### PASSPORTS

Oceania Cruises requires all travelers to have a valid passport. All itineraries require that passports are valid for six months beyond the completion of your travel. For information on obtaining or renewing a passport, visit your local passport agency. Passport cards or copies of passports are not accepted.

### VISAS

Visa requirements for U.S. and Canadian citizens are listed on each guest's Cruise Vacation Summary under "Cruise Details." All other nationalities, including those with U.S. or Canadian resident status, are responsible for verifying visa requirements for each port visited during the cruise. **IMPORTANT** | Visa and documentation requirements vary by destination and change from time to time without prior notice. Guests should check with the consulate of each country they will visit or a visa service to verify current regulations. It is the guest's responsibility to have proper travel documentation. This information is provided as general guidance. Because governmental travel requirements change periodically, we strongly recommend you check with your Travel Advisor or the government authorities for all countries you will visit to determine or verify the actual requirements at the time of sailing. Oceania Cruises assumes no responsibility for advising guests of such requirements.

### MONEY MATTERS

For your convenience, we offer a cashless system on board. All onboard purchases and services will be billed to your onboard account. You will simply present your Oceania Cruises World Card whenever purchases are made. To activate your onboard account, you will be required to register a credit card during embarkation or at Reception on board. Oceania Cruises accepts American Express, MasterCard, Discover and Visa. Personal checks are not accepted. If you wish to settle your account with travelers checks in U.S. dollars or cash, you will be asked to make a cash deposit at Reception. The U.S. dollar is the standard currency for all transactions on board. In order to realize the best exchange rate overseas, we suggest that you take advantage of the ATM machines located in many of the ports of call. Cash advances are also available at Reception. A daily limit of \$1,000 per registered credit card can be billed to your credit card for a 5% transaction fee.

### ONBOARD DRESS

The ambiance on board is casual yet elegant throughout the cruise. Resort-style attire is appropriate for both men and women. In all evening dining venues, we request that guests adhere to the elegant resort casual dress code. Shorts, casual jeans, t-shirts, athletic footwear and sandals are not permitted in The Grand

Dining Room, Toscana, Polo Grill, Red Ginger, Jacques or Privée. However, as Terrace Café, Aquamar® Kitchen and Waves Grill exude a relaxed yet refined ambiance, dressy shorts and casual shirts may be worn at these venues. Tank tops and swimsuits are not appropriate attire for any of our onboard restaurants at any time.

We recommend casual and comfortable attire when going ashore, with a particular emphasis on appropriate footwear, including good walking shoes and in some destinations, reef-walkers and beach sandals. Some tourist sites may require specific attire. Please consult with Destination Services located on Deck 5 for more information.

## BAGGAGE POLICY

You may bring a reasonable amount of luggage aboard the ship. Luggage must be handled under and in compliance with regulations and tariffs of airlines, government security requirements and ground operators. Luggage exceeding these limitations, either in weight or size, will be subject to additional charges as set forth by the individual operators, including any excess baggage charges.

Oceania Cruises reserves the sole right to refuse the boarding of any items that it may consider dangerous (e.g., explosives, firearms, liquid oxygen, combustible or illegal items).

Oceania Cruises reserves the right to search any baggage for security reasons at any time. All hand-carried luggage and personal effects are your sole responsibility at all times.

Oceania Cruises is not responsible for the loss of, or damage to, your luggage and your personal belongings. The purchase of baggage insurance is recommended. Luggage and all personal belongings will be taken off the ship upon disembarkation. Under no circumstances will luggage be allowed on board without the owner of such luggage being a guest of the ship. Please refer to the Guest Ticket Contract included with the guest Cruise Vacation Summary for all applicable Terms and Conditions.

Please ensure that you have your World Card in your possession at all times. If it is lost, please report the loss immediately to Reception so that it may be replaced.

All guests are required to proceed to their assigned Assembly Station prior to sailing and check in for a mandatory safety briefing regarding the routine safety procedures on the ship. You can find the location of your Assembly Station on the back of your suite or stateroom door as well as on your World Card.
