Dear World Traveller,

Beginning the new year, we are reminded what a gift travel is to us. This resonates during a time that has found many of us taking our first journeys to re-discover the world and appreciating travel more deeply. With so many adventures ahead of us in 2022, now is the time to plan the longer journey you've always wanted to embark on.

The 2023 Grand Voyages featured in this brochure are grand in scope, enticing in length and compelling in the depth and variety of explorations possible. Ranging from 18 to 56 days, these longer journeys are becoming increasingly popular with travel connoisseurs who prefer to let the rhythms of life at sea guide their worldly adventures. You might set sail on a multi-week voyage calling on both top marquee ports and boutique destinations in the Mediterranean or maybe it will be an exciting expedition to Iceland, Greenland and Norway. It might be a classic voyage encircling the British Isles or an epic sojourn linking the vibrant cities of Northern Europe and Scandinavia with the enchanting destinations of the Mediterranean.

As we have seen with *Marina*, *Riviera* and *Insignia* in late 2021, and as we will certainly see with the rest of our ships to follow, the entire team at Oceania Cruises is so excited to welcome you back on board. We've been diligently working to ensure that when you step aboard one of our ships again, your experience will be better than ever. We're proud to be introducing culinary and service enhancements fleetwide – new dining experiences, reimagined menus, elevated service levels and more.

These voyages feature our popular *OLife Choice* package in addition to the already extraordinary value of our cruises. Space on these attractive Grand Voyages won't last long, so call Oceania Cruises at +44 345 505 1920, visit [OceaniaCruises.com](http://OceaniaCruises.com) or contact your Travel Advisor to reserve your suite or stateroom today. We look forward to welcoming you aboard soon.

Take care and be well,
