BOUTIQUE RIVER CRUISES

THE FINEST LUXURY RIVER CRUISES

Setting sail in 2022 and 2023

WE'RE THRILLED TO BE SAILING AGAIN

I cannot describe how lovely it is to be back on the rivers of Europe for 2022. As always, but especially after a complex couple of years, reuniting with our guests and crew is such an exciting time for us, and it's wonderful to see them all enjoying their travels again. As a river cruise line whose European fleet averages just 120 guests per sailing with an exceptional crew-to-guest ratio, we're proud to be able to provide our guests with a wealth of personal space and personalised service. The best way to cruise back into travel this year is certainly on the rivers, and the best river cruises are with Uniworld.

What makes this time even more thrilling is the fact that we are about to launch some of our newest Programmes. Our newest and only itinerary sailing exclusively on the waterways of the Netherlands, Dutch Delight, will begin taking travellers on an immersive journey through charming rural villages and canal-lined cities, including visiting the once-in-a-decade World Expo, Floriade, on every sailing.

Our guests are already enjoying some of our latest fleet updates, including our fun Roaring 20s onboard celebrations, Nights Out experiences and intimate dining experiences in the Captain's Lounge of the *River Empress* and the *River Duchess*. Select guests on the *S.S. Antoinette* and *River Tosca* will also notice that we've given a few of the suites a gorgeous new look. Continuing to elevate the Uniworld experience year after year, from small updates to major innovations, is an integral part of the Uniworld ethos, and I've been overjoyed to be able to share our progress with our guests in 2022.

I look forward to welcoming you onboard this year for a truly all-inclusive luxury river cruising experience.

Warmest regards,

Ellen Bettridge

WELCOME TO LUXURY RIVER CRUISING

WHAT IS A LUXURY RIVER CRUISE?

Click here to discover the
luxuries of a Uniworld Cruise

All Inclusive Amenities

Everything you could ever need is included with Uniworld. From your flights & transfers, all your meals and premium drinks, a host of onboard wellness opportunities plus your daily shore excursions.

We have even included the on board gratuities. All you have to do is sit back, relax and enjoy the Uniworld experience.

Intimate and Relaxing Experience

Compared to ocean cruising, a river cruise ship is smaller and therefore offers guests a far more intimate experience. With just an average of 120 guests on board, you can get to know your fellow travellers and also receive better access to the incredible staff on board.

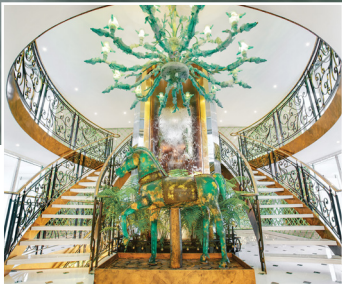

Unique Travel Experiences

By nature, cruising along rivers allows you to travel directly through the heart of countries, giving you incredible access to some of the world's greatest cities right outside your window.

Due to the small sizes of our ships, we take you to the heart of your destinations and dock in the centre of town, so you can step onshore to start exploring immediately.

Sailing by river means enjoying all the conveniences of a traditional cruise, along with all the benefits of inland travel. Stopping in multiple destinations on every trip, you'll visit bustling cities and hidden gem villages, unpacking only once. Even while onboard you'll be immersed in the local sights, with ever-changing views right outside your window. River cruising is absolutely the best way to cruise, and the best and most luxurious river cruise is with Uniworld.

Award-Winning, Floating Hotels

One of the highlights of your river cruise is the Super Ship you sail on. You have access to your very floating hotel that you can call home for the week, with luxurious amenities, beautiful public spaces and multiple dining venues throughout.

Money Can't Buy Experiences

There are moments on a Uniworld cruise designed exclusively for our guests. These range from early morning access to museums, behind the scenes access to iconic landmarks and even private after-hours events in world renowned locations, including the magnificent Saint Marks Basilica in Venice.

Enjoy a Slower Pace of Life

A river cruise is perfect for those who enjoy a slower pace of life. You will sail silently through the heart of countries, docking in the centre of cities and spend plenty of time exploring wherever you visit.

DESTINATION INSPIRED SUPER SHIPS

Super Ship Bon Voyage

Rivers: Garonne & Dordogne, Southern France

Designed to immerse guests in French culture, art and wine, the S.S. *Bon Voyage* is as quintessentially French as they come. The four on board dining venues perfectly capture the essence of France and the stunning Soleil Deck has been designed for the hot summer days you will experience in Bordeaux.

