SAIL THE LUXURY OF THE
SEA CLOUDS

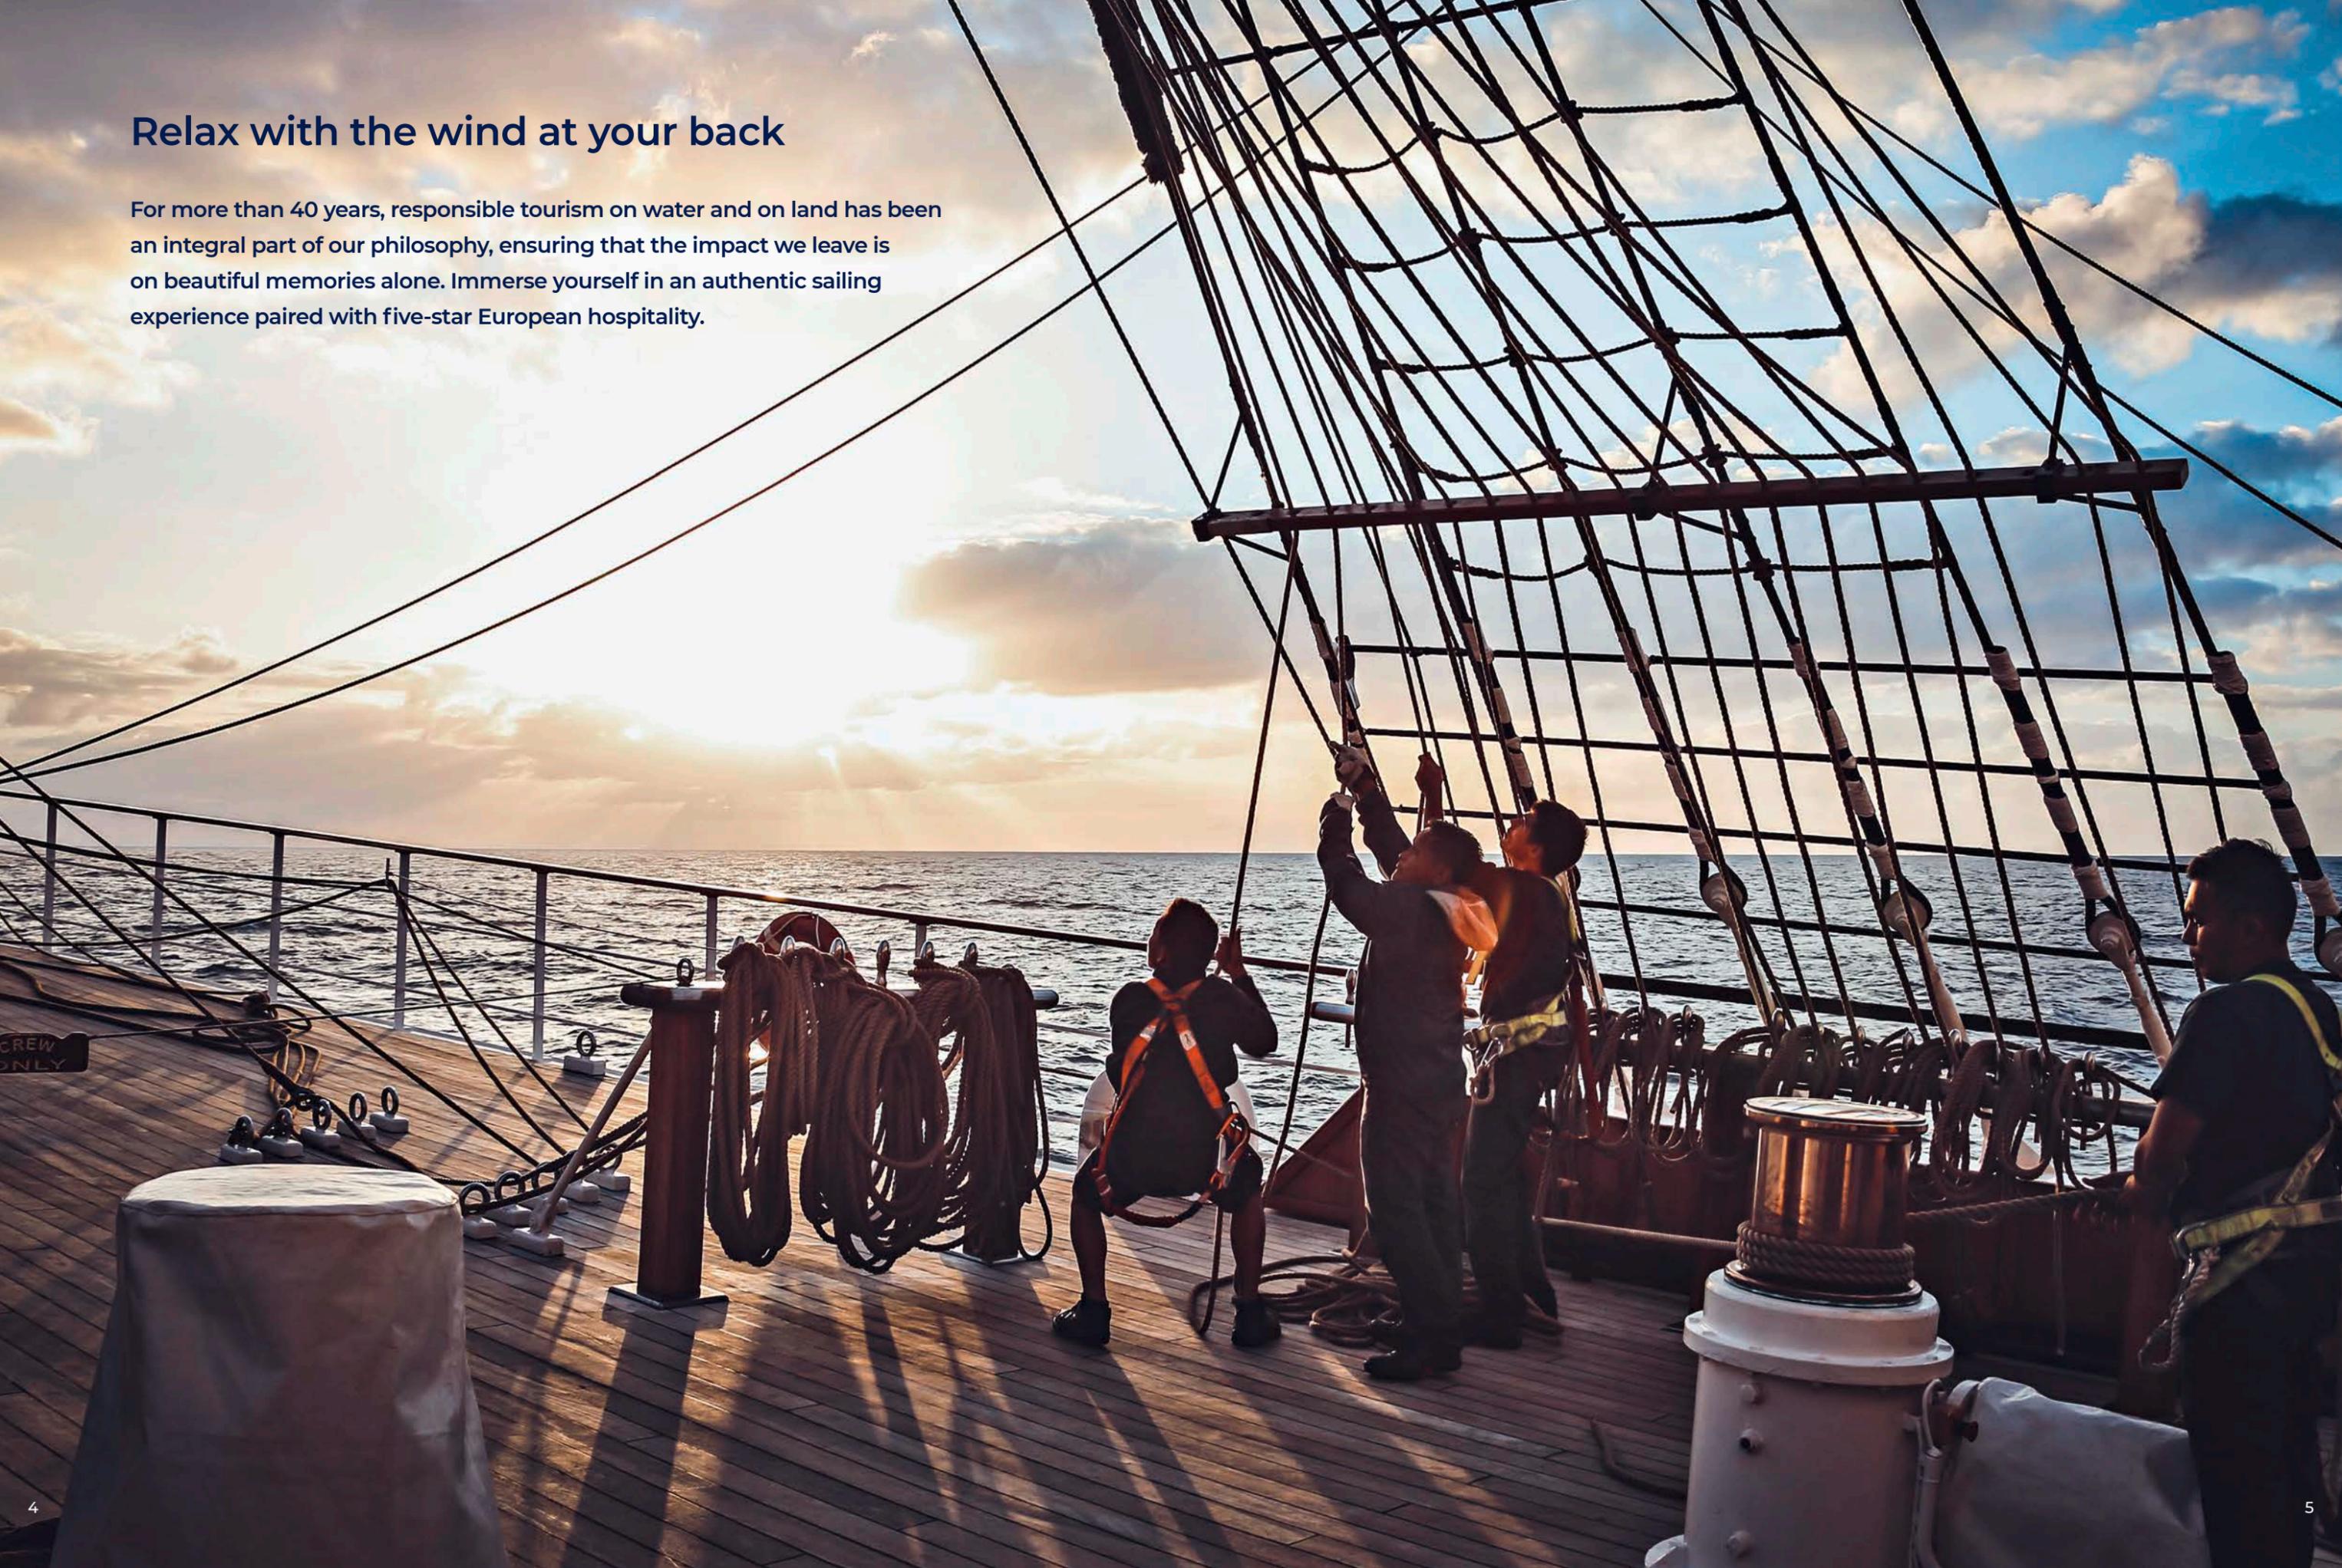

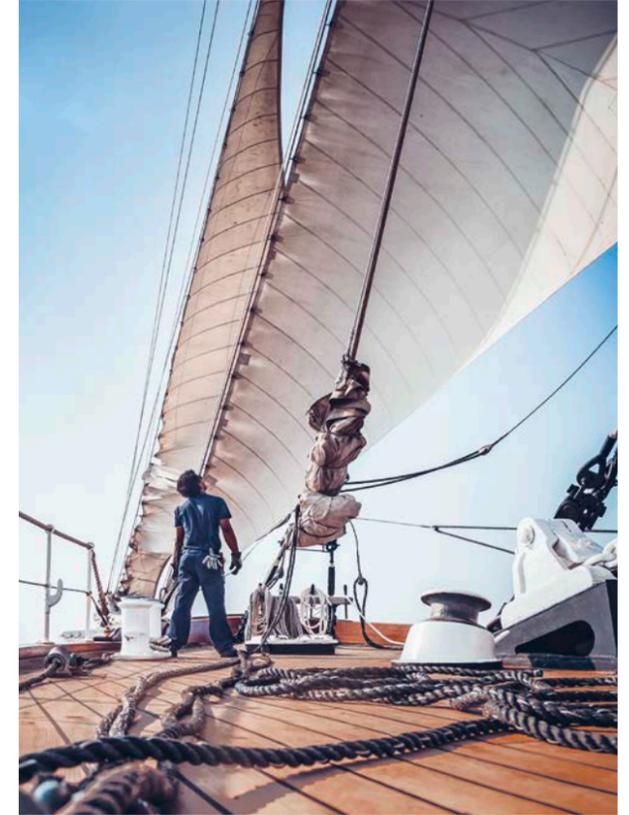

Unforgettably unique

Welcome to a boutique sailing experience unlike any other. The SEA CLOUDS follow a course all their own, redefining what it means to sail in ultimate luxury. Embark on an exclusive voyage aboard one of our three tall ships – majestic vessels that combine the tradition of classic sailing with personalized, five-star service at a relaxed pace so you can connect with the sea, sun and world-class destinations.

