THE BENCHMARK IN ULTRA-LUXURY CRUISING

Who are Scenic?

Scenic Luxury Cruises & Tours is an Australian founded company with more than three decades of experience creating unforgettable handcrafted journeys for our guests. Renowned for continuous travel innovation, we ensure the guest experience is at the heart of everything we do.

Having begun as a coach tour operator, we expanded to international land journeys and 5-star truly all-inclusive luxury river cruises in Europe and South East Asia. And, in 2019, we introduced Scenic Eclipse, The World's First Discovery Yachts™, setting the new benchmark for ultra-luxury cruising.

Each moment on board Scenic Eclipse is truly spectacular and following the launch of Scenic Eclipse II – our second Discovery Yacht – in April, we can now take guests further than ever before across all seven continents. Where industry leading safety and environmental standards combine with world-class design and the 6-star experience, this is more than ocean cruising, this is truly all-inclusive, ultra-luxury ocean cruising in a class of its own.

Where ultra-luxury meets discovery

Reserved for up to only 228 guests (200 in Antarctica), each Discovery Yachts 114 suites are sophisticated in design, with their own private verandah and a personalised butler service. An abundance of indulgent spaces encourages complete relaxation, from the 550m² Senses Spa, where Scandinavian-inspired spa facilities, a Vitality Pool and a specialised yoga and Pilates studio focus on our guest's wellbeing. With up to 10 culinary experiences, ranging from fine dining to casual, and nine bars and lounges offering a wide selection of premium beverages, Scenic's truly all-inclusive philosophy ensures guests won't ever need their wallet.

A Polar Class 6 rating and state-of-the-art technology ensure Scenic Eclipse is unrivalled in small-ship worldwide exploration, enhanced by an expert Discovery Team who will lead fascinating discovery expeditions. Soar above the Californian coast in one of two Scenic Airbus helicopters[^], dive beneath the ocean's surface on board our next-generation submarine[^], observe humpback whales on a kayaking tour in Canada, and marvel at penguins from an exploratory Zodiac in Antarctica.

Scenic Eclipse The Scenic Difference

Scenic Eclipse, Baja California

At Scenic, we place the guests at the heart of everything we do, ensuring each moment of every journey delivers beyond expectation and is remembered for a lifetime.

The finest professionals in their field have been selected for Scenic Eclipse's world-class crew. They will ensure every detail is taken care of to the Nth Degree. It's a personal butler guiding our guests through the pillow menu, and the expert Discovery Team organising Zodiac excursions tailored to their interests. It's recognising a birthday or anniversary and creating an exclusive culinary surprise to celebrate, and it's an investment in state-of-the-art technology and environmentally sustainable systems, allowing unrivalled exploration while leaving as small a footprint as possible.

6-Star Ultra-Luxury

Scenic Eclipse caters for up to 228 guests with an impressive array of luxurious spaces and activities for an intimate cruising experience. Relax in the outdoor Vitality Pools, go kayaking and stand-up paddleboarding from the marina deck and explore stunning coastlines by Zodiac. Enjoy up to 10 world-class dining experiences, nine bars and lounges and a dedicated Observation Lounge and Terrace. A butler service is available to every guest, along with an almost 1:1 staff-to-guest ratio.

Vitality Pool

Unique & Remote Locations

Scenic's Discovery Yachts have been custom designed for unrivalled access to the remarkable landing sites of the polar regions. Explore the most remote parts of the Antarctic Peninsula and push through ice-laden Arctic waters to islands so remote, few, if any, humans have ever visited. Visit exclusive ports in Europe, the Americas and the South Pacific, that larger cruise ships can't reach, and discover one of the world's most precious environments – Australia's Kimberley Coast.

