CONSCIOUS NAVIGATION

Our purpose-built, intimate yachts realize the possibilities of environmental stewardship with the latest hybrid power management and propulsion systems, maximizing fuel efficiency and consuming as low as one-fifth the fuel compared to conventional cruise-ship systems, reducing our impact on the environment. We minimize underwater noise that stresses marine wildlife by using a hydro-jet propulsion system that allows us to cruise virtually silent up to five knots for incomparable, up-close encounters while keeping the sensitive ecosystem in mind.

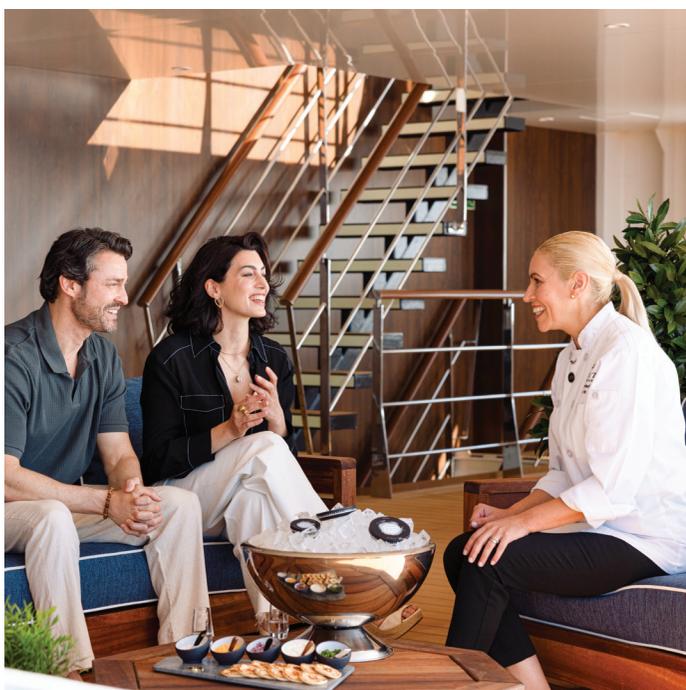

INSPIRING DAYS

Aboard our yachts, we cultivate an intimate ambiance that encourages connection with your fellow explorers, your expedition guides, yourself and your environment. Cooking and culinary demonstrations, wine and cuisine tastings hosted by your expedition guides – Gastronomic Guest, Visiting Vintner or Tastes & Traditions Expert – will engage your mind and palate. Watch your destination grow closer sitting just 30 feet above the waterline at Water's Edge. Journey inward with a well-equipped Fitness Studio, running track on the top deck, relaxing sauna sessions at SeaSpa by L'OCCITANE and other health and wellness amenities. Swap stories with fellow explorers while sipping on craft cocktails at Atlas Lounge. Or engage in lively conversation while gazing upon wondrous scenes from The Dome Observation Lounge with 270-degree and overhead views.

APRÈS EXPÉDITION

After exploring ashore, return to the yacht as you are and gather with your fellow explorers for an impromptu toast to your incredible experiences together. Whether unwinding with a craft cocktail or nibbling on small plates, relive the day with your new friends and expedition team as you imagine what new wonders await tomorrow.

GLOBALLY INSPIRED CUISINE

Your culinary adventures on board rival your discoveries ashore. From a savory journey through regional dishes to a leisurely afternoon tea, appreciate an experience that's more than cuisine.

MADEIRA | WORLD VOYAGER™

LISBOA | WORLD TRAVELLER™

PORTO | WORLD NAVIGATOR®

Multicourse dinner menus showcase classic favorites as well as adventurous culinary experiences that feature a new regional inspiration every evening from appetizers all the way to dessert. Plus, every night each regional menu offers a complementary plant-based, vegetarian option that you can feel free to mix and match with that evening's offerings.

Remember to look up or take in the 270-degree window views after your day of exploring while enjoying a wide selection of Kusmi teas, light snacks and pastries with the longstanding tradition of afternoon tea. Here you will also find espresso drinks throughout the day and pre-dinner canapés.

PAULA'S PANTRY

Stop by our cozy café for a grab 'n' go breakfast or midday snack, including freshly baked muffins, doughnuts, fresh-pressed juices and La Cimbali coffees, specialty teas, sandwiches, wraps and salads.

EPICUREAN EXPEDITIONS BY ATLAS™

EPICUREAN

Having an appreciation for life's finer pleasures

The Greek philosopher Epicurus believed that happiness is found in simple pleasures. The modern term “epicurean” has come to describe an appreciation for fine food and wine, while the ancient philosophy of Epicurus promoted the pursuit of learning and meaningful conversations with friends. Atlas Ocean Voyages now offers you an epicurean experience in every sense of the word.

EXPEDITION

A journey of exploration

An expedition sets forth with a purpose, exploring a corner of the world in depth. Expedition teams return time and again to far-flung destinations, making new discoveries and gaining new perspectives with each voyage. These life-changing experiences inevitably inspire a deep sense of camaraderie when shared with a small group of fellow explorers.

TASTES OF THE MEDITERRANEAN

Aromas of spices, fresh fruits and vegetables tantalize the senses in bustling markets, from Alicante's Central Market to El Olivar of Palma de Mallorca. Sample authentic grape brandy, olive oil and wine at a local village in the Croatian countryside. Gather with your fellow foodies to discover the perfect Sicilian dessert paired with Marsala's renowned wine. Together with a Visiting Vintner or Gastronomic Guest and your new friends, sip on Italy's famed limoncello as you take in the stunning views of the Amalfi Coast from a rooftop villa. Enjoy it all in good company.

GASTRONOMIC GUESTS

Enrich your knowledge of regional specialties when a noteworthy chef comes aboard to share a live demonstration, illustrated lecture or interactive cooking class.

VISITING VINTNERS

Enhance your knowledge of European wines, from an aged Nebbiolo to a Beaujolais nouveau, when a local winemaker or sommelier leads a tasting aboard the yacht.

TASTES & TRADITIONS EXPERT

Gear up your senses, awaken your palate and engage in unique experiences with our Tastes & Traditions Expert. Revel in each country's unique flavors and flair that stem from what thrives there.

YACHTSMAN COOKOFF

Join your fellow explorers for a friendly culinary "ironman" contest and feel like the star of a cooking competition show. Cheered on by your companions, it's an exciting race against the clock. Your Gastronomic Guest or Executive Chef hosts while other explorers choose the winner.
