FEEL THE DIFFERENCE

The history of cruising isn't just anyone's – it's ours. When the legendary AUGUSTA VICTORIA, owned by HAPAG, set out on the world's first ever "pleasure cruise" more than 130 years ago, it was the beginning of a unique story in the history of cruises.

On a cruise with us, you experience every moment with particular intensity. Thanks to first-rate facilities, high-class service, unique destinations and an incomparable range of wellness, gastronomy and entertainment offers, every second on board becomes a lasting memory. No matter whether you wish to let yourself be pampered on the EUROPA, discover a new kind of luxury on the EUROPA 2 or explore the wonders of the world on one of our expedition ships, your senses will be delighted.

WITH 5 SHIPS ACROSS 7 SEAS TO 1,000 BREATHTAKING WORLDS.

From 2026, the EUROPA 2 and HANSEATIC inspiration will be joined by the luxury ship EUROPA and the expedition ships HANSEATIC nature and HANSEATIC spirit – all of which then operate in both German and English. This means you can look forward to an even wider selection of exceptional cruises on our unique fleet of five ships.

REACH DESTINATIONS THAT SEEM UNREACHABLE

With their shallow draught, excellent manoeuvrability and great flexibility, our fleet makes this possible. Designed for expeditions from the Arctic Ocean to the South Seas, from crossing the world's oceans to navigating rivers. In places where large cruise ships would have to stop and turn around, we continue our course. We develop extraordinary route concepts that let you discover new destinations over and over again and our unique routes around the world allow you to combine multiple cruises for even more adventure.

SET SAIL IN STYLE – WITH ATTRACTIVE SAVINGS