Super Ship La Venezia

Rivers: Venetian Lagoon & Po River, Italy

The design of the S.S. *La Venezia* drew influence from the fine Fortuny fabrics displayed prominently onboard. Murano glass, gilded accents and artistic etched elements pay homage to popular Venetian aesthetics of the early 20th century, creating an onboard atmosphere that is at once elegant and nostalgic.

Our Design Ethos

Boutique hospitality, unmatched service and a dedication to going above and beyond for our guests are deep-rooted in our DNA. We have followed in the footsteps of our sister company, the Red Carnation Hotel Collection to deliver the most luxurious service on the world's rivers.

Inviting Public Spaces

All of our Super Ships have been designed with a focus on larger public spaces for our guests to enjoy. We have reduced the amount of cabins on our European ships to hold an average of 120 guests - compared to others in the industry who hold between 160 - 180.

Unlike other cruise lines, every Uniworld ship has been inspired by the very rivers they sail on and is uniquely designed to showcase the very best every destination has to offer. With distinctive themes, colour palettes, custom-made fabrics, personally selected original artwork, sumptuous furnishings and antiques, each element, down to the smallest detail, has been thoughtfully considered and flawlessly rendered.

Super Ship São Gabriel
River: Douro, Portugal

S.S. *São Gabriel* is the newest and most luxurious ship on the Douro river. Designed to embody the beautiful Douro River Valley region, this ship will offer more lavishly appointed suites and bring the destination to life through its décor and delectable food and wine. Butler service will be added onboard, giving guests the option to dine at any time they'd like while enjoying the ship.

Super Ship Joie de Vivre
River: Seine, France

S.S. *Joie de Vivre* brings the “joy of living” to the rivers of France. Step aboard your floating pied-à-terre in France, featuring handcrafted furniture and fine antiques, original artwork, and signature accents inspired by 20th-century Parisian design from the Golden Twenties to the free-spirited Sixties, all blending seamlessly with modern conveniences.

Uniquely Designed Suites

Like our ships, all our suites have been uniquely designed. Each suite is a true showstopper, boasting custom fabrics and upholstery, original artwork, handcrafted furniture and Savoir® Beds of England.

FINANCIAL SECURITY

At the beginning of the Pandemic, our parent company announced a budget of \$300m in unencumbered assets to reassure guests of our financial security. When you book with us, every cruise is bonded by both ABTA & ATOL to give you that level of added reassurance that your money is always 100% protected.

HOW DO WE ENSURE THE SAFETY OF OUR GUESTS?

Embarkation Requirements

More than ever before, it's essential that we take personal responsibility to help protect each other, and the people and places we visit. To help achieve this goal, all guests and crew will be asked to complete a Travel Declaration upon arrival. Additionally, ALL guests on Uniworld cruises or cruise/tours through 31 December 2022 are required to be fully vaccinated against COVID-19 to travel.

Onboard Protocols

We've added new measures to elevate our hygiene standards for every facet of the onboard experience—from the introduction of new air filtration systems to hand sanitiser stations throughout the ship. Additionally, all guests and crew will be required to have their temperatures taken when they board their ship, and routinely throughout the cruise, using touchless technology.

A well-Trained Team

Our Hotel Managers, Cruise Managers and crew have all been trained by an external consultant in professional health, enhanced hygiene and physical distancing procedures. During your trip, they will operate with a duty of care and monitor the hygiene etiquette of our guests, reacting and advising as needed, to ensure high standards are maintained.

Trusted Partners Onshore

We are very selective in who we work with and choose to only use local guides, buses, drivers, restaurants and venues that take the health and well-being of our guests as seriously as we do. Our well-established and rigorous cleaning regimes for our buses and vox boxes have been enhanced and we will continue to only work with establishments that we are confident will consistently adhere to our standards.

