Dear Traveler,

I hope this letter finds you well and in good spirits—and that your 2022 is off to a positive start. At Viking, we are celebrating our 25th anniversary and a year that is shaping up to be our biggest yet.

When we founded this company with four river vessels in 1997, we had a vision that travel could be more destination focused and culturally immersive. We wanted to offer experiences designed for the thinking person—for curious travelers. Our mission at the time is the same as it is today: “Exploring the world in comfort.”

Now, we have developed into a company that operates six identical ocean ships and 75 river vessels. We have recently taken delivery of the first of two state-of-the-art expedition ships—and we are now exploring all seven continents. Later in 2022, we will also welcome two new sister ships, *Viking Mars* and *Viking Neptune*, to our award-winning ocean fleet.

In the following pages, you will find more information about the Viking experience—as well as a sampling of our ocean voyages for 2022, 2023 and beyond.

You may be eager to explore the Mediterranean and the ancient history steeped along its coastlines—or Iceland with its steaming geysers and cascading waterfalls. Maybe a leisurely journey around the British Isles or our signature *Viking Homelands* itinerary in Scandinavia stand out to you. Alternatively, perhaps traveling further abroad appeals most—to the stunning cities of Asia and Australia, or to the wild wonders of Alaska and the Pacific Coast. And of course, there are our longer voyages, including our new 2023–2024 *Viking World Cruise*, for consideration.

Regardless of what destination piques your curiosity, make the commitment to go while limited space is still available. With the Viking Health & Safety Program in place, you can explore the world in comfort—and with great confidence.

Thank you for your interest in Viking; we look forward to welcoming you on board.

With an award-winning fleet of identical small ships, we have reinvented ocean voyages with thoughtful journeys designed to bring you to the heart of great destinations around the world.

FOR THE THINKING PERSON

Created for curious, experienced travelers

WE ALL TRAVEL TO EXPLORE, TO LEARN, TO UNDERSTAND. At Viking, we believe travel should be more than just a trip — it should be a doorway to cultural insight and personal enrichment. That is why our itineraries are designed to help you explore and engage with your destination through its food, culture, countryside and customs.

BEFORE you travel, we provide you with materials to help you plan and anticipate your journey, from filmographies that inspire wanderlust to recommended reading that informs and enlightens.

ONBOARD activities are designed for enrichment and renewal. We offer lectures on history and art, cooking demonstrations of regional favorites, menus offering regional cuisine and more.

ON SHORE, you might accompany the ship's chef to a local market; go behind the scenes at a famous theater company; tour a chocolate or car factory; or view a museum's private collection.

CONNECT with like-minded travelers on board ships designed for comfort and an ease of discovery. Our aim is to help you feel more connected — to newfound friends and the world.

VIKING STAR IN LONDON, ENGLAND

THE SMALL SHIP EXPERTS

Viking takes you closer to the heart of places you want to explore, with more time in port

AFTER LEADING THE RIVER CRUISE INDUSTRY for more than two decades, we have taken that same small ship, destination-focused experience to the seas and redefined ocean cruising as our elegant vessels sail to the world's most fascinating shores. Because we *own and operate our ships*, we deliver a seamless, consistent experience, from the banks of the Amazon to Adriatic shores.

ON A VIKING OCEAN SHIP, you will sail into the heart of your destination, so you can explore in depth. The size of our vessels — *with just 930 guests* — gives us greater maneuverability, allowing us to dock where mega-liners cannot.

From our *prime, central berths* in the world's great cities such as, London, Hong Kong and Sydney, and in seldom-visited ports like Kotor, Montenegro and Scotland's Shetland Islands, enriching cultural discoveries are just a short walk from your ship.

You will *spend more time in port*, with overnight stays in virtually all ports of embarkation and disembarkation. With fewer days at sea, you will have ample time to immerse yourself in each destination.

No other cruise line brings you so close to your destination's doorstep. And no one else helps you uncover so much about a culture and its beauty while you are there.

Message *from our* Chairman

Viking Chairman Torstein Hagen introduces the new Viking Health & Safety Program and discusses the research that has informed the basis for our protocol enhancements.

TO VIEW CHAIRMAN HAGEN'S VIDEO MESSAGE,
VISIT [VIKING.COM/HEALTH-SAFETY](https://www.viking.com/health-safety).

VIKING HEALTH & SAFETY PROGRAM

Explore in comfort and with confidence

AS THE LEADING SMALL SHIP TRAVEL COMPANY, our Switzerland-registered river vessels host just 190 or fewer guests; our fleet of Norwegian-registered all-veranda ocean ships and all-Nordic Balcony expedition ships host only 930 guests and 378 guests, respectively. For more than 24 years, we have always had high standards for health and cleanliness—and our new protocol enhancements make Viking even safer. Developed in coordination with an international team of scientific and medical advisors, the Viking Health & Safety Program is one of the most well-researched and comprehensive COVID-19 prevention and mitigation plans in the travel industry.

