# A WARM WELCOME TO OUR JOURNEY

Explora Journeys represents our confident vision to create an entirely new way of ocean travel

We provide transformative journeys touching every corner of the globe that inspire our guests to explore and discover the world, connect with others and themselves.

Our curated itineraries elegantly carry our guests both on and off the beaten path, offering the perfect blend of new destinations and familiar ones, with destination experiences that can amaze and immerse in equal measure. This is a way of travel that places our guests at the forefront, with effortless, intuitive service helping them settle into their Home at Sea, surrounded by spaces designed with a refined

European elegance. Perhaps most importantly, we are inspired by the very thing that carries us – the Sea, a transformative natural force that helps us deliver the unique Ocean State of Mind for our guests.

Our passion and respect for it is never forgotten and our sense of duty to protect it is apparent from the design of the ships themselves and the technology we use, to our broader sustainability commitments. We are excited to be setting sail in Summer 2023 and hope to welcome you on board then or on another of our Journeys Collection.

INTRODUCING EXPLORA JOURNEYS

# THE CONCEPT

Vibrant, cosmopolitan RELAXED European luxury at SEA. Instead of cruises we create journeys – of the MIND and across the OCEANS of the world as we visit EXTRAORDINARY places on and off the beaten track.

# **ON BOARD**

**EXPLORA JOURNEYS** 

# HERITAGE

This is a story that has its beginnings in Sorrento with a Neapolitan ferry captain - Gianluigi Aponte - who, with the Swiss sweetheart he met when she was a passenger on one of his crossings, went on to create MSC, a global shipping operation and the world's largest privately-owned cruise company.

# THIS SEAFARING **FAMILY IS CREATING** AN ENTIRELY **NEW WAY OF OCEAN TRAVEL**

Now this family is fulfilling their life-long dream and launching Explora Journeys, an exquisite, modern luxury cruise experience like no other.

#### **SOUTHAMPTON TO COPENHAGEN**

17 JULY - 1 AUGUST 2023 16 NIGHTS

#### Embarkation/disembarkation ports

For those who seek the rare and uncompromising, our champagne-studded Maiden Journey will put you in a rare state of bliss. Southampton sets us sailing to the cosy canallined hamlet of Bruges before you chart a course beyond the ephemeral boundary of the Arctic Circle. The spirit yearns when the sea beckons you to Hellesylt and Geiranger where inlets, cliffs and waterfalls tumble in shards of silver to dissolve into a rainbow mist. You see craggy cliffs jutting like dragons out of tranquil fjords and legendary landscapes allegedly created by mischievous trolls. Find some of the world's best scenery in the pocket-sized paradise of Lofoten then follow the wake of Vikings into the Sognefjord to Flåm, Bergen then Stavanger which spoils with Lysefjord and epic hiking trails. The uniqueness of light draws you to Skagen then onward to the cool Scandinavian mist of Copenhagen to stroll amongst the castles of North Zealand, a fittingly royal ending to a historic Maiden Journey.

Multilayered, mesmeric, and utterly indefinable, Iceland fulfils dreams of eco-curious experiences. Emotions are amplified standing before the uncontrollable energy of waterfalls, unearthly blue lagoons, and staggering sites that ring the Golden Circle around Reykjavik. Sailing northward around a filigreed coastline of peninsulas-each with its own geological marvels, stories, and wildlife. Thunderstruck, you gaze upon a mountainous valley that shelters Puffins, Arctic Foxes, and idyllic Ísafjörður village. Alight on trails leading upwards to spy bird-watching cliffs, waterfalls plucked from a fantasy, and glaciers that are expanding. Skimming the rim of the Arctic Circle, you sail onward through the halls of Heaven and into the deepest Icelandic fjord to find Akureyri; a buzzing whalewatching outpost also renowned for Goðafoss and Icelandic horses, which are the purest breed in the world. Leaving behind huffing volcanos and exploding geysers, you venture southward to Skagen then disembark in Copenhagen to linger in its achingly cool design and historic palaces.

Our days of exploration start in Copenhagen and Göteborg, both of which share titles as two of the world's greenest cities. A day at sea leads us to Norway's crown city of Oslo to find history proudly on display at the Viking Ship Museum and City Hall, where the Nobel Peace Prizes are awarded yearly. We board fast-boats to experience lovely Lysefjord, glide awestruck alongside the Hegjane Waterfall, then discover a mountain stairway, created by Nepalese sherpas, to Preikestolen for soul-enriching cliff-views. We fuel the spirit with the neo-Nordic food scene that has put Stavanger on the culinary map then ply the Elbe River to call upon Hamburg, Germany's "capital of cool", where affluent shopping promenades mix with a UNESCO World Heritage Site and together cement Hamburg as a must-do retreat amongst the most sophisticated social circles.

