DISCOVER AUTHENTIC BEAUTY

A glint of light. A splash of colour. A split second of contrast. A glimpse of soul-stirring humanity. These are moments of true beauty – unguarded, spontaneous, captivating. A beauty which Steve McCurry has a gift for revealing.

That's why Silversea's collaboration with Steve is a natural fit. Let him inspire you to seek the world's authentic beauty. Then let us take you to find it.

Beauty is everywhere. But those who explore the world with Silversea are not attracted by mainstream interpretations. Their curiosity drives them to seek the extraordinary. They feel the urge to go beyond – and to come back changed, enriched with memories and new understanding. That’s why Silversea is here. Because the world is a beautiful mystery. And for curious travellers, there is always more to discover.

INVESTING IN YOUR EXPERIENCE

*Roberto Martinoli /
President and Chief Executive Officer, Silversea Cruises*

We curious travellers have never felt such a powerful yearning to discover the world. We are hungry for experiences and setting forth on open seas—stepping foot on foreign shores, engaging with warm-hearted locals, imbibing in unfamiliar cultures— is the only thing that can satiate our deepest passion. Rest assured, fellow travellers, the time is now. Our crew is ready, our ships are primed, our path is set.

Silversea Cruises is set to take you deeper into the world than ever. We've worked hard to enrich every aspect of our offering with your experience in mind. We've launched three new ships – *Silver Origin*, *Silver Moon*, and *Silver Dawn* – for your comfort, we've extended our luxurious service from door to door for your convenience, and we've enhanced the hallmarks of luxury that make a Silversea cruise so distinctive, so memorable.

We will soon welcome the first of two Evolution-class ships, marking the next generation of ultra-luxury travel. Currently under construction, our pioneering new ship will benefit from enhanced sustainability credentials to offer guests an entirely new way of engaging with the world. Innovation will be key in the coming years, as our fleet continues to expand and as we continue to push boundaries in ultra-luxury cruising.

Fellow travellers, the world awaits. Join us as we set sail for the future.

A UNIQUE TAKE ON LUXURY

*Barbara Muckermann /
Chief Commercial Officer, Silversea Cruises*

What is the meaning of luxury? Luxury takes on different meanings for different people, yet everyone instantly recognises it when they see the real thing. For Silversea, real luxury is about offering our guests the most incredible experiences our world can offer, because we know that our guests share our curiosity. Our experiences revolve around people, because true travellers collect interactions with people, not monuments. These unique moments are enriched when shared with friends, both new and old. They are enhanced by the thoughtful gestures of our crew, who get to know guests personally and pre-empt their needs.

These incredible experiences are heightened through a deep exploration of culinary cultures – using the lenses of food and drink to get under the skin of the destinations we visit. But mostly, and particularly this year, luxury means the freedom of choice. This is why Silversea offers more unique itineraries than any other cruise line, comprising over 900 destinations across the seven continents – delivered with unprecedented variety, as guests travel aboard some of the most spacious ships at sea. We can't wait to see you back on board, exploring the world while surrounded by whispered luxury.

*“Enriched by the freedom of choice,
authentic experience
is the new currency of luxury.”*

THE ART OF INDULGENCE

When every aspect of your travel experience is curated to exceed your expectations, pampering you into a state of complete relaxation, luxuriousness manifests itself as a natural part of the day. Extending our take on luxury to your wellbeing on board, we proudly introduce our new wellness programme, Otium—a new chapter in ultra-luxury travel, which revolves entirely around the art of pampering. The programme starts in the spa, extends to your suite, and trickles out to permeate every aspect of your voyage in a variety of venues, unlocking a holistic journey of discovery that perfectly balances wellness with pleasure. A celebration of our Italian heritage, Otium was inspired by the early Roman baths—places of leisure, in which people bathed, relaxed, socialised, sang, ate, drank, and revelled in the moment. Capturing the essence of early Italian luxury, the Romans all but worshipped this time dedicated to hedonism.

Reimagined and elevated aboard *Silver Dawn*, our team of experts has curated Otium in this same vein, having crafted unique moments that anticipate your needs and indulge your desires, weaving a rich tapestry of comfort into your daily routine. Otium represents the perfected philosophy of living well and being well, in mind, body, and spirit.

*“Because at Silversea we believe that living well
and being well are not mutually exclusive
and that wellness should be a natural part of the day”*

These pictures are intended as a general reference for the *OTIUM* concept.

Intimate Small Ships

Our ships are designed to give space to fewer, select travellers. Big on creature comforts and luxuries. Small enough to be personal and convivial – our ships range in size from 51 to 304 suites to ensure you find your perfect home from home.

Over 900 Destinations

We believe our multi-award-winning itineraries are the best in the world. And when we say the world, we mean it. In 2023/2024 our guests will visit over 900 destinations across all seven continents – from iconic cities to remote islands, from the tropical equator to the polar extremes, including over 60 maiden calls.