The Antarctic Peninsula

Seamless Sailing & World-Class Design

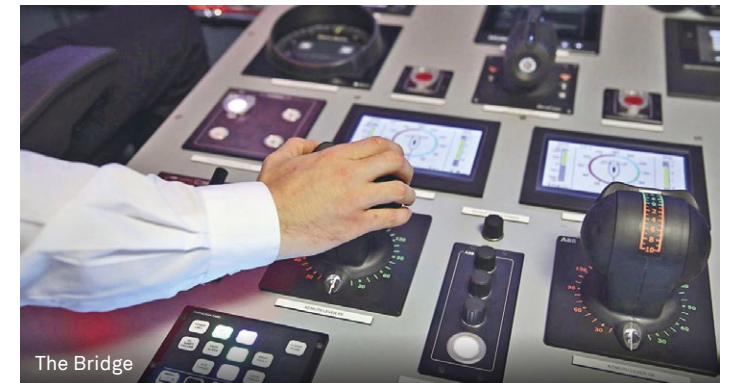

The World's First Discovery Yachts have been designed with an unwavering commitment to safety and excellence. The Polar Class 6 rated yachts feature state-of-the-art technology including customised stabilisers, 50% larger than other ships, to provide greater stability. A strengthened hull, forward bow thrusters and an electronic Azipod propulsion system enable safe and comfortable navigation.

State-of-the-Art Technology

Guest safety is our highest priority. The Discovery Yachts state-of-the-art technology includes Safe Return to Port with multiple redundant operating systems. The GPS Dynamic Positioning allows us to maintain our location without dropping anchor onto sensitive seabeds. We have also installed an Advance Wastewater Treatment system and highly effective engines to reduce emissions, noise, and vibrations.

Scenic Eclipse, Antarctica

The Bridge

Unrivalled Exploration

Enjoy unrivalled exploration on board Scenic's Discovery Yachts. From observing unique wildlife in Antarctica to an exclusive equestrian flamenco show in Seville, our handcrafted experiences will immerse guests in remote and extraordinary destinations. With an up to 20-member expert Discovery Team, from geologists to anthropologists, we help bring the regions we visit to life in vivid detail.

Zodiac

Soar Above & Dive Below

Venture beyond the horizon with Scenic Eclipse's two Airbus H130-T2 helicopters[^], designed for optimal flightseeing and excursions. Dive below the ocean for the most immersive experience on board our submarine[^], custom-built for sightseeing excursions to explore the spectacular marine life in crystal clear waters.

Kimberley, Western Australia

Unrivalled Amenities

During voyages in warmer climates guests can make full use of the water sports equipment available. They'll be guided by a Discovery Team member on a kayak, stand-up paddleboard or Zodiac expedition and enjoy remote beach landings for picnics, an afternoon of snorkelling, swimming or hiking.

Stand-up paddleboarding, Antarctica

[^]Flights on board two helicopter, helicopter experiences and submarine at additional cost, subject to regulatory approval, availability, weight restrictions, medical approval and weather and ice conditions. Introducing Scenic Eclipse II

Scenic Eclipse II Sky Deck

A new era in expedition cruising has arrived. Scenic Eclipse II features enhanced ultra-luxury spaces, new culinary experiences and our next generation submarine, Scenic Neptune II.

Representing an enhanced vision of our pioneering approach to ultra-luxury cruising, Scenic Group is the only ocean cruising company to go beyond designing its ships to managing the build. That means we have had complete control over the design, build and operation and can swiftly transform ideas into reality.

With two Discovery Yachts, we will take guests further than ever before. We'll visit over 530 extraordinary ports across 85 itineraries, reaching 63 remarkable countries and traversing all seven continents.

Scenic Eclipse is where ultra-luxury meets discovery.

Frequently Asked Questions

When is the inaugural sailing?

Scenic Eclipse II will sail her inaugural sailing from Lisbon to Barcelona on 13 April 2023

What's new on board Scenic Eclipse II?

Scenic Eclipse II features a redesigned pool and lounge area on Deck 10, perfect for warmer climes. Senses Spa will also be more spacious and include improved facilities.