- **WITH VACCINATIONS REQUIRED**— including booster, if eligible—and a minimum age of 18 to travel, Viking is one of the only *true* fully vaccinated travel companies
- **FREQUENT QUICK & EASY NON-INVASIVE PCR TESTS** for all Viking guests and crew, processed in full-scale Viking-dedicated laboratories—an industry first
- **NEW AIR PURIFICATION TECHNOLOGY** installed on all Viking ships. Enjoy fresh air in your stateroom, knowing that all staterooms on Viking ocean, river and expedition ships feature independent air handling units that do not share air with other areas of the ship
- **REDESIGNED LAND PROGRAMS**, including training for all local partners, will meet or exceed local guidelines while Viking guests are ashore

LABORATORY-PROCESSED PCR TESTS

FREQUENT PCR TESTING & DEDICATED LABORATORIES

Quick and easy non-invasive saliva PCR tests for all guests and crew are conducted as part of the embarkation process and up to daily throughout the cruise itinerary. Viking uses high-quality, high-sensitivity laboratory-processed PCR tests and has partnered with Medcover, a leading international Healthcare and Diagnostic Services company, to equip its ocean and expedition ships with the world's first full-scale PCR laboratories at sea. As part of this partnership, a strong network of dedicated shoreside labs in Europe will bring the same testing regime to Viking river ships. At the end of your itinerary, Viking also provides you with the negative PCR test result needed for your return flight home.

**VICE ADMIRAL RAQUEL C. BONO, M.D.,
VIKING CHIEF HEALTH OFFICER**

EXPERT HEALTH PARTNERS

Grounded in proprietary epidemiological research, the Viking Health & Safety Program was developed in partnership with an international team of scientific and medical advisors, including Raquel C. Bono, M.D., Viking's Chief Health Officer. Dr. Bono is a board-certified trauma surgeon and retired Vice Admiral of the United States Navy Medical Corps—and most recently led Washington State's medical and healthcare systems response to the COVID-19 pandemic.

NEW PROTOCOL ENHANCEMENTS

WHAT TO EXPECT?

AN EVEN SAFER VOYAGE

From at-home preparation and health checks to enhanced medical services and redesigned land programs, the Viking Health & Safety Program addresses all points of your journey. With vaccinations required, combined with frequent non-invasive saliva PCR testing and the structural advantages of our small ships, we believe there is no safer way to explore the world than on a Viking journey.

THE LIVING ROOM

OUR OCEAN FLEET

WHEN WE SET OUT TO REINVENT THE OCEAN CRUISE, we designed our ships from the inside out with your comfort and serenity in mind. We have no casino or kiddie pools; instead we created open, light-filled spaces to inspire and refresh you along your journey. Expand your horizons on elegant, intimate ships, thoughtfully designed by experienced nautical architects and designers to help you connect with your destination.

OUR ELEGANT OCEAN SHIP SPACES are complemented by a thoughtfully curated onboard collection of art, literature and vestiges of history. Even the smallest details take their inspiration from the exploratory spirit of the original Vikings, reflecting our deeply held Nordic traditions. You will find Viking inspiration in every corner of every deck, from the detailed Bayeux Tapestry adorning the staircases to the Viking Heritage exhibit depicting treasures of the Viking Age.

PERUSE CLASSIC AND CONTEMPORARY PAINTINGS, sculptures and photographs by esteemed Scandinavian artists. See one of the largest collections of works by master expressionist Edvard Munch outside of Oslo's Munch Museum. In our well-curated library nooks throughout the ship, select from a broad range of titles from history to architecture. And, our Viking Art & Design Guide app enhance your experience further with insightful commentary about our onboard art.

CLOCKWISE FROM TOP LEFT: MAMSEN'S CHINA; WINTERGARDEN; INFINITY POOL

SAIL IN SCANDINAVIAN STYLE

Every room a living room

WE HAVE DESIGNED OUR SHIPS DOWN TO THE MOST MINUTE DETAIL, from the serene Wintergarden, perfect for a calming cup of tea; to our Scandinavian-inspired Spa, a Nordic sanctuary of wellness; to the Explorers' Lounge, where you can share your latest adventures with fellow travelers as you take in spectacular approaches to Stockholm and its stunning archipelago, or the temperate rainforests of Alaska's Inside Passage.

AT OUR TRADEMARK EXPLORERS' LOUNGE you can share a cocktail with friends. Or, you can linger over a Norwegian breakfast and a nautical history book. We have designed the Explorers' Lounge and Mamsen's gourmet deli in the Scandinavian spirit, for complete relaxation and for marveling at sweeping views through double-height windows. As you savor the traditional Scandinavian fare at Mamsen's, you will see even the china evokes the legacy of the Hagen family matriarch for whom the gourmet deli was named. After Mamsen passed away, the family found her old dishware, stamped with the "Tor Viking" logo. The producer of the dishware was able to replicate the pattern for our guests to enjoy.

THE NORDIC SPA

SERENITY AT SEA

Designed for relaxing in elegance

MAKE RELAXATION AN INTEGRAL PART OF YOUR JOURNEY. We offer you more than just a pool and spa: we have re-created the Scandinavian bathing ritual with an elegant touch, resulting in a unique experience at sea. Take a dip in our Infinity Pool, set at the ship's stern with stunning views. Alternately, enjoy the perfect swim in any weather under the Main Pool's retractable roof. At The Nordic Spa, treat yourself to holistic wellness. As our guest, renew your body and spirit in our complimentary hot Sauna or Thermal Pool, then step into our Snow Grotto, a sanctuary of fluffy snow and chilled air. If you wish, you may indulge in a soothing massage, facial or other treatment from LivNordic, Scandinavia's leading spa, right on board. It is the ideal way to begin or end a day of exploration.

WHEN YOU YEARN FOR SERENITY, we invite you to relax in the Wintergarden. Under a canopy of Scandinavian trellised wood, you can indulge in afternoon tea service, complete with freshly made finger sandwiches, richly textured scones and delightful desserts. We took design hints straight from nature to create a unique, inviting space.