## WATERWAYS OF HAMBURG, ROTTERDAM & BRUGES

#### HAMBURG TO SOUTHAMPTON

21 AUGUST - 24 AUGUST 2023 3 NIGHTS

Embarkation/disembarkation ports

Charming canals and liquid highways lead us to desirable destinations where accolades and achievements cascade like the currents. Hamburg, with six times as many canals as Venice, owes its affluence to water. Today, the most notable network of canals wind through Speicherstadt and beside the sensational Elbphilharmonie concert hall that is applauded as the most acoustically advanced in the world.

Landmark architecture in Rotterdam is similarly set beside life-sustaining canals that now reflect marvellous urban living. Our quest continues to Zeebrugge that is forever linked by the Baudouin Canal to Bruges. Everything here puts its best face toward the water, including the Quay of the Rosary and the Basilica of the Holy Blood that is reported to have a venerated relic of Christ's blood. Water sustains the dream of the adventurer and there is no time it is more appreciated than aboard this journey.

Guided by a playful spirit, we let the Vikings take the helm and steer us to their greatest treasures in the Baltic, North Sea and the Low Countries. The strongest Norsemen, the Danes, take us to Copenhagen. Arrive early and step back in time in the Prince's Palace or stroll the old city's Strøget, Europe's longest pedestrian shopping street. Swedish Vikings still roam in Göteborg, considered one of the world's happiest cities. Norwegian Vikings, the best boat builders, guide us into Oslo and Stavanger, both culinary powerhouses and gateways to fantastic fjordland adventures. Helmsmen of the Hanseatic League lead us to Hamburg, where affluent shopping promenades mix with the extraordinary Elbphilharmonie concert hall and a warren of warehouses, now a UNESCOprotected gem. In Europe's Low Countries, where Vikings famously raided, we find peaceful pleasures in Rotterdam's quaint barge-lined canals and charming virtues in medieval in Bruges, a preserved Hanse city with its entire city centre a protected UNESCO trove.

#### UNITED KINGDOM & IRELAND

Is there a nation more steeped in history and literature, more enveloped in myth and legend, than the British & Irish Isles? This is the land of William Shakespeare, Sir Winston Churchill and William Wallace; of Bronte, Byron and Burns; of King Arthur and his knights; of Turner and Constable; of Big Ben, Benjamin Britten and the Beatles.

Follow in these hallowed footsteps as Explora Journeys circumnavigates from the sandy coves of Cornwall in the very south to the northernmost shores of Caithness in Scotland and across the Irish Sea to Greencastle, County Donegal.

Encounter the iconic Durdle Door on Devon's Jurassic Coast or the Old Man Of Hoy, a 137 m (450 ft) sea stack in the Orkney archipelago.

Setting a course far north, we traverse the remote and wildly romantic Hebridean islands, known for their deserted Tolkien-esque scenery, soaring snowy peaks, stunning sea lochs and exceptional single malts. A summertime sojourn in Scotland's capital Edinburgh invites guests to absorb the electric atmosphere of the Fringe, the biggest arts festival in the world, or watch the world-famous Military Tattoo from the ramparts of the castle, one of the oldest fortified places in Europe.

The teak promenade of EXPLORA I becomes your stylish catwalk as you journey to where men wear kilts and women mash the best scotch whisky. Walk in the footsteps of saints and ancient kings. Cross paths with artists and poets who protest there "may be dragons". Edinburgh is enigmatic with come-hither nooks and the jaw-dropping global performance of the Military Tattoo set before the light-washed Castle. Hadrian's Wall and the Angel of the North draw us to Newcastle. Are there mightier men than those in the Highlands of Invergordon who still look upon quiet glens filled with history of past carnage? Nip Ireland's whisky at the Sliabh Liag Distillery or cycle past the Troubles in Derry across the Peace Bridge. A phenomenon in nature occurs when golden sunshine dances across misty, green glens to create a rare effect of celestial light. The luxury of this luminosity begins in Glasgow, where we seek the interlude of modern and ancient sites from Loch Leven to the "armadillo" performance arts centre and charming Buchanan Street, comparable to London's West End.

We follow a crinkled shoreline to find Fort William, the "outdoor capital of the UK" and gateway to the prettiest glens including Glencoe and Glenfinnan, made even more famous in the movies Skyfall and Harry Potter respectively.

The light in Skye, Orkney Islands and Shetland Islands is exceedingly remarkable and spotlights some of the most geologically diverse landmasses in the world. Chasing the midnight sun, we call on the remarkable Faroe Islands, a fairy-tale of unfathomable allure that seems to come straight out of a Jules Verne novel. Our journey's final salutation to the sun in Iceland begins enlightening experiences on the land.

Chasing celestial light that dances across green glens and glacial bays, journey from Scotland to Iceland with wild wonders in-between.