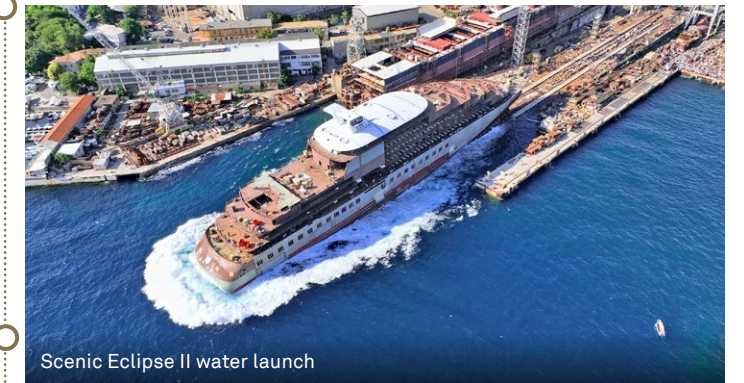

Where will Scenic Eclipse II visit?

Her maiden season will be in the Mediterranean before visiting the Arctic, Scotland, the Caribbean and Central America. She will then meet her sister ship, Scenic Eclipse, in Antarctica in December 2023. In 2024, Scenic Eclipse II will also sail to Australia, Indonesia, the Pacific Islands, New Zealand, East Antarctica and the Ross Sea.

Key Development Milestones

June 2022 - Water Launch

Scenic Eclipse II entered the water for the first time, marked by a 'float out' ceremony at the 3. maj shipyard in Croatia on 25 June 2022. The process of managing the construction of the vessel is led by MKM Yachts, a division of Scenic Group. This was an important milestone, signalling the near completion of the structural build.

Scenic Eclipse II water launch

July – September 2022 - Interior Outfitting

The interior design of Scenic Eclipse II took several months to complete, with teams and designers from around the world working on the project to deliver a 6-star, ultra-luxury ambiance across all interior spaces.

October 2022 - Build Progress

Scenic Eclipse II has been designed and built to the highest standards for unrestricted global navigation. As we continued to make excellent progress with the construction process ahead of the Discovery Yacht's scheduled launch, luxurious enhancements were made to best equip this ground-breaking ship for immersive explorations to even the most remote destinations on Earth – including new itineraries in Australia, Indonesia, the Pacific, New Zealand, East Antarctica and the Ross Sea.

December 2022 - Systems in near completion

Work on the electronic installations and other ship systems near completion and the main engine start up is in progress, in preparation for the sea trials in mid-February 2023.

Scenic Eclipse II Salt Room

January 2023 - Dry Dock Update

Our second Discovery Yacht went into dry dock on 14 January for painting and final hull preparation in advance of her scheduled sea trials in late February 2023 and her much-anticipated arrival into our fleet in April 2023.

February 2023 - New Enchantments Revealed

Scenic Eclipse II sets the benchmark in wellness, with its expansive 550m² Senses Spa, complete with dedicated male and female wellness areas appointed with saunas, a steam room, colour and cold therapy and relaxation lounges, as well as a manicure and pedicure studio and the only dedicated yoga and Pilates studio for a ship its size.

On Deck 10, guests will find the new Sky Bar, offering indoor and outdoor seating that's perfect for everything from morning coffee to evening cocktails. It's set next to the outdoor Vitality Pool – the temperature of which adjusts to the climate – and cabanas appointed for all weather conditions.

Scenic Eclipse II Sea Trials

April 2023 - Inaugural Sailing

Scenic Eclipse II makes her way to Lisbon for the inaugural sailing, where guest will board the Discovery Yacht.

February 2023 - Sea Trials Successfully Completed

The launch of Scenic Eclipse II is one step closer. Our second Discovery Yacht successfully completed sea trials in Croatia and the final touches are now being made before she officially sets sail on 13 April.

"Scenic Eclipse II has been built to the highest standards and it is fantastic to see the Discovery Yacht sail through the sea trials and surpass all expectations, the countdown to launch really is now on" - James Griffiths, VP Marine Operations

Scenic Eclipse Unrivalled Exploration

Arica, Chile

Discover the extraordinary wonders of the world in truly all-inclusive ultra-luxury on board Scenic Eclipse, The World's First Discovery Yachts™. Travel to the southernmost continent of the world and marvel at the pristine white lands of Antarctica. Be immersed in the rich and diverse cultures and cuisines of the Americas; or cruise through sparkling waters surrounding Europe, along the Mediterranean Sea.

