 364th day prior to the start of the cruise requires the passenger to cancel the booking in line with the provisions of clause 9 of the Terms and Conditions of Travel and to make a new booking.

### CANCELLATION FEE INSURANCE INCLUDED

Your cruise price includes cancellation fee insurance from ERGO (ERGO Reiseversicherung AG) arranged as part of a Hapag-Lloyd Cruises group insurance contract. By booking a cruise, you automatically enter into this contract. Together with the booking form, you will receive an insurance certificate (insurance policy) detailing the terms and conditions of insurance and other information. If you need to make an insurance claim, you are obliged to immediately cancel the cruise with Hapag-Lloyd Cruises and report the claim to ERGO. You can find more details in your insurance certificate (insurance policy) or at [www.ergo-reiseversicherung.de/en](http://www.ergo-reiseversicherung.de/en) or write an email to [contact@ergo-reiseversicherung.de](mailto:contact@ergo-reiseversicherung.de)

**Please note that an excess applies of 20 % of the refundable loss.**

### TELEPHONE CANCELLATION ADVICE SERVICE

If you fall ill before departure and are unsure as to whether the insurance policy covers the cancellation of your cruise, please call the cancellation advice team at ERGO. An independent travel doctor will advise you as to whether you should cancel or wait for the cruise to start, when, if all is well, you might be fit to travel after all.

Phone +49 89 4166-1839

[contact@ergo-reiseversicherung.de](mailto:contact@ergo-reiseversicherung.de)

### FURTHER TRAVEL INSURANCE RECOMMENDATIONS

We strongly recommend that you take out ERGO's multi-cover protection or an equivalent insurance package through your travel agent. As a general rule, we recommend that you take out global travel insurance to cover luggage, personal liability, travel curtailment and health, including return transport, for the entire duration of your cruise.

### MINIMUM NUMBER OF PARTICIPANTS PER CRUISE

430 persons.

### PRICE DATES

All prices for services advertised in this catalogue as of May 2023. Subject to change (see clauses 8 and 24 of the Terms and Conditions of Travel).

\* The currency in which the travel price has been or is to be paid is authoritative.

## INFORMATION ON ARRIVAL AND DEPARTURE

### EMBARKATION/DISEMBARKATION

Embarkation can commence in all ports approximately two hours before departure – generally from 16.00 hrs. At all cruise departure points worldwide, the official embarkation time ends at 18.00 hrs, provided that the departure time stated in the itinerary is not earlier. If you are going to arrive at the port later than 18.00 hrs, please let us know in advance, provided that you have booked your journey individually and not with Hapag-Lloyd Cruises. For security reasons, a photograph is taken of every guest upon embarkation. Disembarkation generally takes place between 8.00 and 10.00 hrs. Due to regulatory requirements, all departing guests need to have left the ship by the end of the disembarkation period. You will receive the final embarkation and disembarkation times with your travel documents.

### INDIVIDUAL ARRIVAL AND DEPARTURE

When making your own travel arrangements to the cruise departure point and from the cruise arrival point, please take into account the

arrival and/or departure times of the ship and allow sufficient time for transfers to and from the port. We recommend that you arrive at the pier at least two hours before the ship is due to depart. Departure from the pier can be scheduled for 90 minutes after the arrival of the ship and indication of official approval at the earliest. Please be aware that regulations vary from port to port, and there may sometimes be unexpected delays. Hapag-Lloyd Cruises accepts no liability in this respect.

### BUS TRANSFER HAMBURG OR KIEL

For the cruises which start or end in Hamburg or Kiel, a bus transfer from/to Hamburg airport and from/to Hamburg main station is included in the cruise price. You will receive further information approximately three months prior to the start of your cruise.

# VACCINATION, IMMIGRATION AND VISA REQUIREMENTS

The information on the applicable vaccination, immigration and visa requirements was correct on the date of printing (subject to change). These notices and requirements only apply to citizens of Germany, Austria and Switzerland. Citizens of other countries are asked to enquire about their own requirements at their consulate or embassy or when booking in their travel agency. As some of the necessary visas have a limited period of validity and as visa requirements can change, please wait until you receive the cruise information approximately three months prior to departure before applying for a visa.

## GENERAL INFORMATION ON VACCINATION REQUIREMENTS

- The passenger should research infection prevention, vaccine protection and other prophylactic measures in advance; if necessary, the passenger should seek medical advice on the risks of thrombosis and other health problems, as well as vaccine intolerance. For general information, please refer to the public health authorities, doctors experienced in travel medicine, tropical disease specialists, information services specialising in travel medicine or the Federal Centre for Health Education.
- In all cases, passengers should have their immunisation protection against tetanus, diphtheria and polio tested and, if necessary, boosted. Please consult your doctor prior to departure for further recommended vaccines (e.g. hepatitis A, malaria and tick-borne encephalitis).
- There are enhanced vaccination requirements in the South Seas region and compliance with them is a prerequisite for entry. Vaccination against measles in particular is increasingly vital. Please check the current vaccination requirements and your vaccination record before you travel. There should be at least four weeks between the first and second measles vaccinations. The second

vaccination must be administered at least 15 days before entering the country for which the vaccination is mandatory and entered in the vaccination certificate. Otherwise entry will be refused. This does not apply to children under six months of age, pregnant women or individuals for whom the measles vaccination is contraindicated and can demonstrate this with a medical certificate.

## GENERAL INFORMATION ON IMMIGRATION AND VISA REQUIREMENTS

- In general, unless indicated otherwise, passengers require a valid passport or children's passport which must have an expiry date more than six months after the end of the cruise.
- Your passport must contain two free opposing pages per country in order for you to enter and leave certain countries (especially outside of Western Europe). Therefore, please check in advance whether your passport meets the requirements for the cruise you have booked.
- Special entry requirements apply for minors in many countries, especially if they are not travelling with their parents (and instead with their grandparents, for example) or are travelling with only one parent. A written declaration of consent from the parents and/or an international birth certificate may be required, for example. These documents must be written and certified at least in English, but often also in the language of the respective country of travel. Please inform yourself in advance at the relevant embassies.
- **Any immigration or visa fees accrued are not covered by the cruise price.**
- Please enquire with your travel agency as to the current entry requirements in place at your cruise destinations. Your travel agency will be happy to assist you in procuring any necessary visas.

### NOTICE 1

You will only need a valid ID card for entry.

### NOTICE 2

You will require an entry permit, which must be applied for before travelling and is issued in the form of an electronic visa (ETA). You will be required to pay for this permit. You can find more information online, or contact your travel agency.

### NOTICE 3

(Group) visa upon the arrival of the ship or upon entering the country (which might be subject to charges).

### NOTICE 4

Separate visa required (an e-visa may also be possible), subject to a charge.

### NOTICE 5

Everyone travelling to the USA who does not require a visa under the Visa Waiver Program must register online with the US Department of Homeland Security at least 72 hours before their arrival and apply for electronic travel authorisation. A processing fee is charged for the application. You can find more information online at [esta.cbp.dhs.gov/esta](http://esta.cbp.dhs.gov/esta) and from your travel agency. In addition to your electronic travel authorisation, you will require a passport with a chip containing biometric data for visa-free entry into the USA.

Passengers with non-machine-readable passports, such as temporary replacement passports, do not qualify for visa-free entry into the USA. All such travellers require a visa. These regulations also affect children (from birth). Every child requires their own European passport. A child cannot enter the country with a children's passport or ID card or using a parent's passport. Upon entering the country, photographs and fingerprints will be taken from each guest. Passengers who have visited Iran, Iraq, North Korea, Sudan, Syria, Libya, Yemen or Somalia after 1 March 2011 do not qualify for visa-free entry and need a regular visa to enter the USA. Even passengers who have visited Cuba in the past can currently no longer enter the USA with ESTA, but must apply for a visa. Please contact the US diplomatic mission responsible for you in good time before your cruise.