Walk in the footsteps of ancient kings in Edinburgh, where our overnight coincides with the global performance of the Military Tattoo. Cross paths with poets who protest there "may be dragons" in the Highlands of Invergordon and Loch Ness, then find Neolithic standing stones that are older than Stonehenge on the Isle of Lewis. Glasgow provides an interlude of modernity before venturing to Scotland's prettiest glens of Glencoe and Glenfinnan. In Skye, we find a light as evocative as its geologically diverse landmasses. The Orkney Islands exceed all expectations whilst the Shetland Islands mark the northernmost point in the UK. Turning toward the midnight sun, we visit the unfathomable Faroe Islands then make our final sun salutation in Iceland where enlightening experiences await within the Golden Circle and treks across the "white desert" of a massive ice cap.

A constellation of wonders from Scotland to the fairytale Faroe Islands, the fiery Icelandic landscapes to the enigmatic ice sheets of Greenland. A cinematic map of unfathomable scenery that jumps straight from the pages of a Jules Verne novel. Meet misty green locks so ruggedly surreal they are fittingly homes to James Bond and Harry Potter. Navigate Greenland's most scenic inland passage, the Prince Christian Sound, to slip through one of the last wild places in this hemisphere. Curiosity and wonder propel your wanderlust further to sail across the top of the world with a quest for the bucolic beauty of Canada's Maritime Provinces. From the wildly remote to the globally renowned, the stars follow you all the way to New York City, one of the brightest metropolises in the world.

#### ICELAND AND GREENLAND

If our best, most exhilarating travel experiences involve discovery and the unfamiliar, the otherworldly scenery of Iceland and Greenland more than fits the bill. Like threading a needle, we'll pass through narrow cliffs and glaciers, witnessing thundering waterfalls, and bubbling – sometimes exploding – geysers, before becoming embedded in the raw beauty of this diverse and dramatic landscape as we explore its rust-coloured volcanic wildernesses, vast mossy lava fields and black-sand deserts, by zodiac or kayak or snowmobile.

Moving far-off the beaten track, with just the Atlantic puffins for company.

WE'LL SEEK WHALES,
POLAR BEARS AND
ARCTIC FOXES,
WHILST BIRD LOVERS
WILL DELIGHT IN
GYRFALCONS AND
GOLDEN PLOVERS.

Slow meditative pleasures include salmon fishing and the healing properties of submerging in geothermal rivers and sea baths, whilst adrenalin lovers might enjoy heli-skiing, rafting on glacial canyons and snorkelling with seals beneath the ice.

Reykjavik's *creative* **ENERGY** is the ideal **FOIL** to this wild and **REMOTE** *tundra*. Shop *cool* local design in the new harbour area or *enjoy* constantly **INNOVATIVE** *cuisine*.

The people here have always lived off the many colourful towns - including Nuuk, the land, so expect seasonal and ultra-pure food, from stewed moose and lamb or salted fish jerky to sweetened rye bread from a geothermal bakery. Visits to fishing villages and the regions

world's smallest capital city - helps uncover Norse mythology and Inuit culture.

## An overnight stay in a LUXURY tented camp will bring this FROZEN landscape beautifully into FOCUS.

We are all travellers at heart who crave that tantalizing spark of excitement when stepping into the unfamiliar. Nowhere is that fire better kindled than in the land of ice, where lifeaffirming wonders includes deeply immersive adventures. Zodiak beside looming icebergs. Spelunk massive ice caves. Snorkel between tectonic plates. While most consider this landscape as other-worldly, it is pure heaven to film directors and A-list actors who forge through Game-of-Thrones scenery. A golden circle of soul-enriching sites inside the Golden Circle, flights over Gullfoss, Geysir, then immersion beyond Isafjördur. Breath-taking Greenland brings us to the calving Eqi Glacier, the lineage of Erik the Red, and Qagortog, the "White Palace," abounding with icebergs, whales and the Lyngmark Glacier. Reality brings us back to Nova Scotia, Newfoundland and New York where carefully crafted land experiences let you explore like a local.

The land of opportunity is not just a moniker, it also applies to experiences that go beyond the superficial to delve deep into the soul of North America. There is no place with more potentiality than Manhattan, the global capital of commerce and culture. The MoMa, Wall Street and Harlem, Gotham City embraces it all ... and so can you easily during an overnight in the metropolis that never sleeps. Saunter into the galleries of Soho; nosh at restaurants in Hell's Kitchen; sail beside the Statue of Liberty, the glorious gift from France. Beautiful sites continue in Boston, dubbed the Athens of America. Go behindthe-scenes along Freedom Trail; witness the Old North Church; call upon Paul Revere's House; and hear the battle cries at Bunker Hill Monument. Intriguing beyond measure, we sail to St. John's, which serves as gateway to the Bay of Fundy, a jaw-dropping phenomenon with a tidal change so massive that actually cause a shift in the region's gravity. From one astonishment to the next, we slip through the St. Lawrence River to arrive at Québec City just as a thousand lights twinkle on at Le Château Frontenac and the UNESCO Old City of ingenuity. 400 years old and still very much alive, she was founded by Champlain then lost to the British; however, her heart remains devoted to the Francophile. Terrasse Dufferin, a magnificent 425-m-long boardwalk, offers views of the St. Lawrence River but Château Frontenac, an audaciously elegant structure, soars even higher with fabulous green-copper turrets. Don't miss fresh croissants from Paillard boulangerie, the cobbled lanes of Le Quartier Petit-Champlain, or Place-Royale, the city's original square where a statue of King Louis XIV watches over all.