Enriching Cuisine

Our gourmet excellence will always be a jewel in our crown. Our newest ships also offer destination-focused restaurants, bars and hands-on experiences – allowing you to enrich your travels with deep-dives into local culinary flavours, heritage and techniques.

ALL-INCLUSIVE LUXURY FROM DOOR TO DOOR

The Silversea difference

Our enhanced all-inclusive offering provides you with complete peace of mind and seamless convenience, as well as a special level of comfort that is a hallmark of the Silversea experience. With private executive transfers now included as standard, as well as round-trip flights on every voyage, adventure is effortless and it extends from door to door. Our all-inclusive luxury now includes immersive shore excursions in every port on all itineraries, meaning the range of experiences on offer is as boundless as your sense of curiosity.

Pre-empting even your most intangible need, often before it arises, our industry-leading service is simply unrivalled. You'll want for nothing while on board, from champagne to sustainable caviar served 24/7, with the dedicated service of a butler for every suite and complimentary in-suite dining.

More than just your home away from home, each of our ships is an outpost of luxury, tailored for your comfort with unexpected touches that elevate your travels. The result is a curated lifestyle that leaves you free to relax, indulge, and discover, as you explore the world. CULINARY JOURNEYS FOR CURIOUS MINDS

Adam Sachs / Director S.A.L.T. Programme

At Silversea, we truly understand the meaning of discovering the authentic beauty of the world. This not only means exploring off the beaten track destinations, but approaching each place holistically – from its culture to its traditions and yes, its food.

We believe that food offers a gateway into other cultures, through taste, preparation and the whole eating environment. Food and drink provide lasting memories that define a travel experience. It embodies cultural identity and individuality, and gives an insight into a new, exotic and unusual experience, offering a deeper insight into the destination.

This is why we have conceived S.A.L.T., the Sea and Land Taste Programme. S.A.L.T. is designed to showcase entire ecosystems around culinary discovery for our guests, bringing them closer to the world's diverse food and drink cultures.

Through S.A.L.T. we connect travellers with the places they visit – be it through traditional farmhouse cooking in Tuscany or foraging for ingredients in Asia. Back on board, three dedicated venues aboard *Silver Moon* and *Silver Dawn* – S.A.L.T. Lab, S.A.L.T. Kitchen and S.A.L.T. Bar – push boundaries to showcase the stories around each destination's cuisine, offering an immersive travel experience like no other.

Guests enjoy culinary excellence in each of our onboard dining venues. Our broad-ranging all-inclusive restaurant concepts – eight aboard *Silver Muse*, *Silver Spirit* and *Silver Moon* – serve the best ingredients at sea. These include La Dame, our modern take on traditional French cuisine; The Grill, for romantic lava stone meals under the stars; Asian-inspired Kaiseki and Spaccanapoli, which serves arguably the best pizzas at sea. And there's far more to explore in Atlantide, Indochine, La Terrazza, Seishin, Silver Note, and The Restaurant.

Pull up a chair and be amazed.

LUXURY SERVICE, PERSONALISED FOR YOU

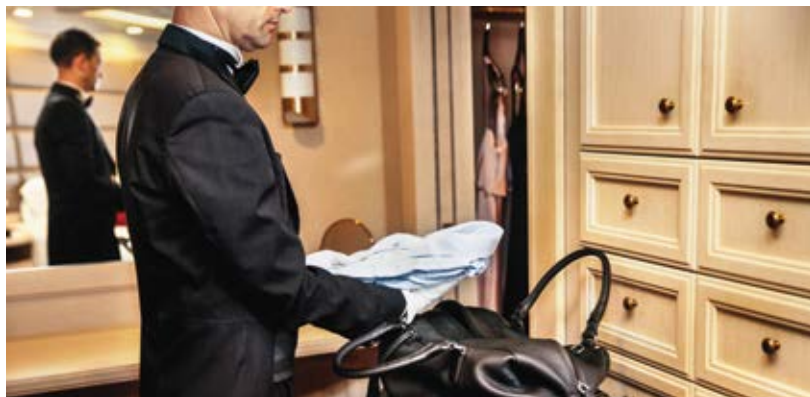

*Fernando Barroso de Oliveira /
President's Ambassador to the Venetian Society*

If we've had the pleasure of meeting on board, you'll know that my role at Silversea fulfils my two passions: discovering the world and befriending like-minded travellers. And I hope you agree, we enjoy a special atmosphere on our intimate ships, one which creates lifelong friendships and stimulates unforgettable memories.

From the moment you step on board, you'll realise that our Venetian Society is an extended family. We're a close-knit circle of friends, united by a common passion for travelling deep into the world's fascinating cultures, awe-inspiring landscapes, and captivating communities. As well as exclusive privileges and prestigious cruise rewards, our curiosity motivates us and it grows stronger with each new experience.