Visit Pont d'Avignon, a medieval bridge in Avignon

Watch the world go by from your uniquely designed suite on board

Stroll through the town of Viviers

DAY-TO-DAY ITINERARY

DAY 1: AVIGNON (EMBARK)

Welcome to Avignon. You will either be greeted at the airport by a Uniworld representative or will head straight to board the Super Ship *Catherine* to begin your luxury river cruise. (D)

DAY 2: TARASCON (ARLES)

Explore a sun-drenched Provençal town today with an allure all its own. Known for its remarkable Roman ruins, Arles so inspired Van Gogh that he painted some 200 paintings there. Arles has existed since the sixth century BC, when the ancient Greeks founded it and named it Theline. It was here that the Romans built their first bridge across the Rhône River, creating a vital overland route between Italy and Spain. (B, L, D)

Featured Excursion: *Arles walking tour.*

DAY 3: AVIGNON

The walled city of Avignon is one of the most fascinating towns in southern France, with a host of historic gems to explore—including the fortress residence of rebellious popes who broke from Rome and once lived and ruled here. You'll see the Palace of the Popes and much more today, and also have a chance to kayak under a 2,000-year-old Roman aqueduct. (B, L, WD)

Featured Excursions: *Choice of Avignon walking tour with Palace of the Popes or Pont du Gard Roman Aqueduct visit or "Let's Go" kayak ride on the Gardon River*.*

*The kayak ride on the Gardon River is only available for May through September departure dates.

DAY 4: VIVIERS

An enchanting village where time seems to have stopped centuries ago, Viviers has a long and storied past that goes back more than 1,600 years—and a splendid architectural heritage to match. At one time, Viviers was divided along religious lines—the clergy lived in the upper part of the town, the laity in the lower part. Your exploration of the town will take you through both parts, as you begin at the crest and make your way to the riverbank. (B, L, D)

Featured Excursion: *Intimate Viviers "Village Day."*

DAY 5: TOURNON (TAIN-L'HERMITAGE)

If you love fine wine, you'll love the twin villages of Tournon and Tain-l'Hermitage. Tournon may be a small town, but stirring events took place here: A castle was raised on the hilltop in the 10th century to protect the region, and new fortifications were added over the centuries, including two "new" towers built to defend against Protestant attacks in the 16th century. (B, L, D)

Featured Excursions: *Choice of Tournon and Tain-l'Hermitage twin villages stroll with wine tasting or "Let's Go" Hermitage vineyards hike with wine tasting.*

Featured Excursions: *Choice of Lyon capital gastronomy tour or "Let's Go" Lyon peninsula bike tour or Silk weavers walking tour.*

DAY 7: MÂCON (BEAUNE)

The pace of life is decidedly more relaxed in Burgundy, where endless rows of grapes hang heavy on the vine. The capital of the region's wine trade, Beaune is renowned for its history, beauty and highly prized wine, as well as its medieval-era hospital—the Hospices de Beaune. (B, FD)

Featured Excursions: *Choice of Burgundy landscapes, Beaune and the Hospices or Mâcon walking tour.*

The Danube is perfect for...

Stunning Scenery

A Cruise along the Danube is an ever-changing highlight reel of must-see destinations. In every city you visit, you will enjoy a host exclusive excursions designed to immerse you in the surrounding culture.

Musical History

The Danube is linked inextricably with musical history. Beethoven, Mozart, Strauss, Schubert, Mahler and Brahms to name a few, were all inspired by the surrounding cities dotted along the river. As you journey along the Danube, you will be treated to a variety of live performances by renowned musicians, many of which are only available to Uniworld guests.

The shimmering waters of the fabled Danube River flow for thousands of miles through the very heart of Europe, silent witness to centuries of artistic achievement and historical events. This river carves its way through the heart of Germany, Austria, Hungary and more, making this river the soul of European culture. No other river offers such a contrast of cultures, highlights, and memories that no traveller would want to miss.

Culinary Excellence

Rising in Germany’s Black Forest region and flowing through 10 countries to the Black Sea, the Danube is steeped in regional culinary traditions and offers a feast for all the senses. Some iconic dishes to try include goulash from Hungary, sausages from Regensburg, Linzer torte from Linz, Weiner schnitzel from Austria or pralines in Passau.

Village Life

There is more to life along the Danube than imperial cities. The beauty of sailing here means you will visit smaller, intimate towns and villages that many tourists never visit. Step into a fairytale and unlock new memories that will never be forgotten.

Diverse Cultures

With the Danube silently passing through ten entirely unique countries, there is no other river offering such diverse cultures dotted along its banks. Dürnstein is one of our favorite towns along the Danube, a lovely place to wander cobblestone lanes, browse quaint shops and maybe hike up to a ruined castle (with an intriguing tale all its own). You can also opt for a tasting or learn all about the world's costliest spice from the Wachau Valley's only saffron grower. Later, visit the 900-year-old Melk Abbey and its extraordinary baroque-style library. (B, L, D)

Austria's third-largest city. (B, L, D)

In the evening, a special Captain's Farewell Reception and Dinner will be prepared for you. (B, L, FD)