### NOTICE 6

Passengers do not require a visa to go ashore if doing so as part of a shore activity booked with Hapag-Lloyd Cruises or if individual arrangements have been made. As soon as you leave the group or do anything individually (without arranging this with Hapag-Lloyd Cruises), you will need an e-visa (subject to a charge).

## THE EUROPA 2 FROM A TO Z

### AIR CONDITIONING

The suites and the social rooms are air-conditioned with 100% fresh air. You can set the temperature in your suite individually. The air conditioning cannot be switched off.

### BEDS

All suites are fitted with two permanently adjoined beds. In addition, the sofa can be used as a bed for a third person. The lying surface of the sofa ranges from approximately 70 x 240 cm (2.3 x 7.9 ft) (in Owner Suites) to 70 x 205 cm (2.3 x 6.7 ft) (in Grand Ocean Suites), 70 x 190 cm (2.3 x 6.2 ft) (usable up to a maximum age of 15 years; in Penthouse and Grand Penthouse Suites) and 70 x 175 cm (2.3 x 5.7 ft) (usable up to a maximum age of 12 years, in Veranda Suites) to 70 x 160 cm (2.3 x 5.2 ft) (usable up to a maximum age of 10 years; in suites with fully accessible layout and equipment) and approximately 70 x 140 cm (2.3 x 4.6 ft) (usable up to a maximum age of 6 years; in Ocean Suites). Family Apartments are not furnished with a sofa.

### BOUTIQUE AND JEWELLER

The boutique sells an extensive range of exclusive ladies' and men's fashions, personal hygiene products, gifts and souvenirs. Please note that customs regulations of many countries prohibit the opening of the boutique when the ship is docked in ports. The jewellers' shop WEMPE offers a range of precious watches, selected jewellery and flawless diamonds.

### BRIDGE

Due to its exceptional importance as the control centre for nautical and technical processes, the bridge is a highly sensitive area. For this reason and in accordance with international regulations, it is not open to the public. However, we would like to give you the opportunity to visit the bridge unless prevented by nautical interests or the local regulations of the coastal regions we are passing.

### BUTLER

A butler service is available to guests of the Owner Suites, Grand Penthouse Suites and Penthouse Suites. Amongst other things, your butler will attend to unpacking and packing your luggage, will serve meals and drinks in your suite, will take on the ironing of your clothes and many other services.

### CHILDCARE (AGES 2 YEARS AND UP)

For children from the age of 2, there are qualified childcare specialists who organise both special children's events on board as well as children's and teens' excursions. The supervision times for children from 4 years and up are usually from 9.00 to 17.00 hrs and from 18.30 to 22.00 hrs. The supervision times for adolescents from 11 years and up are usually from 9.00 to 17.00 hrs and from 18.30 to 21.00 hrs. During these times, games, sports and creative programmes will be offered. The Kids' Club and Teens' Club provide rooms for supervised playing and are partly accessible outside of the supervision times. Their equipment is appropriate for the age group concerned. The childcare service in the Knopf Club for children between the ages of 2 and 3 is available for a fee of €65 per day and is offered during the following supervision times: from 9.00 to 17.00 hrs and, as part of our sleeping supervision service, from 18.30 to 22.00 hrs. Registration for the Knopf Club is

required before commencement of the cruise. On days at sea, we offer a childcare late-riser service for parents who wish to enjoy a lie-in. In this case, children from 2 years and up are collected from the suite and are taken for a group breakfast in one of the restaurants. In addition, on family cruises we also offer special shore activities for children and teens (subject to a charge). We will also be happy to provide an evening babysitter via our chief nanny (subject to availability and for a fee). Please note that the pool is not supervised on board. Guests use the pool at their own risk.

### DRESS CODE

There is no set dress code on board the EUROPA 2 during the day. In the evening, however, gentlemen should wear smart-casual clothing in the restaurants on Deck 4 as well as in the Sushi Restaurant Sakura. This means a jacket or a summer suit; short trousers and T-shirts are not permitted. A tie is not required. It is not necessary to wear a jacket in the evening in the Yacht Club Restaurant.

### DRONES

The private use of drones is not permitted on board our luxury cruise ships. This applies during the cruise and during lay times in port, as well as at landing points in remote regions. In polar regions, Hapag-Lloyd Cruises places great value on respecting international agreements to protect sensitive natural environments and the animal kingdom in particular. In other regions of the world, approval for the use of drones ashore must be explicitly granted by the relevant authorities. These applications must be made by the passengers individually and without any intervention by Hapag-Lloyd Cruises. As well as a drone licence, which users must acquire in their country of origin, the relevant approval must be available for presentation at all times. Please take these instructions seriously, since passengers who are in breach of these regulations and licensing requirements will be liable to prosecution.

### EMAIL\*

Your personal email account is available to you during your cruise on the EUROPA 2 via the guest portal. You can receive, send and forward emails. This service is available to you free of charge. To open or send attachments, you will need to use webmail (for information about the costs, see the "internet" section).

### EMBARKATION, DISEMBARKATION AND INDIVIDUAL TRAVEL ARRANGEMENTS TO AND FROM THE SHIP

Please see page 33 of this price insert for more information regarding these matters.

### FAMILY APARTMENT WITH CONNECTING DOOR

On Deck 8, there are seven Family Apartments – each consists of two units joined by a connecting door.

### FOOD ALLERGIES/DIETARY REQUIREMENTS

We are happy to cater to food allergies where possible and subject to availability. Please let us know your wishes when making your booking. Low-calorie meals are available every day for those who like to eat healthily.

### GENERAL/CHANGES

For all cruises referred to, the Terms and Conditions of Travel of Hapag-Lloyd Cruises, a TUI Cruises GmbH company, apply. All information was correct at the time of printing, replaces all previous publications and may be subject to alterations. The booking confirmation is definitive. Please also note: you can view the EU regulations concerning the rights of passengers travelling by sea on our website at [www.hl-cruises.com/service/cruise-information](http://www.hl-cruises.com/service/cruise-information)

### GRATUITIES

Gratuities are not mandatory on board. Acknowledgement of particularly good service is at the discretion of each guest.

### GUEST PORTAL

The guest portal on your TV or tablet lets you select from a range of films and music in many different styles and provides you with detailed information about your cruise at all times. In addition, you can access your on-board account or view the day's menus, send and receive emails, and much more.

### GUESTS WITH LIMITED MOBILITY

Some cruises on the EUROPA 2 may be unsuitable for guests with limited mobility. Please note that a large number of our planned Zodiac landings and shore activities require a high level of physical fitness; depending on the conditions, we can only guarantee participation for guests with no mobility restrictions. The EUROPA 2 offers two suites (suites 811 and 813) with fully accessible layout and equipment. We nevertheless highly recommend that you travel together with a responsible companion because, due to special procedures on board a ship, continuous assistance is not possible. Certain groups of people can only be accommodated if they are accompanied. Please bring your own standard-size wheelchair or any other medical equipment with you if you are dependent upon it. Unfortunately, electric wheelchairs and guide dogs cannot be brought on board. Please note that participating in shore activities and going out in the Zodiacs (subject to weather conditions) may not be possible for guests with physical limitations. We reserve the right to restrict participation in group activities to guests who can manage the entire activity without problems and without external assistance. Unfortunately, guests who are dependent on a wheelchair cannot travel in the Zodiacs. Whether

or not guests can go ashore by tender boat (when the ship is at anchor) is also dependent on the weather and cannot always be guaranteed. To ensure that you experience a relaxing cruise where everything goes smoothly, before booking please provide us with details of your physical impairment and enquire as to whether we can meet your individual needs.