Our long-time guests agree that our crew is the best at sea. We take pride in getting to know you, caring for you attentively by providing a tailored service that's enriched with a unique level of personalisation: from our bar staff who recall how you like your drinks to our butlers who, serving every suite, anticipate your needs before they even arise. These heartfelt touches are the reason you feel at home whenever you're on a Silversea ship.

MODERN PIONEERS

*Conrad Combrink / SVP Expeditions, Turnaround Operations
and Destination Management, Silversea Cruises*

We explorers are hungry for deep travel. We scout landing spots, launch the Zodiac®, and journey into unfamiliar lands. I've seen much of the world and so have our guests, but each day yields something new with Silversea.

When I look at a map, I envisage the inspiring experiences that await us across all seven continents. Including over 60 maiden calls, our new collection of 2023/2024 voyages is our largest ever and it's designed by our destination experts around your interests. We'll delve deep into the rich history and enchanting cultures of the Indian Ocean and the Arabian Peninsula; we'll set forth on all-new expeditions to Greenland, exploring Baffin Bay; we'll encounter new destinations in the Baltic, accessible only to small ships; and we'll set sail on enriched Antarctica voyages, now including Cape Horn. Pioneers of adventure, our Expedition Team accompanies us to all seven continents. Their expert knowledge enriches our travels and develops us as people.

In this sense, an expedition with Silversea is a journey in more ways than one.

*“There are always new things
to find... if you go looking for them.”*

LAND ADVENTURES & SHORE EXCURSIONS

CHILEAN PATAGONIA

4 nights pre/ post cruise

Departing from Puerto Williams, this programme showcases one of Patagonia's gems – the Torres del Paine National Park, a true spectacle with its huge granite towers – which Chilean Nobel-winning poet Pablo Neruda once described as “The last scream of the Andes before they surrender to the Ocean” – and myriad flora and fauna. An area of sheer natural beauty and unique landscapes that make for an unforgettable travel experience.

ZODIAC® CRUISE WITH SILVERSEA EXPEDITION TEAM, BELLINGSHAUSEN SEA included shore excursion

Explore the Bellingshausen Sea, one of the most unexplored corners of the Antarctic Peninsula. Explore ice filled bays by Zodiac south of the Polar Circle together with your Expedition Team and perhaps meet the emperor penguins that live here, a unique species, endemic to the Antarctic and almost never observed.

SOUTH AMERICA

South America's wonders deserve discovery. The continent's diversity is stunning: it homes the world's longest river, the driest desert and highest waterfall. With our huge choice of voyages in the region – including Grand Voyages and remote expeditions, there is no need for you to miss a thing. South America might be big, but our small ship sizes ensure that you get the best experience both onboard and on shore.

REGIONAL HIGHLIGHTS

- Circle the continent on Silver Moon, with our Grand South America 2023
- Attend on the Rio Carnival and sail the Amazon River with our Grand South America 2024 on board Silver Nova
- Traverse the world famous Panama Canal
- Enjoy extended stays in Forte Amador (Panama City), Callao (Lima), Valparaiso, Ushuaia, Buenos Aires and Rio de Janeiro
- Discover the largest tropical rainforest while sailing the Amazon River
- Sail the scarcely explored Chilean Fjords
- Explore the Atacama Desert
- Meet the penguins in the Falkland Islands

LAND ADVENTURES & SHORE EXCURSIONS

IGUAZU FALLS

3 nights pre-/post-cruise

A must see - stand face to face with one of the world's great natural wonders - Iguazú Falls. Experience the combined 275 ft. falls in an area where cliffs and islets are scattered in a half moon. Along different trails, catwalks and observatories you will enjoy the magnificent Iguazu Falls from both the Argentinean and Brazilian side. Take a small ecologic train ride that culminates in the impressive Garganta del Diablo (Devil's Throat) where the Iguazu River crashes down almost 80 meters.

BUENOS AIRES DINNER & TANGO SHOW

4 hours included shore excursion

Indulge your senses with the sights and sounds of tango dancing, singing and music during this memorable excursion in Buenos Aires. Your excursion takes place at La Ventana Tango House and features a dinner and tango show, with music accompaniment provided by live singers and an orchestra.

HIGHLIGHTED COMBO VOYAGES

10 March 2023

Puerto Williams to Rio de Janeiro – *Silver Wind*

Leaving the wild, windswept mountains of Puerto Williams in your wake, set sail for the carnival capital of the world – aka Rio. Sailing first to see the wildlife and jaw dropping splendour of South Georgia and the Falkland Islands, you'll hug the Argentinian coastline north, sailing all the way to Buenos Aires. It's fair winds indeed that will follow you as you sail on, stopping first in Uruguay, before arriving for six different destinations in Brazil.