Each Expedition, Discovery and Cruise Voyage is handcrafted to create memories that last a lifetime. Soar above the ancient land of vivid contrasts within Australia, home to diverse terrain and the oldest living culture on earth, by helicopter[^]. Dive below the waters surrounding the largest archipelago in the world, Indonesia, by submarine[^]. Or explore the stunning remote beaches of Polynesia and the Pacific Islands by kayak.

Frequently Asked Questions

What clothing is provided in polar regions?

Each guest will receive their own Scenic Eclipse waterproof multi-purpose parka when sailing on a polar region voyage, which is theirs to take home and keep at the end of the cruise. We will also provide complimentary boots for guests to use on selected voyages. These are stored in our mud room and are not for guests to keep.

Why does Scenic Eclipse reduce guest numbers to 200 in Antarctica?

We want to ensure guests can partake in multiple daily landings and excursions and get to spend extended time at each site. In Antarctica this is important to ensure we can deliver an unrivalled experience.

Scenic Eclipse Meet the Team

Scenic Eclipse crew

Our expert team of dedicated professionals will deliver an exceptional level of world-class service to guests. They will pay close attention to the finer details, going to the Nth Degree at all times and being on hand to ensure that they enjoy every moment of their cruise.

James Griffiths

Vice President of Nautical & Technical Ocean

Nationality: English

With qualifications from the Warsash Maritime Academy (part of Southampton University), Middlesex University, the Nautical Institute in London and Lloyds Maritime Academy in Kent, James Griffiths has a celebrated career spanning 20 years. He holds an advanced polar water certification and has accumulated hundreds of days in high polar latitudes in the north and south, working on 12 different ships, commanding six of them, and visiting over 105 countries.

"I've worked as captain on the world's largest four masted sailing ship, but Scenic Eclipse is setting a new standard in the industry. The first cruise ship to hold helicopters and a submarine, she is just as at home moored alongside superyachts in Monaco, as she is breaking ice less than 900 kilometres from the true North Pole."

The Bridge

Captains & Crew

Our team of passionate and enthusiastic experts ensure guests can truly immerse themselves into the destinations they visit. Our Captains and crew are the finest professionals in their field, selected for their experience, expertise and ability to safely navigate the ship in all climates and conditions. During a voyage, guests will have an opportunity to interact with the Captain in a number of ways, including taking advantage of the open bridge policy. Guests can visit this navigational hub and witness a side of cruising rarely seen, whilst enjoying the best view on the ship.

Spa Team

Stepping into Senses Spa, brings an immediate sense of calm and tranquillity, not only due to the scented aromas of essential oils, the thoughtful lighting and design, but also the warm greeting by our expert Senses Spa practitioners. The Spa team is headed by Raj Dhariwal who oversees spa operations and staff – and Scenic's partnership with ESPA, an internationally recognised spa provider offering luxurious pampering treatments*.

Senses Spa

Culinary Team

The culinary team of over 38 chefs from 15 countries is headed by our Director of Food & Beverage, Tom Göetter. Tom ensures every dining experience on Scenic Eclipse is a multi-cultural epicurean journey of the highest standards and personally oversees the menu development. A highlight for many guests is the Chef's Garden @ Epicure experience, a by invitation-only evening featuring an 11-course dégustation matched to fine wines.

Frequently Asked Questions

When can guests pre-book Discovery Excursions?

Excursions can be organised with the Discovery Team once on board. Please attend the briefing to get more information. Some have limited numbers (such as kayaking 16 guests maximum per excursion) so guests need to book to avoid disappointment.

When can guests pre-book Scenic Freechoice excursions?

Guests have the chance to pre-select their Scenic Freechoice excursions for the first few days of their voyage prior to departure, then will discuss further options with the Tour Manager once on board.

What level of activity is required for the shore excursions?

Scenic Freechoice and Discovery Excursions are offered at different levels of activity - relaxed, moderate & active allowing guests to choose the most suitable options for them.

Will all watersports and experiences be available in all regions and on all itineraries?