Relax with the wind at your back

For more than 40 years, responsible tourism on water and on land has been an integral part of our philosophy, ensuring that the impact we leave is on beautiful memories alone. Immerse yourself in an authentic sailing experience paired with five-star European hospitality.

The choreography of sailing a private yacht

We pride ourselves on the personal touch; even our sails are hoisted by hand. Our crew deftly scale the shrouds and release the sails, as the deck team works seamlessly to fasten the ropes below.

Harnessing the energy of the wind and waves

As the majestic sails catch sea breezes, you will notice a feeling of freedom rushing in. The ocean spreads out in an unending scene of serenity as fresh sea air reinvigorates the senses.

In harmony with nature's rhythm

The art of sailing has been passed down through millennia, one generation connecting with the next. Sailing is our focus, and we relish every opportunity to hoist the sails and be one with the wind, the sea and the endless horizon. Nowhere else are you this close to the elements.

Touch the sea, embrace the wind

Our exclusive vessels are intimate enough that the sea is always within reach, not a dozen decks away! Each itinerary is planned to enjoy at least a half day of sailing, and we plot our journeys to make full use of the wind.

Timeless elegance

Our elite yachts marry the romance of sailing with a luxury experience, embracing the art of first-class service delivered in opulent interiors with custom furnishings.