### HYGIENE AND PREVENTION

The health and safety of guests and crew members is always the highest priority for Hapag-Lloyd Cruises. Appropriate safety, prevention and hygiene measures are therefore a matter of course on board all Hapag-Lloyd Cruises ships. Qualified medical personnel are present on every cruise. The very well-equipped ship's hospital has a laboratory that can also be used to detect viral diseases. The high OPP Level 3 hygiene status automatically applies in the event of an infection. This includes even more intensive cleaning and disinfection of frequently touched surfaces. You can find our prevention and hygiene concept online at [www.hl-cruises.com/travel-safely](http://www.hl-cruises.com/travel-safely)

### INTERNET\*

Via the guest portal, you have a direct internet access. In addition, the whole ship is equipped with Wi-Fi hotspots via which you can access the internet using a laptop, your private mobile phone or the tablet available in your suite. Internet use is free of charge for one hour per guest per day.\*\*

### LAUNDRY/DRY CLEANING

The EUROPA 2 has a laundry, dry cleaning and ironing service (at a surcharge). In the Owner Suites, Grand Penthouse Suites and Penthouse Suites, an ironing service is included in the cruise price.

### LIBRARY/PC WORKSTATIONS

Everything that the avid reader is looking for is here in our on-board library in the Belvedere and can be borrowed at any time free of charge. In addition, PC workstations with printers are at your disposal. Furthermore, every suite is fitted with a tablet.

\*Due to a potentially unstable satellite connection which depends on the weather and ship's position, especially in northern and southern cruising areas, this service cannot be guaranteed at all times.

\*\* You can find more detailed information on internet use on board at [www.hl-cruises.com/internet](http://www.hl-cruises.com/internet)

#### MEANS OF PAYMENT

We have chosen a cashless payment system on board EUROPA 2. We accept German EC/maestro cards and the following credit cards: MasterCard, American Express and Visa.

#### MEDICAL SERVICES

The EUROPA 2 has a modern, well-equipped ship's hospital under the supervision of an experienced ship's doctor. Guests who are being treated for any medical condition should contact the ship's doctor directly after embarkation. It is important to bring any medication required on board with you (in a quantity that is sufficient for the entire duration of the cruise). Treatment for seasickness is subject to a charge if you make use of our medical services. We offer thrombosis prevention medication on board if required (subject to a charge). The treatment on the ship is a treatment which is equivalent to a visit to a doctor abroad (flag state Malta). We therefore recommend that you take out private international health insurance. Payment will be through your on-board account. Hapag-Lloyd Cruises cannot accept liability for the reimbursement of the full amount of the treatments from your respective personal health insurance. Extensive medical treatment on board is only possible to a limited extent. For example, the on-board hospital is not specially equipped for the care of babies and small children. In addition, the on-board pharmacy is equipped with a range of products for general illnesses and for initial/emergency treatment. In a medical emergency, the patient will be debarked and transferred to a nearby hospital ashore. The associated costs must be borne by the patient. Guests who are being treated for any medical condition should carry their medical records with them. We will check the possibility of providing dialysis on request.

#### MINI BAR

Soft drinks and beer in the mini bars of the suites are included in the cruise price. In the Owner Suites, Grand Penthouse Suites, Penthouse Suites and Grand Ocean Suites, there is also a selection of fine spirits included.

#### NEWSPAPERS\*

We can provide a large selection of digitally printed full editions of national and international newspapers on request (subject to a fee). The newspapers are delivered to your suite in the morning or according to when they are published. If you are interested, please contact Reception on Deck 4. Furthermore, a free on-board edition of *Die Welt* or an alternative abridged newspaper is available in the EUROPA 2 guest portal, which you can access via your own mobile device or the tablet in your suite. You can also find other selected newspapers and magazines (some of which are subject to a fee) there.

#### ON-BOARD LANGUAGES

The on-board languages are German and English.

#### PHOTOGRAPHER/FILM TEAM

A photographer is on board on every cruise to take pictures on board during the cruise and on shore. Upon request, they will also print your own photos on photographic paper or burn your digital photos on to a DVD (for a fee). In addition there is usually a video producer on board who will record your cruise for you on film. Photos and the film can be purchased.

#### POST

In most of the ports, it is possible for our Reception to arrange to post your postcards and letters. Your suite account will be debited with the appropriate postage charges.

#### PROPULSION

The low-vibration propulsion system of the EUROPA 2 reaches a total output of 15,500 kW.

#### SAFE

Every suite has a private safe for keeping your valuables secure. Further valuables can be deposited in the safe at Reception.

#### SHIP ID CARD

At the start of your cruise, you will be provided with a ship ID card, which you are requested to carry with you every time you go ashore. It acts as a substitute for your passport or personal ID card when you board or leave the ship (e.g. shore activities) and is checked by our security system. The system electronically registers whether you are on board or ashore.

#### SMOKING

All restaurants on board are non-smoking restaurants. The theatre, the Belvedere, the foyer, Club 2 and the entire OCEAN SPA area are also smoke-free areas. Smoking is permitted on the outer terrace of the Sansibar, while the indoor area of the Sansibar is a smoke-free zone. Cigars, cigarillos and pipes may only be smoked in the Collins (also during the day) and in the outside area of the Sansibar. Please note that smoking is not permitted in the suites. Smoking is permitted on the veranda. Smoking is not permitted on the Pool Deck under the magrodome. All other external decks are smoking zones. Smokers are obliged to exclusively use the ashtrays provided.

#### STABILISERS

The ship is fitted with state-of-the-art Blohm+Voss stabilisers that are extended from the sides during a heavy swell and can reduce the rolling movements of the ship in rough seas.

#### SUITES

Every suite has a visually divided living area (not in Family Apartments and in the fully accessible suites). In the Owner Suites and Grand Penthouse Suites, living and sleeping areas are spatially separated. All suites have a TV, tablet, telephone, mini bar, hairdryer, safe and a Nespresso coffee machine. In the suites above the Club 2 (501-513, odd numbers) and below the Sansibar (762-769), there may be disturbances from the entertainment programme. Please also take note of the information in the section entitled "Beds". You will find more information about the suite overview on pages 7 to 10 of this price insert.

#### SUITE SERVICE

Our suite service is available 24 hours a day with selected cold and warm dishes as well as drinks from the bar menu.

#### SUITES WITH CONNECTING DOORS

On Deck 6, Deck 7 and Deck 8, there are a total of 19 Veranda Suites that can be combined with their neighbouring suite by means of a connecting door, should separate bedrooms be preferred. Please also refer to the section entitled "Family Apartment with connecting door".

#### TABLE RESERVATIONS

Breakfast and lunch on board the EUROPA 2 are taken in an open seating arrangement. You have free choice of seats. This also applies to dinner in the Restaurant Weltmeere and in the Yacht Club Restaurant. Table reservations for dinner in the speciality restaurants (Serenissima, Tarragon including Grande Reserve, Elements, Sushi Restaurant Sakura) are accepted by the maitre at the beginning of your cruise. Reservations cannot be made prior to departure. Unfortunately, we cannot accept any table reservations on cruises lasting less than seven days. Different rules apply for guests staying in the Owner Suites and Grand Penthouse Suites.