The equipment and experiences offered may vary per region due to various factors including authorities in a region not allowing us to operate, weather conditions, and time constraints.

Tom Göetter

Director of Food & Beverage

Nationality: German | Destinations: All regions

Born and raised in a small winegrowing village in Germany, Tom began his culinary education at the Hyatt Hotel, before working in Michelin-star restaurants and 5-star hotels around the world. After achieving his culinary masters in Germany and deciding to turn his hand to ocean cruising, he took part in Germany's Top Chef culinary competition, before returning to the ocean in 2019 as Scenic Eclipse's Corporate Executive Chef. In 2023, he took part in Top Chef: World All-Stars, placing third, and was promoted to Scenic Eclipse Director of Food and Beverages.

"Nature inspires me a lot, it is one of the main reasons I want to work on an expedition ship. One of my greatest memories is when we cruised into a massive ice floe... we saw a king penguin, I will never forget that magical moment."

All-Inclusive Beverages

Featuring nine spacious bars and lounges, relaxation awaits. Sip a glass of France's finest at the intimate Champagne Bar, indulge in an aged single malt at the elegant Scenic Lounge Bar or unwind in the Observation Lounge with a speciality tea or coffee. Scenic Eclipse
Cherish the Planet

Our Commitment to a Sustainable Future

At Scenic, we aim to reduce our environmental impact and help to build a more sustainable way of living and doing business. Your journey with us will be one with a difference, respecting the natural ecosystems and local communities that call each region home.

In a commitment to providing a cleaner, greener, safer river cruising experience, we're transforming the way we travel by implementing environmentally conscious initiatives both on board and onshore.

We believe that this care for the environment, this desire to preserve the Earth, is a deeper underlying value of what we do and what we, as a company, stand for. It is at the core of who we are.

Scenic Eclipse was designed and built to meet or exceed all current and expected environment standards.

The vessel is equipped with the latest technology and is managed in accordance with best practice ensuring all processes have minimal environmental impact. Scenic Eclipse is certified Polar Class 6-designed and built to the latest uncompromising standards for ships operating in polar waters.

Key Highlights:

- On board Scenic Eclipse we have eliminated the use of all single-use plastic and replaced them with sustainable alternatives. Each suite will come with a water bottle per guest, for use on excursions and to take home.
- We've swapped our washing detergents for eco-friendly variations to restrict our use of harmful chemicals, pollutants, and toxins
- In a steadfast commitment to reducing kitchen waste, our main courses will be served from the galley and a food shredder has been installed to compact any left-over food waste.
- The advanced Azipod propulsion system minimises noise and vibration to reduce disturbance to marine life, as well as improving manoeuvrability and reducing fuel consumption.
- GPS Dynamic Positioning allows the ship to maintain position without the use of an anchor, thus protecting the sea floor.
- Wastewater is treated using a membrane biological reactor before being discharged.
- Advanced HVAC System extracts external air to treat and filter before it is delivered through the ship then extracted with no recirculation.
- The lightest grade of marine fuel is used on board, reducing sulphur emissions by up to 95%.
- Where available and feasible, the ship is equipped to plug into onshore power networks which allows it to primarily run off the electrical grid and not generators, which reduces emissions.

Complimentary reusable water bottle for all guests

FUN FACT

We're using 97% less sulphur vs heavy fuel oils by using the lowest sulphur grade fuel on all vessels where possible.

Scenic Eclipse Social Media Guidelines

Prospect Point, Antarctica

We're delighted that you will be joining us this season to continue to provide our guests with a truly all-inclusive, ultra-luxury voyage on board Scenic Eclipse.

You will be visiting the heart of many extraordinary destinations, and we'd love it if all crew members could share their incredible adventures with us through our global social channels. There is no better advertising than our people sharing their experiences whilst on board.

Our Global Social Media Accounts:

Please tag the following handles:

-  Instagram: @Scenic.eclipse
-  Twitter: @ScenicLuxury
-  Facebook: @ScenicCruises

Any links should be to our website URL: sceniceclipse.com

Hashtags:

Please include the following:

- #ScenicWonder
- #ScenicEclipse
- #ScenicCruises

Engagement from us

We will engage with all posts we are tagged in. To include, but not limited to, liking, retweeting, commenting or sharing posts across all our social media profiles (Facebook, Instagram and Twitter).