Unplug and enjoy

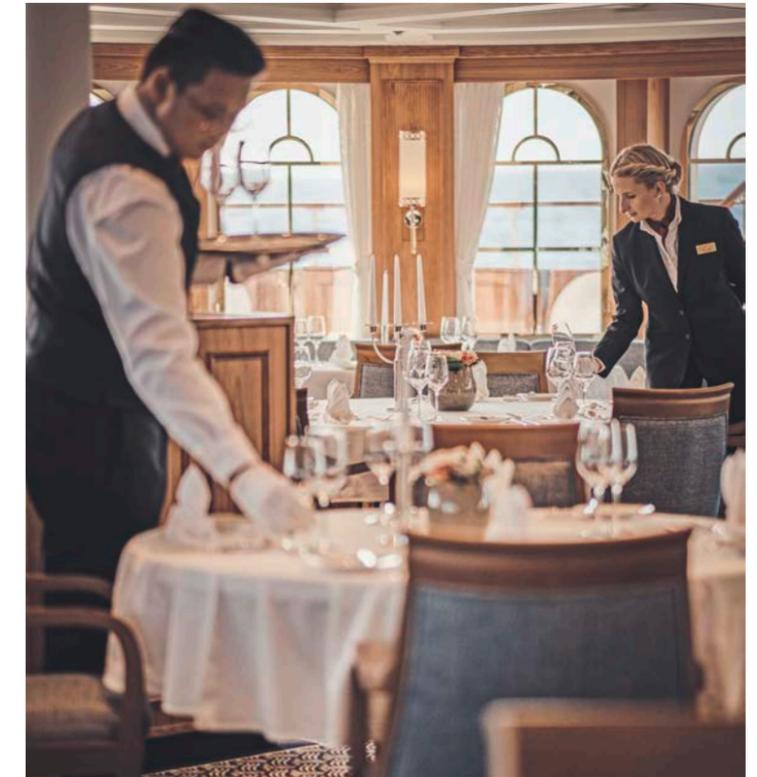

Havens of tranquility, our luxury sailing yachts offer unique getaways with a myriad of places to relax and reset. From the sundeck to the lido bar, or unwinding in a deck chair overlooking the ocean, rediscover serenity on SEA CLOUD journey.

Boutique hotel at sea

From delectable fine dining, a private bar, lounge and library to spa and wellness retreats, our ships are designed with the ultimate comforts found at the world's most renowned hotels.

The comfort of a cozy retreat

Our luxuriously appointed staterooms are ideally prepared for your time aboard, offering sea views and timeless nautical décor to create the premier private yacht experience.

A world of culinary adventure

Our innovative and diverse culinary program caters to your personal tastes with a variety of classic, modern, and seafood menus. Whether it is a gourmet dinner or elegant lunch buffet, our culinary team features local and regional specialties that spotlight the destinations we visit, enhancing the cultural experience.