This Journey exudes a warm élan that's at once cosmopolitan and elegantly tropical. Fittingly, we begin in Miami, where the moon shines on a sultry, sophisticated city. Sky-scraping palm trees breezily lean over miles and miles of beaches, highwattage clubs throb along Ocean Drive, and boutique shopping is mesmeric in magnificent Bal Harbour. Plying a southern chain of mangrove islands, we call on Key West. Hop the infamous Conch Tour Train to the southern-most tip of the US. Visit Roosevelt's Little While House then raise a glass to Hemingway at his favorite hangout, Sloppy Joe's Bar and Grill. A long-held yachtsmen's cove, Virgin Gorda, enchants with curious beach boulders as big as houses tossed about like a giant's marbles. A true femme fatale, even the ocean floor of this BVI enchantress is beautiful thanks to Art Reef installations like a giant Kraken, sea monster, devouring a former WWII tanker that survived even Pearl Harbor! The luxurious awakening of joie de vivre pulls us to the dreamlike harbor of Deshaies, where the French overland of Guadeloupe blends with spicy African and East Indian origins. A cozy Creole village

leads to a gold sand beach that is equal parts sapphire waters and emerald jungles. Climb like the wild vines up La Grande Dame at La Soufriere, the island's sleepy volcano, to discover a wilderness untouched by time. Top-shelf adventures await where Horatio Nelson once dropped anchor. Sip potent Antiguan rums; shop sassy St. John's, trip-out on rose-colored sands of sister island Barbuda; savor the rare Antigua Black Pineapple that grows only on these verdant shores. Hummingbirds, herons, parrots in every color, Puerto Rico's landscape is a vibrant painter's portrait. ### Embarkation/disembarkation ports

We call on islands that are the bywords for high-society escapism. Our first elixir of ease, St. Barths, is one part Swedish, two parts French and three shots of sunset-to-sunrise glamour. Yachts gleam in the harbour, boutiques sell Parisian fancies, and bonafide barefoot bars serve off-the-charts tranquility. With our head full of dreams, we call on St. Kitts, an island of wonders where we can ascend through a virgin rain forest to summit Mount Liamuiga and gaze down upon her dormant crater.

More emerald peaks and placid shores continue on to the Dominican Republic with four of the five highest peaks in the Caribbean, lush jungles carved by rivers and waterfalls. Shades of aquamarine, amethyst turning translucent opal, the colours of the sky, sea and sandy cays all are seemingly inseparable. This is the wonder of Ocean Cay Marine Reserve, our private island paradise that ecologically and geographically achieves the impossible dream of being gloriously secluded on a paradisiacal island.

In the spirit of you-never-regret-an-indulgence, we call seductive islands adorned with alluring landscapes. Bathed in sun from day one with ten glorious nights aboard EXPLORA I, where everything sizzles a bit more. The pageantry of beach and city play out for us in Miami, a seaside sensation that lives more like a small global country. No passports are required in the last bolt hole of America as we glide into Key West, known as the Conch Republic. The meeting point of excitement and elegance finds us in Virgin Gorda where we enter a riot of dreamlike landscapes too vivid for words. Saint Barthélemy and Guadeloupe woo with French swagger and yacht-set good looks whilst tropical temptations take us to Antigua and St. Lucia where we can actually drive into a volcano! We end our reverie in Barbados with the high-tea reputation of being more British than the British!

This journey fully displays Mother Nature's tour de force of beauty above and below the Caribbean Sea's surface. With a lovely enticement of ease, we begin in Barbados, an island of wonders: flying fish, green monkeys, subterranean waterfalls, and towering banyan trees with shaggy aerial roots that inspired the island's Portuguese name, the "bearded ones."

The lure of geography blesses us on Sunday Island, formally baptised Dominica, where sperm whales swim her waters all year and primordial rainforests are thick with a profusion of rainbows in a swirling cloud of mist. Surround yourself in cerulean blue, tranquility and sky on Bonaire, considered the Caribbean's shore-diving capital and the birthplace of windsurfing.

Following a westerly breeze, we find Willemstad, a UNESCO jewel, with brightly coloured Dutch-gabled buildings that look like a tropical Amsterdam. With 26 hours in the Dutch West Indies port, we can take our time exploring this semi-arid island.