#### TELECOMMUNICATIONS\*/

##### MOBILE TELEPHONE SERVICE\*

Your ship is fitted with a satellite communication system. Provided there is a connection to the communication satellite locally, this will enable a direct telephone connection worldwide. A direct telephone connection on board is also possible. Please note that even the dialling of a telephone number of the EUROPA 2 is chargeable to the caller. You can ask your telephone provider for the exact fees for a satellite telephone call on board; Hapag-Lloyd Cruises has no influence on this. The mobile network of the company WMS, a provider of mobile services on board cruise ships and planes, enables you to also use your personal mobile phone while at sea in areas in which your mobile phone provider normally cannot guarantee network coverage (service at an extra charge; prices vary according to the provider).

##### TENDER AND ZODIAC SERVICE

In all harbours in which the EUROPA 2 lies at anchor, tendering is used where possible with the ship's own launches (tenders) or motorised inflatable rubber boats (Zodiacs). Please note that, for safety reasons, the minimum age for travelling in Zodiacs is 6 years.

##### TIMES

All times stated in the main catalogue are local times. Arrival and departure times may change depending on the weather or for unforeseeable reasons.

##### TRAVEL CONCIERGE

The travel concierge is happy to advise you on individual shore and flight arrangements, organise your personal programme requests and make all the necessary bookings for this (subject to a charge).

##### TV/RADIO CHANNELS\*

You will receive the channels available in the region in which the EUROPA 2 is currently located via satellite.

##### UMBRELLAS/SUNSHADES

Umbrellas and sunshades are available for loan upon request.

##### VOLTAGE

All electrical devices in your suite run on 230 V alternating current. A voltage converter that will allow you to use devices rated for 110 V on the European alternating-current network, as well as adapters for German and standard foreign plugs, are available at Reception.

##### WELLNESS AREA/SPA

Use of the sauna and steam bath is free of charge. Our OCEAN SPA wellness area offers guests a comprehensive feel-good programme (subject to a charge) – from a wide range of soothing applications and cosmetic treatments using premium-quality products to an on-board hairdresser. Reservations can only be made on board. For an extra charge, you can book a Personal SPA either by the hour or by the day. It includes a sauna, your own whirlpool, massage beds and comfortable furnishings for total relaxation.

\*Due to a potentially unstable satellite connection which depends on the weather and ship's position, especially in northern and southern cruising areas, this service cannot be guaranteed at all times.

## TERMS AND CONDITIONS OF TRAVEL

Please note that these Terms and Conditions of Travel only apply for bookings from 15 Feb 2023.

L.V. 02/2023

Once validly agreed upon between the Passenger and the cruise operator Hapag-Lloyd Cruises, a TUI Cruises GmbH company (hereinafter “Hapag-Lloyd”), the following Terms and Conditions of Travel form part of the package travel contract formed between the Passenger and Hapag-Lloyd. They supplement the provisions of sections 651a – 651y of the German Civil Code (BGB) and articles 250 and 252 of the Introductory Act to the German Civil Code (EGBGB).

### 1. Conclusion of the travel contract and liability for accompanying passengers

1) The following provisions apply in respect of all booking channels (e.g. travel agencies, direct bookings with cruise operator, online bookings):

a) The Passenger’s offer to enter into a travel contract is based on the published description of the cruise and on such additional Hapag-Lloyd information on the booked cruise as is available to the Passenger at the time of booking.

b) The booking must contain the full particulars of the passport documents of all passengers to which the booking relates (passenger manifest details). The person making the booking does so on behalf of themselves and on behalf of all other passengers named in the booking. The person making the booking expressly vouches for the contractual obligations of all other passengers named in the booking.

c) If the confirmation by Hapag-Lloyd differs in content from the Passenger’s booking, this shall constitute a new offer by Hapag-Lloyd by which the latter is bound for ten days from receipt of the confirmation and which the Passenger may accept within this period by giving their express or implied consent. Payment of a deposit or the full cost of the cruise shall constitute implied consent.

d) Persons in the business of arranging travel (e.g. travel agents) and service providers (e.g. hotels, transport companies) are not authorised by Hapag-Lloyd to conclude agreements, give information or make assurances that alter the agreed content of the travel contract, exceed the scope of services to be provided by Hapag-Lloyd under the contract or which are inconsistent with the published description of the cruise.

e) By default, the pre-contractual information disclosed by the operator regarding material characteristics of the cruise services, the cruise fare and all additional costs, payment arrangements, the minimum number of bookings for cruise viability and cancellation fees (pursuant to the disclosure requirements of article 250, section 3, subsections 1, 3–5 and 7 of the EGBGB) will form part of the package travel contract. This information will be excluded from the package travel contract only if this is expressly agreed between the parties.

2) The following provisions apply in respect of bookings made **verbally in person, via telephone, in writing, via email or via fax**:

a) By making a booking, the Passenger is making a firm offer to Hapag-Lloyd to enter into a package travel contract.

b) A package travel contract is formed when the Passenger receives a booking confirmation from Hapag-Lloyd. At the time of or immediately following formation of the contract, Hapag-Lloyd will provide the Passenger with a legally compliant booking confirmation on a durable medium (a medium which enables the Passenger to keep or store the notice in unchanged form in such a way that it is accessible for future reference for an adequate period of time, e.g. on paper or in an email) unless the Passenger has a right to issuance of a booking confirmation strictly in paper form pursuant to article 250, section 6, subsection 1, sentence 2, of the EGBGB on the grounds that the contract was concluded in the simultaneous physical presence of both parties or was concluded “off-premises” (“außerhalb von Geschäftsräumen”).

3) The following provisions apply in respect of bookings made using **electronic commerce (e.g. the Internet, apps, telemedia services)**:

a) The e-commerce application being used must contain information that explains the electronic booking process to the Passenger.

b) The Passenger must be given adequate opportunity to correct or delete their entries or reset the entire booking form. The Passenger must also be given an explanation on how to undertake such corrections, deletions and resets.

c) The contractual languages offered for making the electronic booking must be indicated.

d) If the wording of the contract is stored by Hapag-Lloyd, the Passenger must be advised that they can retrieve and view the wording of the contract at a later time.

e) By clicking on the “Submit firm booking” (or similarly named) button, the Passenger is making a firm offer to Hapag-Lloyd to enter into a package travel contract.

f) No package travel contract is formed until the Passenger receives a booking confirmation from Hapag-Lloyd on a durable medium. The package travel contract is then legally binding irrespective of whether the Passenger actually uses the durable medium received to save, store or print the booking confirmation.

4) Hapag-Lloyd advises that, in the case of package travel contracts pursuant to sections 651a and 651c of the BGB, which are concluded using the modalities of distance contracting (letters, catalogues, telephone calls, faxes, emails, text messages sent via mobile telephone services (SMS), broadcast, tele-media and online services), the relevant provisions of legislation (section 312(7) and section 312g(2), sentence 1, number 9, of the BGB) do

not provide for a right of revocation (“Rücktrittsrechte”); they only provide for the statutory rights of cancellation (Rücktrittsrechte) and termination (“Kündigungsrechte”), particularly the right of cancellation under section 651h of the BGB (see also clause 9 hereof). The Passenger does, however, have a right of revocation if the travel contract as per section 651a of the BGB was concluded “off-premises” (“außerhalb von Geschäftsräumen”). However, this does not apply if the verbal negotiations on which the contract is based were conducted at the prior instigation of the consumer; in such cases, there is no right of revocation.

### 2. Carriage by air

Where the cruise includes carriage by air, this part of the journey shall be subject to the conditions of carriage of the actual (carrying) airline concerned (for liability, see also clause 15 2 c), which are available from Hapag-Lloyd on request.

The times of special flights depend on the availability of aircraft on the charter market and permission from the air traffic control authorities and may therefore be in the early hours of the morning or in the late evening.