Instagram – A reminder that we can only share your stories if @Scenic.eclipse is tagged in them. Otherwise we can only 'like' it. So please tag us in every story you create.

Please set your profile to Public – if your Instagram account is set to public, we will get a notification when tagged in your posts and we will be able to see / share the photo or video. If your profile is set to Private, unfortunately we won't be able to see your content.

Facebook – Facebook won't allow a business page to interact with a personal profile, regardless of if the post is public or not. That means that if you post on your profile and use our hashtag, we will be able to view your posts, but unfortunately not engage with them.

Some tips from us to capture that perfect social worthy content:

Photo/Video Tips

- Use natural light as much as possible
- Be sure not to position the sun directly in your photo
- Avoid using the flash, as it can create harsh lighting
- Remember to compose the subject of your shot to the left, the middle or the right
- Don't be afraid to shoot from different angles
- Use objects or places around you as props
- Avoid filters, emojis or animations on your photos or videos
- Avoid taking images from behind or over the shoulder
- Hold the camera steady while filming – avoid camera shake
- Consider vertical format (Instagram) vs horizontal (Facebook)
- Videos should be no longer than 5-10 seconds to capture a moment
- Make sure the camera lens is clean and dust / smudge free
- Avoid zooming in: When you take a photo from a distance, it's tempting to zoom in on something specific you're trying to capture. But it's actually better not to zoom in — doing so can make the photo appear grainy, blurry, or pixelated.

Content Ideas

- Post and Story capturing the day of departure, images / short videos of the ship in the port
- Post and Story capturing your excitement on the day of departure
- Posts and/or Instagram Stories of key moments on the cruise – entertainment on board, the cuisine on board, the bartender preparing special cocktails for guests, the guests enjoying a helicopter ride / submarine excursion.
- Enrich excursions or Scenic Freechoice activities, sighting wildlife from the ship
- Create Instagram Reels. Short, entertaining videos bringing your experiences to life with 'trending' music overlaid

Things to remember

- Ensure you have the permission from any guests or crew that appear in your photos or videos, to use publicly on social media
- Guests should not be easily identifiable
- Any food shots should be as presented from the kitchen (not eaten or look like its mass produced – buffets)
- Space on board should be tidy/lined up and nothing out of place
- Don't use the Scenic logo or straplines on any of your photos or videos
- Animals or wildlife shots should adhere to all guidelines and regulations – i.e. distance from them especially in the polar regions
- Expedition activities should reflect enrichment and ultra-luxury
- Port Photos should only be posted the day after a ship leaves port and not when ship is docked. This is for ship and passenger security purposes.
- Do not show other discovery/ expedition cruise ships
- Please – No walk throughs of on board experiences
- Please – No videos of staff or guests presenting information to camera
- Please – No "interviews" with our crew without prior permission

Scenic Eclipse
MKM Yachts

The MKM Yachts team

Located in the Croatian port city of Rijeka, MKM Yachts Ltd., a division of Scenic Group, is devoted to the construction of unique luxury polar cruise ships and yachts. Having previously built Scenic Eclipse, The World's First Discovery Yachts™, custom designed for excursions to both the north and south poles, building work is now under way on her sister ship, Scenic Eclipse II.

Project Management

From the initial idea through to completion MKM Yachts coordinate people and processes to reach the optimal results.

Ship Design

MKM Yachts support the entire ship design process: from basic design such as concept and preliminary design to the contract, and detailed design.

Shipbuilding Services

Equipping the sections to a high level of completion is ensured before placing them on the slipway.

Complete Fitting

Ship fitting management: material and equipment procurement through to installation and commissioning.

Ship Interior Design

The in-house team of interior designers creates vessel interiors to ensure the ultimate experience while traveling.

Novel Technologies

Implementation of state-of-the-art and green ship technologies that meet the highest environmental standards and support the environmental sustainability.