Dining with friends

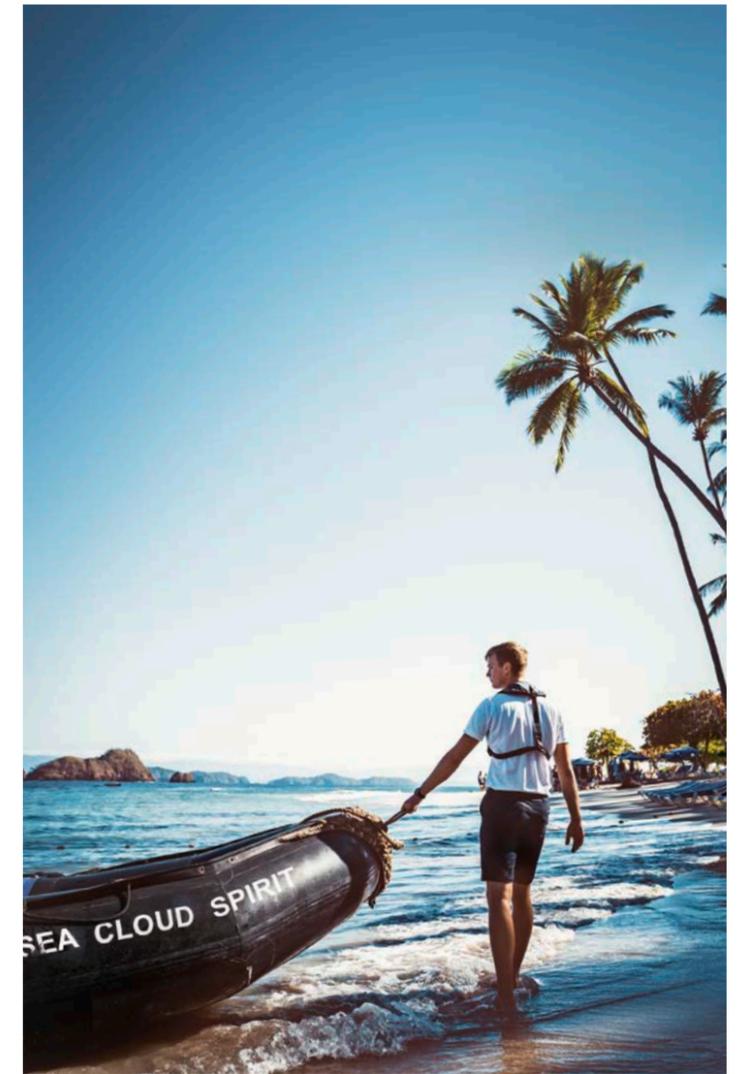

With only a select number of guests on board, dining occurs during a single seating. Our maître d' will be happy to locate your ideal table, with friends both old and new depending on your preference. The dress code for the evening? Smart casual – for the Captain's Dinner, you may opt for something a little more elegant.

Sailing aboard your private yacht

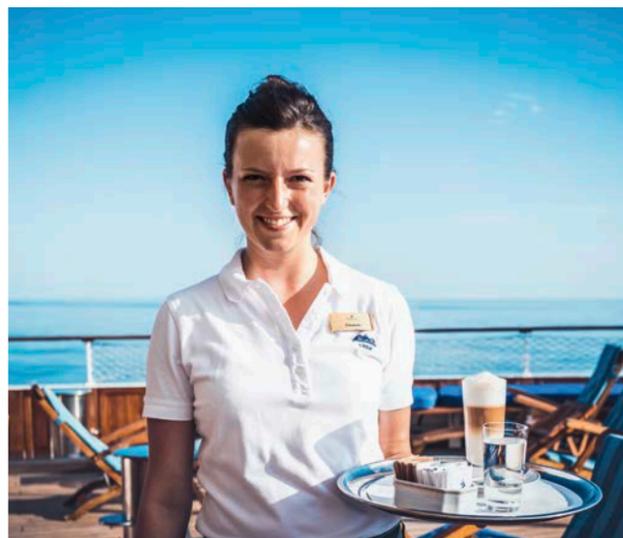

Traveling with a small group of guests allows you to enjoy the atmosphere of a private yacht, as you mingle with like-minded sailing enthusiasts from all over the world, and our crew delightfully attends to your every need.

**Passionate sea travelers,
hospitable hosts**

More than just a job, our staff and crew take an extreme amount of pride in perfecting the art of first-class service. Many have worked aboard one of our SEA CLOUDS for 30 years or more, and their passion can be felt in every detail and every space on the ship, from the decks to the restaurant down to the engine room. Their singular goal is to make you feel at home, catering to every want and need as part of the SEA CLOUD family.

Distinctive destinations off the beaten path

Our exclusive journeys offer an ideal balance between a true sailing experience and enriching discoveries on land. Visit world-class destinations that the massive cruise ships can't get to – the most stunning spots not overcrowded with sightseers make for an unforgettable experience.

Small ships, greater possibilities

Among the many joys of traveling smaller: a quick spin on a zodiac, enjoying beach barbecues in secluded bays, photo safaris, pausing for a dip in the azure sea. And on selected tours, some exclusive experiences are included – a private concert, an opera house or a palace tour, a culinary visit to a special vineyard, or a front-row seat at a legendary regatta.