Hapag-Lloyd shall inform the Passenger of the identity of the actual airline(s) for all air services to be provided in relation to the cruise. If the identity of the actual airline(s) is not known at the time of booking, then Hapag-Lloyd shall inform the Passenger of the identity of the actual airline(s) as soon as it finds out, provided that Hapag-Lloyd shall disclose the identity of the actual airline(s) at the very latest at the time when it sends out the cruise information to the Passenger approximately three months before the start of the cruise. Hapag-Lloyd shall inform the Passenger of any changes in actual airline(s). The Black List of airlines that are banned within the EU can be viewed online at <http://ec.europa.eu/transport/modes/air/safety/air-ban>.

### 3. Payment

1) **Payment shall be made directly to Hapag-Lloyd by credit transfer. Payment to the travel agency organising the booking shall not discharge the Passenger from the obligation to make payment.**

2) On conclusion of the contract (namely, on receipt of the written booking confirmation), a deposit of 20 % is payable for bookings up to the 365th day before the start of the cruise, a deposit of 25 % for bookings between the 364th and the 181st day before the start of the cruise, and a deposit of 30 % of the cruise price for bookings from the 180th day before the start of the cruise per passenger. Before paying the deposit, the Passenger will receive a refund security certificate (“Sicherheitsschein”, see clause 16). The balance of the fare shall be due 30 days before the scheduled cruise start date. The total amount will be payable immediately for cruises booked within 30 days of the departure date. Hapag-Lloyd shall send out the travel documents after receiving the balance of the fare and the full particulars of the passport documents (passenger manifest details) of all participating passengers to whom the booking relates, provided, however, that no travel documents shall be sent out earlier than 30 days prior to the scheduled cruise start date.

3) If the Passenger fails to make payment by the due date and remains in default despite having been given a reminder and afforded a reasonable grace period for late payment, Hapag-Lloyd shall be entitled to cancel the contract and demand a cancellation fee as compensation in accordance with clause 9 of these Terms and Conditions. The Passenger may claim a waiver or reduction of the cancellation fee if they are able to prove to Hapag-Lloyd that Hapag-Lloyd has suffered no loss or that the loss suffered is substantially less than the cancellation fee.

### 4. Travel regulations, travel documents

1) Passengers shall observe all laws, enactments, instructions and travel regulations of the countries and ports visited during the cruise and all rules and instructions issued by Hapag-Lloyd or its authorised representatives. Hapag-Lloyd shall inform passengers of German, Austrian and Swiss nationality as to the relevant passport, visa and health requirements prior to conclusion of the travel contract and shall keep them informed of any changes to the same that may occur prior to the start of the cruise. Passengers of EU nationalities other than German and Austrian may obtain this information on request. Passengers of other non-EU nationalities must contact the relevant consulate for this information. These provisions assume that there are no special circumstances attaching to the Passenger or any accompanying passengers (e.g. dual citizenship, statelessness). The Passenger shall obtain the relevant travel documents (e.g. visas, vaccination certificates, online travel authorisations such as the ESTA authorisations issued by the USA) themselves and produce them on request. The Passenger shall be liable for any costs or disadvantages arising from their failure to observe the above regulations, rules and instructions.

2) If, for reasons attributable to the Passenger, the Passenger fails to observe the immigration regulations of certain countries, or if a visa is not granted in good time through the Passenger’s own fault with the result that they are unable to take part in the cruise, Hapag-Lloyd shall be entitled to demand the appropriate cancellation fee from the Passenger in accordance with clause 9 of these Terms and Conditions. In such cases, the Passenger may claim a waiver or reduction of the cancellation fee if they are able to prove to Hapag-Lloyd that Hapag-Lloyd has suffered no loss or that the loss suffered is substantially less than the cancellation fee.

3) The Passenger shall be liable to Hapag-Lloyd for any consequences or damages – in particular, fines, penalties or other expenses – that the latter is required to pay or deposit because of the Passenger’s failure, for reasons

attributable to the Passenger, to observe a particular country’s immigration, emigration or transit regulations or to produce the necessary documents. The Passenger shall reimburse Hapag-Lloyd immediately for any sums of money the latter has had to pay or deposit.

4) The Passenger shall inform Hapag-Lloyd if they do not receive the necessary travel documents within the time advised by Hapag-Lloyd.

### 5. Baggage

1) Baggage may only contain personal effects. In particular, the Passenger is not permitted to take on board weapons or other dangerous objects, illegal drugs, or alcoholic beverages intended for consumption during the cruise. Clause 4 2 of these Terms and Conditions shall apply accordingly. Hapag-Lloyd may refuse to carry any baggage found to contain prohibited items.

2) The Passenger must label their baggage legibly with their name, cabin number and date of sailing; otherwise Hapag-Lloyd shall not be responsible for any loss, mix-ups or errors in loading or unloading. Excepted from this exclusion of liability on the part of Hapag-Lloyd are losses, mix-ups and errors in loading or unloading caused intentionally or by reason of gross negligence.

Hapag-Lloyd will hold items of lost property for a minimum of two weeks. All items of lost property will ultimately be surrendered to the Lost Property Office in Hamburg when the ship calls at Hamburg, where Hapag-Lloyd has its registered office.

### 6. Scope of services

Save and except as provided otherwise in these Terms and Conditions, the cruise fare includes carriage and accommodation of the Passenger and their baggage as well as meals on board. The fare does not include shore excursions or drinks – unless stated otherwise in the published description of the cruise – or special services (e.g. laundry, hairdressing, massage). In all other respects, the scope of services to be rendered by Hapag-Lloyd under the contract shall be as described in the brochure advertising the cruise and in the booking confirmation.

Any collateral agreements (special requests, arrangements) that alter the scope of the services to be rendered under the contract require written confirmation by Hapag-Lloyd.

At the time of booking, the Passenger must notify Hapag-Lloyd if they have any personal mobility limitations in respect of which Hapag-Lloyd is required to provide certain services under EU Regulation 1177/2010 concerning the rights of passengers when travelling by sea and inland waterway.

### 7. Medical assistance

a) A modern hospital is found on every ship. The services of the hospital are not included in the travel contract. The patient must conclude a separate contract with Hapag-Lloyd for any medical treatment received.

b) The treatment on the ship is a treatment which is equivalent to a visit to a doctor abroad (flag state Malta). German fee guidelines and German health insurance do not apply on board. We therefore recommend that you take out private international health insurance. Payment is made by boarding pass; billing by insurance card is not possible. Hapag-Lloyd cannot accept liability for the reimbursement of the full amount of the treatments from your respective personal health insurance.

c) Extensive medical treatment on board is only possible to a limited extent. For example, the on-board hospital is not specially equipped for the care of babies and small children. In addition, the on-board pharmacy is equipped with a range of products for general illnesses and for initial/emergency treatment. In a medical emergency, the patient will be debarked and transferred to a nearby hospital ashore. The associated costs must be borne by the patient. Guests who are being treated for any medical condition should carry their medical records with them.

### 8. Modifications to services; special exigencies of shipping

1) Any modifications to or deviations from individual services as compared to the agreed content of the travel contract which may become necessary after conclusion of the contract, whether because of travel advisories issued by the German Foreign Office, the special exigencies of shipping or for other reasons, and which are made by Hapag-Lloyd in good faith, shall be permissible provided that they are not substantial and do not impair the overall quality of the cruise as booked.

2) As soon as Hapag-Lloyd becomes aware of the reason or cause for any such modification to services, it shall inform the Passenger of the modification via durable medium (e.g. email, SMS, voicemail) in a clear, easily understandable and duly emphasised manner.

