- Eager to be the first to sail during the inaugural season

OUR DESTINATIONS

Thoughtfully crafted itineraries of mostly seven to ten nights explore both the classic and glamorous yachting destinations of the world. Most of our back-to-back voyages are designed to not repeat ports, making them ideal for guests looking for an extended, relaxed vacation. Equally noteworthy is the yacht's intimate size, which allows for tying up dockside in smaller ports, giving your clients more time in port to explore — including late-night departures and many overnights.

MEDITERRANEAN

Rich with history, with monuments and ruins dating back to the earliest civilizations, the Mediterranean moves at a slower pace than its northern neighbors.

CROSSING VOYAGES

Guests have the opportunity to unplug from everyday life with time to enjoy the laid-back, unhurried life on board.

CARIBBEAN AND CENTRAL AMERICA

Sugar sand, colorful coral, lush rainforests and volcanic landscapes provide myriad opportunities for adventure and incredible sights.

THE SHORE COLLECTION

Five themed excursion categories within The Shore Collection allow your clients to easily identify those that match their interests and activity level. Expert local guides ensure a highly personalized, relevant experience, and each small group excursion has been meticulously curated so that every minute guests spend ashore is authentic, immersive and uniquely rewarding. Plus, our Concierge Ashore option will be available for your clients to curate a bespoke experience.

ICONIC SIGHTS

Your clients can browse through a world-class museum with its curator or visit a UNESCO site before opening hours to beat the crowds. Our small-group “must-do” tours to the highlights of a destination are led by local experts to give guests an insider’s perspective.

STIRRING THE SENSES

These experiences offer a chance to slow down and de-stress. Guests can practice yoga on a private beach or spend the day at a luxury hotel, relaxing by the infinity pool or at the spa while experts soothe mind, body and soul. Stirring the Senses promotes wellness and rejuvenation to help bring guests’ life back into balance.

ACTIVE EXPLORATIONS

Active Explorations offer guests the chance to swim, snorkel and dive at world-class reefs, go whitewater rafting or zip line through a rainforest. Or they can get their adrenaline flowing as they climb a waterfall or explore a cave to check items off their bucket list and set a personal high-octane pace.

EPICUREAN EXPERIENCES

Guests can visit a winery with the sommelier in Tuscany, or learn how to make patacones from a native chef in Costa Rica. Timeless traditions of a culture are told through its culinary arts.

CULTURAL CONNECTIONS

Your clients have the opportunity to go behind the glossy postcards for an insider’s view of the places we visit and locals we meet. Or they can give back in a unique and immersive way that offers a deep cultural connection.

CONCIERGE ASHORE

For the most personalized way to explore a destination, choose from one of our predesigned private excursions or allow our Concierge Ashore to customize an experience tailor-made to your client’s travel style.

OVERLAND PROGRAMS

On select itineraries, your clients can deepen the experience mid-voyage and be fully immersed beyond the port. On an overnight tour, guests take a deep dive into immersive cultural experiences before rejoining the yacht at the next destination.