## **BRIDGETOWN TO MIAMI**

6 DECEMBER – 13 DECEMBER 2023 7 NIGHTS

### Embarkation/disembarkation ports

Rugged and majestic, born of volcanic fire yet matured in barefoot elegance, we call on small harbors and private islands that all belong to the Caribbean but live spiritually in a state of mind. In a theatrical scene of grandeur, we call on Castries, a breathtakingly exotic gateway to St. Lucia. So enamored were the French and British that they savagely fought each other for her procession. You'll see their ruins at Fort Rodney and Pigeon Island on her north shore. Grand Pitons to the south and the original French settlement, Soufriére. On the island of St. Kitts we feel the sigh of history settled over the ruins of Brimstone Hill — "the Gibraltar of the West Indies" — whist the landscape is abloom with fruits and flowers. Sailing though azure waters, we slip into St. John's, a picturesque place of rich plantations, forts, and sugar-cane ruins, each romantically picturesque yet all tragically entwined with the practice of slavery. Today, however, we find landmarks of remembrance, colorful quays that await exploration, off-road adventures, and inflatable dinghy boats that zip to the best dive spots. With a mastery of mesmerism, we enjoy two days at sea; sitting in the calm of dawn on your private terrace, you discover how

We set sail on our quest for blue-water bliss where nature demands our full attention. Birds in a bevy of colours.

Trees laden with mangos and guava. Islands with gin-clear lagoons, quartz beaches and emerald mountains. Miami sets our expectations of enchantment before we set sail for the Grand Turk, boasting the world's third longest barrier reef, to delight in diving amongst fish named for parrots, angels and damsels. Closer to heaven, we find the eden of Samaná and the virgin forest of El Valle with its gossamer waterfalls. Quiet coves and untamed wilderness await in Spanish Town on Virgin Gorda which is as pristine and plump as her name implies. Regal and under-the-radar, Deshaies distinguishes with golden Grande Anse beach and famed Pigeon Island.

Embarkation/disembarkation ports

Elaborate festivities and champagne toasts herald the celebration of our Christmas Journey. More than a sailing, this is a voyage of the senses when every detail is considered to take your holiday memories to the next level whilst colourful parties and sumptuous feasts add even more sparkle.

Peace and joy continue as soft breezes lead us to Virgin Gorda. Next, we trade sugar plums for candied coconut snacks in Deshaies and St. John's, both exquisitely blessed with crystalline sands and iridescent waters.

Our final call, San Juan, bursts with historic UNESCO gifts of Fortaleza and El Morro fortresses. Linger longer after your journey and continue to unwrap a multitude of memories.

# THE MAGICAL REALISM OF MIAMI, SANTA MARTA & CÁRTAGENA

#### MIAMI TO CARTAGENA

5 JANUARY – 11 JANUARY 2024 6 NIGHTS

#### Embarkation/disembarkation ports

Blending subtropical glamour with captivating cosmopolitan scene, featuring the best of Miami all the way to the exotic Colombia. A seashore so far removed from the every day and yet so absolutely cosy and captivating. The towering peaks of the Sierra Nevada mountains, tower over Santa Marta where the air sparkles like diamonds as it shimmers down upon the ancient city. Founded in 1525, she was the first Spanish settlement and historical site of the Lost City, an indigenous citadel that is some 650 years older than Peru's Machu Picchu. Mysticism and realism turn your wanderlust into wandermust in Cartagena de India. Here, the city tells a story that few others can, beginning with Spanish colonisation, repeated attacks by the (original) pirates of the Caribbean, revolution, and the final resting place of world-acclaimed Nobel Peace writer Gabriel Garcia Marquez (considered the best Spanish-language writer since Cervantes). An overnight aboard EXPLORA I allows time to explore Cartagena's UNESCO fortified old city, where an exuberance for life overflows in a maze of cobbled streets that are full of wrought-iron balconies dripping with bougainvillea and history that thrives forever.

A tale of two cities, Cartagena is a seaside siren who is both heroic and handsome with a well-preserved 15th century fortress - a UNESCO marvel - that staved off plunderers with massive iron cannons that now, ironically, point toward her shining city of modern buildings. Magnificent marvels continue in Colón, home to the impressive Gatun Locks and Gatun Dam of Panama Canal as well as the UNESCO site of Fort St. Lorenzo, that once protected the Spanish Crown.

Wonders continue in Curação with its UNESCO site harbour that resembles a tropical Amsterdam. For the ultimate utopian experience, Bonaire and Martinique offer unmatched drama, from flocks of pink flamingos to cacti that grow to more than 9 metres tall and the looming cloud-shrouded crater of Mount Pelée. Our final UNESCO delight is Bridgetown Garrison, that has guarded the prosperous British outpost of Barbados since 1705.

Drink in a gin-clear sea. Show off cheeky tan lines. Experience the Caribbean as only Explora Journeys knows. Steer clear of tourist zones to anchor in the secluded harbours of yachtsmen, where seeds of devotion were sewn by Caribe Indians, bolstered by Europeans and plundered by notorious pirates. Enchanting and engaging, you embrace eco-chic and splurge-worthy experiences: hike rainforests that wrap slumbering mountain peaks weatherworn and proud; rejuvenate in bubbly geothermal springs; hop private boats and seaplanes to beach on deserted islands, and trek UNESCO fortresses that drip with history.