From unique vision to inventive reality – building Scenic Eclipse II

As the prime contractor for all Scenic Group's new-build ship projects, MKM's award-winning team provides a whole range of services in shipbuilding, spanning from project management and project planning to production and commissioning.

After a keel was laid for it in May 2021, Scenic Eclipse II was launched in Rijeka's 3 Maj Shipyard and is the newest recruit to MKM's fleet of world leading cruise ships. This important event for Croatian shipbuilding was attended by Scenic Chairman and Founder, Glen Moroney, the Croatian Minister of Economy and Sustainable Development, Davor Filipovic and other distinguished guests and business partners.

A few words from Glen Moroney

"We are extremely proud of our achievements working with MKM Yachts on the Scenic Eclipse II construction. Scenic Eclipse II represents our innovative vision and pioneering approach to build the best and most technologically advanced discovery yachts in the world of ultra-luxury cruises. We are grateful to be able to build these ships and cooperate with the shipyards in Croatia."

Christening

Scenic Eclipse Godmother, Dame Helen Mirren

Scenic Eclipse Christening with Dame Helen Mirren

On 10 September 2019, following the much-anticipated launch of Scenic Eclipse, we held her spectacular christening in New York City. Heralding a new and exceptional era in ocean cruising, the official ceremony took place at Pier 88, Manhattan Cruise Terminal, set against the world-famous Manhattan skyline.

Joining Scenic for the ceremony was our very special guest, and Scenic Eclipse's Godmother, Dame Helen Mirren, along with her husband, Academy Award-winning director Taylor Hackford. They were welcomed on board by Scenic Group owner Glen Moroney and his wife, Karen, who gave them a VIP tour of the yacht.

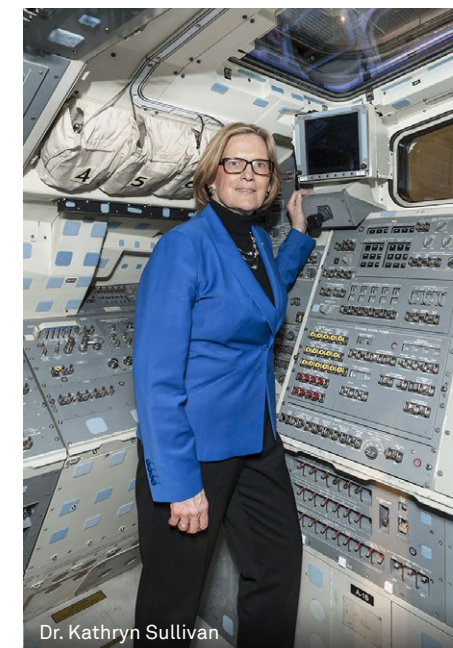

Reflecting the ship's stylish and exclusive ethos, the official naming ceremony was attended by over 350 global media bodies, agents and VIPs who witnessed Dame Helen Mirren christen the ship dockside by breaking the ceremonial bottle of champagne against the hull and bestowing the traditional blessing of safekeeping over all those that sail in her.

"I was thrilled to be invited to take on the role of Scenic Eclipse Godmother, even more so now that I have stepped aboard and seen the level of design detail and technology that have gone into her creation. She is an exceptional cruising experience, and I'm honoured to have christened her. I wish her crew and guests many years of sailing adventures and discovery".

Dr. Kathryn Sullivan

Scenic Eclipse II Christening with Dr. Kathy Sullivan

On 3 June 2023, Scenic Eclipse II will be christened in Malaga and remain shoreside for two days, with acclaimed NASA Scientist, Dr Kathy Sullivan, Godmother of Scenic Eclipse II. Celebrations will then continue into the evening with an exclusive cocktail party with CEO and founder Glen Moroney and wife, Karen Moroney.

In another first to celebrate, Dr. Kathy Sullivan has been named to be the Godmother to Scenic's new ultra-luxury Discovery Yacht, Scenic Eclipse II. Recognised as a true pioneer in her field, Dr. Kathy Sullivan is the personification of Scenic Eclipse II's innovative and adventurous spirit exploring the world's wonders and beyond.