If, for reasons not attributable to Hapag-Lloyd, a ship is placed in quarantine, the Passenger shall pay their own accommodation and meal costs. If the Passenger remains on board and takes their meals there, they shall reimburse Hapag-Lloyd for the extra cost resulting therefrom.

3) If a substantial modification is made to a material characteristic of a cruise service or if the service deviates from specific characteristics requested by the Passenger and incorporated into the package travel contract, then the Passenger shall have the right, exercisable within a period specified by Hapag-Lloyd at the time the notice of the modification/deviation is given, – either to accept the change, – cancel the travel contract free of charge, or – demand participation in a replacement cruise, provided that such a cruise is offered by Hapag-Lloyd.

It is up to the Passenger whether they respond to Hapag-Lloyd’s notice of modification/deviation. If the Passenger chooses to respond to Hapag-Lloyd, then they can do so either by accepting the change, demanding participation in a replacement cruise if such a cruise is offered by Hapag-Lloyd, or cancelling the contract free of charge.

If the Passenger fails to respond to Hapag-Lloyd, or fails to respond within the specified period, then the Passenger shall be deemed to have accepted the change.

4) Any warranty claims the Passenger may have shall remain unaffected in the event that the modified services are unsatisfactory.

### 9. Cancellation of contract by Passenger prior to start of cruise; cancellation costs

1) The Passenger may cancel the travel contract at any time prior the start of the cruise. If the Passenger wishes to cancel the travel contract, it is recommended that they give notice of cancellation on some form of durable medium. The notice will become effective on the date on which it is received by Hapag-Lloyd or, as the case may be, by the travel agency that made the original booking.

2) If the Passenger cancels the travel contract prior to the start of the cruise or fails to report for the cruise (no-show), then Hapag-Lloyd will have no right or claim to the cruise fare. Instead, Hapag-Lloyd shall have the right to claim a reasonable cancellation fee as compensation unless Hapag-Lloyd itself is responsible for the Passenger’s cancellation or if at the cruise destination or in its immediate environs extraordinary circumstances arise which materially impair the performance of the package cruise or the carriage of persons to the cruise destination; circumstances are unavoidable and extraordinary if they are beyond the cruise operator’s control and their consequences could not have been avoided even if all reasonable precautions had been taken.

3) Hapag-Lloyd has calculated the following cancellation fees, which take into account its anticipated expenses saved, costs recouped and earnings from the use of the cruise services by other passengers. Compensation will be calculated according to the date of receipt of the cancellation document as follows with the respective cancellation scale:

365 days or more before the start of the cruise: € 300 (US\$ 330, £ 260)* per person	
from 364th to 181st day before the start of the cruise:	25 % of the fare
from 180th to 150th day before the start of the cruise:	30 % of the fare
from 149th to 90th day before the start of the cruise:	35 % of the fare
from 89th to 45th day before the start of the cruise:	50 % of the fare
from 44th to 30th day before the start of the cruise:	60 % of the fare
from 29th to 10th day before the start of the cruise:	75 % of the fare
from 9th to 1st day before the start of the cruise:	85 % of the fare
In case of no show or cancellation of the cruise on the departure day: 95 % of the fare.	

These cancellation fee provisions also apply to cancellations of combined air/sea travel, to cancellations of feeder flights included in the package or booked additionally and to cancellations of any other arrangements for travelling to or from the ship. If the cancellation fees charged to Hapag-Lloyd by service providers exceed the amounts recoverable by the cancellation fees above, then Hapag-Lloyd shall have the right to charge higher cancellation fees up to a maximum of the cruise fare. Cancellation fees are due and payable immediately upon cancellation. If the cancellation conditions of third-party service providers or hotels participating in Hapag-Lloyd programmes differ from the above, the differing conditions shall apply, provided that this is expressly indicated in the booking confirmation.

4) The Passenger may claim a waiver or reduction of the cancellation fee if they are able to prove to Hapag-Lloyd that Hapag-Lloyd has suffered no loss as a result of the cancellation or that the loss suffered is substantially less than the cancellation fee.

5) For their own protection, the passenger is advised to take out insurance against cancellation of the travel contract or premature termination of the cruise if this is not already part of the cruise package.

6) Cancellation by the Passenger – Golf & Cruise voyages

The following provisions apply to bookings for Golf & Cruise voyages (cruise plus golf basic packages) aboard the EUROPA and EUROPA 2:

If the Passenger cancels the contract for the basic package and/or additional golf courses **before** the start of the cruise, clause 9 1 to 9 5 hereof shall apply.

If the Passenger cancels the contract for the basic package and/or additional golf courses **after** the start of the cruise or fails to present themselves, the Passenger shall be liable for a flat-rate cancellation fee equal to 95 % of the price of the basic package and/or the additional golf course in question. The Passenger may claim a waiver or reduction of the cancellation fee if they are able to prove to Hapag-Lloyd that Hapag-Lloyd has suffered no loss as a result of the cancellation or that the loss suffered is substantially less than the cancellation fee. These cancellation provisions also apply to cancellations made due to sickness. There will be no refund of fees if the basic package and/or additional course events are not provided/ held owing to adverse weather. It is not possible for the Passenger to cancel individual course events that are part of the basic package.

### 10. Changes of bookings and fare transfers

1) Once the travel contract has been concluded, the Passenger has no legal right to have changes made to the date, destination or starting point of the

## TERMS AND CONDITIONS OF TRAVEL

cruise, the accommodation arrangements or means of transportation (change of booking). This does not apply if the change of booking is necessary because Hapag-Lloyd has failed to provide to the Passenger the pre-contractual information mandated by article 250, section 3, of the EGBGB or because the information provided by Hapag-Lloyd under said legislation is inadequate or incorrect. In such cases, changes of bookings can be made free of charge to the Passenger.

In all other cases, if Hapag-Lloyd makes a change of booking at the Passenger's request, despite not being legally obligated to do so, Hapag-Lloyd shall have the right to charge a rebooking fee of € 300 (US\$ 330, £ 260)\* per person.

- A change of booking within the 364-day period before the start of the cruise will be regarded as a cancellation by the Passenger combined with a new booking; and the provisions of clause 9 shall apply in respect of the cancelled booking. This does not apply in respect of change-of-booking requests that involve only minimal costs on the part of Hapag-Lloyd.
- If the Passenger wishes to cancel the travel contract, they shall have the right to request a transfer of the contract to a nominated substitute passenger. The effect of a transfer is that the substitute passenger succeeds to the Passenger's rights and obligations under the contract with Hapag-Lloyd alongside the Passenger. The Passenger and substitute passenger are then jointly and severally liable for the cruise fare and any additional costs incurred by Hapag-Lloyd as a result of the transfer. Hapag-Lloyd may refuse to accept the transfer if the nominated substitute passenger does not meet the special requirements for the cruise or if their participation would be in breach of applicable laws or regulations. If the transfer is accepted, Hapag-Lloyd will charge a handling fee of at least € 300 (US\$ 330, £ 260)\* per person.
- Hapag-Lloyd shall have the right to pass on to the Passenger any fees incurred in relation to changes or corrections made to names on air tickets (as opposed to changes of passenger) after the tickets have been issued.
- The above provisions do not affect the Passenger's legal right under section 651e of the BGB to demand, by means of notice on a durable medium, that a third party be allowed to succeed to their rights and obligations under the package travel contract. Such a notice will be deemed to have been given in sufficient time if it is received by Hapag-Lloyd no later than seven days prior to the start of the cruise.