Snorkel the world's healthiest corals and fish-filled sunken ships. Hit reset amongst picturesque farmlands and hamlets that spill into tropical valleys. Best of all is Barbados, which bookends this Extended Journey, and leads to sheltered landscapes often imagined and now yours to enjoy.

### ISLANDS OF DESIRE

#### **BRIDGETOWN TO MIAMI**

1 MARCH - 8 MARCH 2024 7 NIGHTS

#### Embarkation/disembarkation ports

Glorious islands as far as the eye can see; idylls as popular as
Martinique or undiscovered as Ocean Cay and as romanticised
as St. Kitts. No island of consequence escapes our attention.
No harbour too remote for us to find. We sail from bustling
Bridgetown to trace a volcanic arc of archipelagos and find
Saint Pierre rising on the horizon like a vision.

Coquettishly French and charmingly Creole, you'll warm to the same light that inspired Gauguin. Lush, dramatic, pristine,

Basseterre beckons with rivers that thunder, hikes that climb into a volcanic caldera and mischievous vervent monkeys faintly tinted green.

As close to heaven as a beating heart will allow; Samaná draws us with her beauty and hopeful sightings of humpback whales. A magical experience on an almost mythical island; Ocean Cay is exclusive, environmental sensitive, and luxuriously sustainable. Our private MSC Marine Reserve wraps you in the unprecedented reality of a true island paradise.

The Caribbean shines with stars; sparkling islands so provocative, so utterly charismatic, they become wellsprings for exploration. We find fathoms of freedom in blue-turningturquoise waters sailing from Miami to Key West; energetic, effervescent, Cuban-spiced destinations that sway with a palpable buzz. A fragrant cachet of florals and French baguettes. Waves of ivory-coloured sands. Virgin Gorda and Gustavia offer perfect days of power-lounging where the chic and sleek tan. Delve into Deshaies to explore rainforests, French ruins and filming sites of Death in Paradise. Bubbles of champagne and volcanic mud baths burst in the sun of Soufrière. Take a strenuous-but-worth-it hike up Gros Piton or watch clouds float across Petite Piton from Hummingbird Beach. 18-square kilometres of perfection, Bequia is that vintage postcard with sugary white beaches, swaying palms, and lobster shacks selling 'free beer tomorrow'. Does it get any better than this?

### CELEBRATING TWO CARNIVALS IN BRAZIL

#### BRIDGETOWN TO SÃO PAULO 31 JANUARY - 16 FEBRUARY 2024 16 NIGHTS

With a quest for Carnival, the fates bring us to Brazil to experience not one but two of the most epic street parties.

To prepare, first we call on the sybaritic beaches of Barbados and Fortaleza, punctuated with a visit to the untamed Devil's Island. Tender ashore to this infamous French penal colony where a wild jungle frames Instagram-worthy photos. The party begins in the African soul of the country, Salvador, where Carnival beats to a rhythm all its own that is fuelled by Afro Bloco (drum-based troupes) with massive drumlines that will blow your mind.

We arrive in Rio on the most fervent night of the celebration. Flamboyant floats, ostentatious costumes, choreographed dancers and acrobats all pulsate in the Samba Parade. The Manhattan-like skyline of São Paulo draws us in as a cosmopolitan basecamp for expeditions to Iguazu Falls, the mighty Amazon rainforest and further into the deepest reaches of the continent.

We savour the vibrant Afro-Brazilian culture of Salvador. Step inside colonial churches covered in gold and a UNESCO 16th-century village in Recife. Drive rolling sand dunes in Fortaleza along massive beaches and a stunning skyline. Hawai'i feels at once remote and tantalisingly exotic. We celebrate Polynesian heritage, culture and the islanders' proud identity as we wear the lei and perform the hula or luau – deep-rooted native traditions underpinned by an appreciation of the land and its sacred energy.

Encounter lush tropical forests, deep green valleys, cascading waterfalls, vertiginous cliffs (or palis in Hawai'i), endless sand dunes and some of the world's most beautiful beaches – in places long, wide and golden, where the big Pacific rollers entice a laid-back surfing crowd; elsewhere shallow, quiet and ideal for snorkelling with turtles and parrotfish.

Everything on this Journey moves at the speed of desire: remote coasts and romantic resorts, chic cities and cloud forests. We start where dreamers and builders dug a short-cut from sea to shining sea in Panama City then dive into one of the most biologically intense places on the planet, Costa Rica. Here 4% of the world's biodiversity finds sloths and monkeys in Manuel Antonio National Park and an otherworldly Monteverde to discover birds, trees, orchids, and plants that cannot be found anywhere else on earth!

