

Mein Schiff

The new *Mein Schiff Relax*.

Dear guests

I am delighted to present the new member of our fleet, *Mein Schiff Relax*, on the following pages. *Mein Schiff Relax*, the first ship in our new InTuition Class, will open completely new dimensions for unique feel-good moments: Enchanting even from a distance: The Marcoon, the spectacular roofing across the spacious outdoor deck. Here you will always find the perfect spot to relax – whether its next to the new infinity pool or our unique 25-metre pool. For our suite guests, there is even more open space for special moments, with additional restaurants and bars and expanded sundecks.

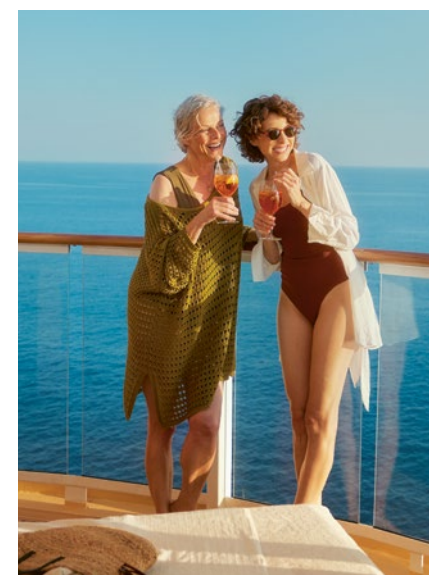

Get active on *Mein Schiff Relax* in the modern gym area that spans two decks – and offers the best views of the ocean. Our popular culinary service and the new restaurants serving Greek, French and Asian cuisine, promise indulgence.

And ultimately, this new class is a further milestone on the route towards sustainable cruising for *Mein Schiff*®: Its engines can run on low-emission fuels such as climate-friendly E-LNG and its waste management system uses state-of-the-art technology. Discover the next generation of cruising on one of the most modern and environmentally friendly fleets in the world and experience well-being in a new way.

We look forward to welcoming you on board soon.

A man and a woman are standing on the deck of a ship, leaning against the railing. The woman is in the foreground, wearing a rust-colored wrap over a light top and white pants, smiling and looking towards the man. The man is behind her, wearing a dark purple shirt, also smiling. They are looking out over a vast, calm blue ocean under a clear sky. The ship's railing is visible in the lower part of the frame.