### 11. Contract services not used

If, for reasons attributable to the Passenger, the Passenger does not use certain individual cruise services despite Hapag-Lloyd being willing and able to provide them in accordance with the contract, then the Passenger shall have no right to a proportionate refund of the cruise fare unless the reasons for non-use of the services would have entitled them by law to cancel the travel contract free of cost or terminate it. Hapag-Lloyd shall endeavour to pass on to the Passenger the service-provider expenses it has saved as a result of the Passenger's non-use of services. This requirement does not apply if the expenses in question were very minor.

### 12. Cancellation and termination by Hapag-Lloyd

Hapag-Lloyd may cancel the travel contract wholly or partially before the start of the cruise or terminate the same wholly or partially after the beginning of the cruise in the following cases:

- By giving advance notice received no later than four weeks before the start of the cruise** if Hapag-Lloyd does not receive the minimum number of bookings stated in the cruise description or brochure. If prior even to this it becomes apparent to Hapag-Lloyd that it cannot achieve the required minimum number of bookings, Hapag-Lloyd shall exercise its right of cancellation without delay. If the cruise is cancelled for this reason, the Passenger shall receive an immediate refund of any money paid towards the cruise fare. If, for the above reasons, Hapag-Lloyd instead makes a change of booking at the request of the Passenger, then the € 300 (US\$ 330, £ 260)\* per person handling fee specified in clause 10 shall not apply.
- Without a period of notice, if, in the opinion of the master of the ship following, where appropriate, consultation with the ship's doctor, the Passenger**
  - is unfit to travel because of illness, disability or for some other reason,
  - requires the support of an accompanying person but is travelling without such a person,
  - poses a danger to the health of other passengers, the ship's crew and the employees of Hapag-Lloyd,
  - has given false information when booking,
  - causes continuous or repeated disruption to the cruise in spite of being warned to desist, or
  - breaches the terms of the contract to such a degree that immediate cancellation of the contract is justified.
- Without a period of notice if the Passenger is pregnant** and is or will be in the 24th or later week of pregnancy at the start of the cruise or will enter the 24th week of pregnancy during the cruise. For reasons of safety and the limited medical care available aboard its ships, Hapag-Lloyd is unable to carry persons in the above stages of pregnancy. If the Passenger is affected in this way but had no way of knowing this at the time of booking, Hapag-Lloyd will refund any money already paid by the Passenger toward the cruise, provided that the Passenger notifies Hapag-Lloyd of her pregnancy as soon as she becomes aware of it. If the Passenger culpably

delays notifying Hapag-Lloyd, then Hapag-Lloyd shall have the right to charge a cancellation fee in accordance with clause 9 hereof. Expectant mothers who are/will be less than 24 weeks pregnant at the time of embarkation must produce a certificate from an appropriate medical specialist (gynaecologist) confirming that they are fit to travel in the territory covered by the cruise itinerary.

If the contract is terminated or cancelled for one of the reasons named in b) above, the Passenger may be excluded from part or all of the (rest of the) cruise. Hapag-Lloyd shall retain its right to claim payment of the cruise fare; any expenses saved and any financial advantages Hapag-Lloyd may gain from making other use of the cancelled cruise services shall be deducted from the amount so claimed. Any additional costs for the Passenger's return journey shall be paid by the Passenger.

### 13. Duty to provide assistance

If, for the reasons as per section 651k(4) of the BGB or for other reasons, the Passenger is in difficulties, then Hapag-Lloyd has a duty to provide assistance to the Passenger. This duty includes but is not limited to

- providing suitable information regarding health services, local regulatory authorities and consular support,
- support with long-distance communication, and
- support in looking for alternative travel options; this does not affect section 651k(3) or section 651q(2) of the BGB.

### 14. Warranty

- If, during the cruise, the cruise service provided differs from that agreed upon in the travel contract, the Passenger may seek redress from the ship's management, a local service provider or Hapag-Lloyd. The ship's management and local service providers are not authorised to recognise any claims as being valid. Hapag-Lloyd may refuse to remedy the defect if doing so would involve unreasonable expense. Alternatively, Hapag-Lloyd may remedy the defect by substituting an equivalent service, e.g. by engaging a different airline or vessel or by sailing a different route. The Passenger may refuse to accept the substitute service if they cannot be expected to accept it for good reasons that are readily apparent to Hapag-Lloyd, including in particular if the substitute service would materially impair the overall quality of the cruise as booked.
- The Passenger may, upon returning from the cruise, claim a fare reduction commensurate with the service reduction/defect suffered. The Passenger will not be able to claim a fare reduction under section 651m of the BGB or damages under section 651n of the BGB if they, through fault on their part, fail to notify Hapag-Lloyd of the cruise defect without delay.
- If the Passenger wishes to exercise their right under section 651l of the BGB to terminate the package travel contract owing to a cruise defect of the type described in section 651i of the BGB which materially impairs the cruise, they must first give Hapag-Lloyd a reasonable period of time in which to remedy the defect. The only circumstances in which the Passenger can terminate the contract without first allowing Hapag-Lloyd time to remedy the defect are where Hapag-Lloyd refuses to remedy the defect or where immediate remediation is necessary. If the contract is terminated in this manner, the Passenger shall nonetheless retain their right to be returned to the place of departure, provided that return to the place of departure was included in the contract. The Passenger shall pay that part of the fare for the cruise that relates to services they have used unless said services were completely without value to them.
- If Hapag-Lloyd is responsible for a circumstance which results in a defect in the cruise, the Passenger may claim compensation irrespective of the fare reduction or termination of the contract. If the cruise is rendered unviable for the Passenger or considerably impaired by such a circumstance, the Passenger may also claim reasonable compensation in the form of money for wasted holiday time.

### 15. Liability of Hapag-Lloyd

#### 1) General liability

If the cruise is not provided in accordance with the contract, the Passenger shall give notice of the defect to and seek redress from the ship's management, a local service provider, the travel agency via which they booked the cruise or Hapag-Lloyd.

#### a) Maximum liability

The contractual liability of Hapag-Lloyd for damage other than loss of life, bodily injury or injury to health shall be limited in total to three times the cruise fare unless the damage was caused through culpable conduct. The same shall apply if the damage in question was caused solely by a service provider engaged by Hapag-Lloyd. For all compensation claims in tort against Hapag-Lloyd that are not the result of culpable conduct, Hapag-Lloyd's liability for damage to property shall be limited to three times the cruise fare. These limits define the maximum amounts for which Hapag-Lloyd can be held liable per Passenger per cruise. Any claims that the Passenger may have on the basis of international agreements are unaffected by this. **In this regard, passengers are advised, for their own protection, to take out travel accident and baggage insurance for the cruise.**

#### b) Obligation to cooperate

The Passenger is required in particular to lodge their complaints immediately with the ship's management or the local service provider. The latter are authorised to find a remedy if a remedy is possible and does not involve unreasonable expense; they are not, however, authorised to recognise any

claims as being valid. If it is not possible to contact a local service provider, the Passenger must notify the ship's management or Hapag-Lloyd of the complaint without delay. If the Passenger fails to meet these requirements through their own fault, they shall forfeit the relevant claims.

#### c) Statutory claims

Notwithstanding the provisions of clause 15 1 a), the exclusions and limitations of liability contained in these Terms and Conditions shall apply to all claims for damages by the Passenger, whether these are based on the travel contract or other legal provisions.

#### d) Non-assignability of claims

Passengers may not assign claims against Hapag-Lloyd wholly or partially to third parties without the consent of Hapag-Lloyd.

### 2) Limitation of liability

#### a) General

Claims for damages against Hapag-Lloyd shall be limited or excluded if and to the extent that, under international agreements (or statutory provisions based on such) that are applicable to the services to be rendered by a service provider, claims for damages against that service provider may only be asserted under certain conditions or restrictions or are excluded under certain conditions.