We join sunbathers and surfers in San Juan del Sur, then search for Mayan roots in Puerto Quetzal. With a sky and sea that are mostly flawlessly blue, the Mexican Rivera calls us to Puerto Vallarta and Cabo San Lucas. But perhaps nothing can prepare you for arriving in San Diego and Los Angeles, both cinematic cities where culture meets the coast.

From sybaritic cities and idyllic shores, we journey where Hollywood film crews regularly shoot movies. While Los Angeles may have risen on the back of the film industry, today it is a mecca for big dreamers that are the metronomes who set time to the rhythm of life. The "red carpet" treatment continues in San Francisco, a shimmering city by the bay, where you can hike a coastal path with tech billionaires or stroll the Golden Gate Park to arrive at Haight-Ashbury, the birthplace of counterculture in the 1960s. An overnight allows time to venture to Napa Valley and Sonoma, the laid-back "Bordeaux of America".

Astoria welcomes with cosy vibes where lush forests set the perfect backdrop for small-town America. When it comes to charm, British Columbia's Victoria is reigning queen whilst Vancouver boasts an amazing juxtaposition between urban oasis and serene wilderness that stretches from seascape to mountains.

You launch from British Barbados to the Lesser Antilles, where European outposts are garnished with pink flamingos and Dutch windmills. In Costa Rica, you see whales that breach, beaches that stretch forever, and jungles that are shrouded in this most biologically intense place on the earth.

Through the Panama Canal, we steer to see just how ingenuity and determination connect sea to shining sea. Harbours are aflutter with sails and bobbing yachts amongst the jewels of Mexican Riviera, where charming locals welcome us as amigos with feasts of shrimp cocktails and sunset tequila. Sun-kissed and golden, this sojourn slips into the divine when we call on Southern California's most celestial cities of San Diego and Los Angeles where starlets and superstars shine.

VANCOUVER TO VANCOUVER

6 MAY - 17 MAY 2024

### Embarkation/disembarkation ports

Sail where mountains have no names, roads are few, and vast wildernesses are gateways beyond the imaginable.

Remote Wrangell is a rarely seen gem that is nestled deep

within a maze of 1,100 islands. History and mysteries loom large here: centuries-old petroglyphs; tales of the gun-slinger Wyatt Earp; and jet boats that fly up the Stikine River to LeConte and Shakes Glaciers. Wonderful, stunning. We step lightly in Sitka and discover where even more wild things are: the Fortress of Bears, Alaska Raptor Centre, and waters teeming with halibut fish that are amongst the biggest in the world.

We follow the flow of massive glacier action to magnificent Misty Fjord, a seldom-seen American national treasure with awe-inspiring topography. Sheer walls of granite plunge over 3,000 feet and lush forests of hemlock cling to snow-capped peaks of rugged grandeur.

Embrace the magic of sailing into the unfamiliar; experience a shift in perspective when encountering what is wild and completely new. With a singular focus to ply northerly climes, we witness the deepest contours of the "whale highway" — from Ketchikan to Juneau — to marvel at three of Alaska's hallmarks: Misty Fjord and the glaciers of Hubbard and Mendenhall. All the senses are arrested in Icy Strait Point at Hoonah, where wildlife outnumbers people. Beyond belief, we gather in awe to watch Hubbard Glacier shoulder its way to Disenchantment Bay.

A site that never disappoints is Valdez. You'll need to pinch yourself to ensure you're not dreaming, especially in Juneau where Mendenhall Glacier and snowy peaks push skywards. Wild adventures continue in Sitka with its Russian history and Fortress of Bears. We turn to follow whale's moving southward and return to British Columbia and explore Victoria and Vancouver.

Soul. Stirring. Sailing into the mystic; exploring the full breadth of the Inside Passage; hugging coastlines sculpted by rivers of jagged ice; navigating islands scattered like jigsaw pieces across cobalt bays. Misty Fjord, Mendenhall Glacier, Tracy Arm Fjord — ephemeral landmarks that will burn into your consciousness as part of your life's story. Breathe in the rarefied air of snow-capped mountains of Ketchikan and Juneau. Forge deeper into winding narrows to find a wilderness where bears outnumber people. Dolphins and otters provide escort into one of the world's longest fjords where the mountains are higher, the vistas more dramatic, and the glaciers impossibly more gigantic. A crescendo of anticipation builds as we ply Misty Fjord and Tracy Arm Fjord; each a dizzying display of energy where waterfalls plummet; granite cliffs thrust skyward; and wildlife calls out in a symphony of sounds. Eternal landscapes of America's national treasures.

**VANCOUVER TO LOS ANGELES**

When the call of the wild reaches a fever pitch, few places answer quiet like the west coast of America. All the senses are arrested as you forge the Inside Passage to ply the deepest contours of the "whale highway" from Ketchikan to Valdez. Into the mystic you witness Alaska's hallmarks: Misty Fjord, the glaciers of Hubbard and Mendenhall, and forests thick with brown bears and bald eagles. In Vancouver, you can test your daring as you tiptoe across teetering Capilano Suspension Bridge or soar Grouse Mountain on a daring skyride.