#### b) Liability for voyages by ship

If, on voyages by ship, Hapag-Lloyd is acting in the capacity of a contracting or actual carrier, its liability shall be subject to the applicable specific international agreements or the statutory provisions based on these (e.g. German Commercial Code [HGB], German Inland Waterways Act [BinSchG]).

#### c) Liability as a contracting air carrier

If Hapag-Lloyd is acting in the capacity of a contracting air carrier, its liability shall be subject to the German Air Traffic Act (LuftVG), EU law, to the Warsaw Convention as amended by the Hague Protocol or other protocol, or to the Montreal Convention, depending on which provisions apply. Notwithstanding the preceding provisions, Hapag-Lloyd accepts no liability whatsoever for indirect or consequential loss unless said loss was caused grossly negligently or intentionally by Hapag-Lloyd or its vicarious agents.

In the case of scheduled flights not included in the cruise fare, Hapag-Lloyd only has the status of an agent. Flights of this type are marked in the travel documentation as "stand-alone, third-party flight" ("individuell vermittelter Flug"). In these cases, the company acting as the carrier shall be liable for performing the service of carriage, and the flight will be subject to that carrier's terms and conditions of carriage, including its rules on cancellation.

In all other respects, all flights offered by Hapag-Lloyd shall be governed by the current version of the general and special terms and conditions of carriage of the actual air carrier.

#### d) Valuables

Hapag-Lloyd accepts no liability whatsoever for damage to or loss of personal effects (e.g. photographic and filming equipment, clothing, jewellery or other valuables) caused by theft, misplacement of any kind, or excessive physical loads or stresses occurring off the vessel; excepted from this exclusion of liability are cases in which the damage or loss is the result of intentional or grossly negligent conduct on the part of Hapag-Lloyd. Hapag-Lloyd likewise excludes all liability for damage to or loss of personal effects while in storage or in transit in vehicles used for shore excursions or transfers; excepted from this exclusion are cases in which the damage or loss is the result of intentional or grossly negligent conduct on the part of Hapag-Lloyd.

Hapag-Lloyd's liability for damage to or loss of cabin baggage is as per the relevant provisions of the German Commercial Code (HGB). Jewellery, cash and other valuables should be carried in hand baggage (and not in checked baggage).

#### e) Third-party services

Hapag-Lloyd shall not be held liable for service disruptions, personal injury or damage to property arising in relation to services that are merely brokered as third-party services (e.g. brokered excursions, sporting events, visits to theatres, exhibitions), provided that said third-party services are expressly identified as such in the cruise brochure and booking confirmation in such a clear and unequivocal manner, along with details of the identity of the brokering contracting party, that it is readily apparent to the Passenger that they do not form part of the cruise package provided by Hapag-Lloyd and that they have been selected separately. This does not affect sections 651b, 651c, 651w or 651y of the BGB.

However, Hapag-Lloyd shall be liable for losses suffered by the Passenger if and to the extent that said losses were caused by breach of information, explanation or organisation obligations on the part of Hapag-Lloyd.

### 3) Exclusion of claims and limitation period for delayed and damaged baggage in the case of air travel

- If, on arrival at a destination by air, the Passenger becomes aware that their baggage has been lost, is damaged or delayed, then, in order to pursue redress, they are required by aviation law to notify the relevant airline without delay at the destination airport by filing a Property Irregularity Report (PIR). Under international aviation agreements, airlines and Hapag-Lloyd have the right to refuse compensation if no PIR has been filed. The PIR must be filed within seven days of baggage receipt in the case of damage and within 21 days of receipt in the case of delay.

- Any loss of, damage to or incorrect routing of baggage must also be reported without delay to Hapag-Lloyd, its representative/contact point or the agency which arranged the travel. Compliance with this obligation is not a substitute for filing a PIR with the airline within the required limitation periods, as described in paragraph a) above.

### 16. Protection in the event of insolvency

Hapag-Lloyd has taken due measures to ensure that the Passenger will be reimbursed for the fare paid for the cruise and any necessary expenses for the return journey in the event that Hapag-Lloyd becomes insolvent and the cruise services are not performed as a result of said insolvency. A refund security certificate can be found at the end of the booking confirmation document.

### 17. Defences and limitations of liability for employees and authorised representatives

If a claim is made against an employee or authorised representative of Hapag-Lloyd for loss or damage that has occurred in relation to carriage, the employee or representative concerned shall have the right to invoke the defences and limitations of liability available to Hapag-Lloyd under these Terms and Conditions, provided that they can prove that they were acting in the discharge of their duties.

### 18. Refusal of permission to disembark; cost of onward carriage

If the Passenger is refused entry to or permission to disembark in a chosen port or country and/or the Passenger's baggage is refused entry to said port or country, then Hapag-Lloyd may carry the Passenger and/or the Passenger's baggage to another port or country where the vessel calls and land them there. The Passenger shall pay Hapag-Lloyd the fare for this onward journey and reimburse any other expenses in connection therewith. Any such onward carriage shall be subject to these Terms and Conditions.

### 19. General Average contributions

The Passenger is not obliged to pay General Average contributions for objects they have brought on board the ship (section 588 of the HGB). The Passenger has no right to compensation under General Average proceedings.

### 20. Assistance to ships in distress; salvage; carriage of cargo

Hapag-Lloyd is entitled to use the ship employed for the cruise to render assistance to other vessels, to tow or salvage other vessels, and to carry cargo of any kind. All activities of this kind, whether previously announced or not, shall be deemed part of the cruise.

### 21. Court of jurisdiction

Any dispute arising under these Terms and Conditions or from any other relationship between the Passenger and Hapag-Lloyd can only be brought exclusively in the city of Hamburg, Germany, where Hapag-Lloyd has its registered office.

Hapag-Lloyd does not participate in the voluntary procedure for alternative dispute resolution for customer disputes in accordance with the Customer Dispute Resolution Law ("Verbraucherstreitbeilegungsgesetz").

### 22. Applicable law

The relationship between the Passenger and Hapag-Lloyd, whether contractual or otherwise, shall be subject solely to German law.

### 23. Severability

If any provision of these Terms and Conditions is or becomes invalid or unenforceable, then that provision shall be severed and the remaining provisions shall remain valid and enforceable.

### 24. Pricing subject to change

The information and prices in the brochure for the cruise are subject to change without notice. The booking confirmation shall be definitive of terms and prices.

It is legally permissible to change published prices prior to conclusion of a travel contract, particularly if, following publication of the brochure, a change becomes necessary for the following reasons:

- there is a change in the cost of carriage, the charges payable for certain services such as port and airport fees, or the exchange rate applicable to the relevant cruise, or
- the continued availability of a package cruise described in the brochure and requested by the Passenger can only be maintained if Hapag-Lloyd, following publication of the brochure, purchases additional tourism services (booking allotments) from external providers.

### 25. Assertion of claims: addressee, information on alternative dispute resolution

- Any claims that the Passenger has under section 651i(3), numbers 2 and 4–7, of the BGB are assertable against Hapag-Lloyd. Claims can also be asserted via the agency that the Passenger used to book the package cruise. It is recommended that claims be asserted by notification on a durable medium.
- Hapag-Lloyd advises that it does not use the voluntary alternative dispute resolution system provided for consumer disputes under the Consumer Dispute Resolution Act (VSBG). If, following the printing of these Terms and Conditions, use of an alternative consumer dispute resolution system becomes mandatory for Hapag-Lloyd, Hapag-Lloyd will inform the customer in an appropriate manner.

\*The currency in which the travel price has been or is to be paid is authoritative.