Sailing south in search of the Golden State, you spy San Francisco perched on her California peninsula. An enclave of high-tech entrepreneurs that's tempered with fine arts, steep streets, and seriously good gastronomy. Dazzling blue skies and wildly glamorous culture are the promises of Los Angeles that rolls out the red carpet with mountains, movie stars, and magnificent beaches.

## VIBRANT VANCOUVER MEETS CALIFORNIA COOL

### **VANCOUVER TO LOS ANGELES**

20 AUGUST – 27 AUGUST 2024 7 NIGHTS

### Embarkation/disembarkation ports

Vancouver – the cool and cosmopolitan beating heart of British Columbia – is cradled on all sides by some of Canada's most captivating wilderness. Float in from the wild and remote outdoors, leaving behind the orcas and grizzlies, the skeet shooting and fly fishing, and take a foodie foray to Granville Island for the best fork-to-table fare and a perimeter seawall stroll around must-see Stanley Park.

Sailing south we trace the contours of the North Pacific coastline, passaging the less-explored landscapes of Oregon and getting lost in old forests and rugged national parks, before giving in to the irresistible tug of the Golden State.

Our California dreamin' begins as we pass the soaring burnt sienna towers of the Golden Gate Bridge and soak up the glories of San Francisco. Tracing Big Sur along the wavecrashed shoreline we arrive in ever-seductive, sun kissed LA.

Waters slant Caribbean-esque as we voyage Baja California to Cabo San Lucas and slip under the surface to coral reefs or sportfish for marlin. Crossing the Gulf of California, Mexico might mean Mezcal in a shady Mazatlan plaza or a cobbled street stroll amid beautiful colonial buildings and rainbow-painted houses before a climb to one of the world's highest operating lighthouses.

Living the Pura Vida in abundantly biodiverse Caldera, Puntarenas and Quepos could mean forging inland to climb the cloud-shrouded Arenal Volcano or tiptoeing through the extraordinary Eden of Manuel Antonio National Park with its iconic whale-tale-shaped peninsula. ## A JOURNEY OF PIRATES, PARADISE JUNGLES, AND KALEIDOSCOPIC CORAL CAYS

PANAMA CITY TO MIAMI

10 SEPTEMBER – 18 SEPTEMBER 2024 8 NIGHTS

### Embarkation/disembarkation ports

Sexy metropolis intermingles with sultry jungle as we set out from high energy Panama City and allow its iconic ocean-to-ocean canal to carry us from the Pacific to the Caribbean. Traversing one of the world's finest man-made wonders, we ply the spidery tributaries of Gatun Lake and forge into Chagres National Park, passing dramatic dams, spillways, and showering waterfalls in search of elusive wild cats and soul-renewing salutations with indigenous Embrera Indians.

Pirate battles and colonial ruins punctuate the port town of Porto Lemon, our gateway to Costa Rica's eco-paradise, where howler and capuchin monkeys swing through a verdant cloud forest alive with birdsong and blue morpho butterflies.

Our jungle chapter comes to a close in colourful Key West, the last in the string of laid-back, coral reefed cays, before the beautiful waters and our private-island-escape of the Bahamas beckon. Only magnetic Miami, where distinguished art deco meets design and contemporary-art scene cool, can soften this return to reality.

Covernight Late departure

This early autumn adventure interweaves sultry jungle, sexy metropolis, and stunning forested scenery as you set out from pulsating Panama City and swing the pendulum to the epic wide-open landscapes of Atlantic Canada. Passing through Panama's iconic canal, you find the Caribbean coast of Costa Rica, an eco-paradise of alive with panthers, manatees, and blue butterflies. From the coral reefs Belize City to our private island escape, Ocean Cay, then onward to the bright city lights in magnetic Miami where storied art deco meets a contemporary-art scene of cool. Bound into the Big Apple for martinis, the Met, and a helicopter over Manhattan.

Seek the best of Boston from the hallowed Harvard campus then find renewal hiking through moose country in Sydney's Cape Breton Highlands. Stunning and scenic, we follow the whales into the glorious Gulf of Saint Lawrence before pulling into picturesque Québec City, where a hill-topped castle delights with French culture and cuisine.

### Embarkation/disembarkation ports

Amongst coastlines entwined with bewitching wonders, your journey bridges the distance between two oceans, six countries, and countless wonders. Gentle waves carry your ship beside a calligraphic coast – wild and precise like grass script to the cities of Vancouver and San Francisco. Forested hills follow along the Big Sur to Los Angeles and San Diego where the breeze is fresh and the sea sapphire. Fascination melds into inspiration as we treasure three of Mexico's pacific pearls whilst Costa Rica gives us a cocktail of cloud forests, smouldering volcanoes, and hikes
