EPICUREAN EXPLORATIONS™

The flavours of a particular region or a specific culture create unique connections that are unlike any other. Therefore, we continue to develop and curate special culinary experiences in each of the incredible regions to which we sail.

Unique to our *Culinary Arts Kitchen Experiences*, our specially curated, *Master Chef-led Epicurean Explorer Tours* invite you to learn something new as you immerse your palate in the cultural flavours of your destination. Dozens of wine-centric excursions await with our *Wine & Spirits Tours*, while our *Food & Wine Tours* incorporate an additional element through our partnership with *Food & Wine Trails*. These and many more opportunities to taste and savour your destination are available with our *Epicurean Explorations*.

GO LOCAL TOURS

One of the best ways to find off-the-beaten-path experiences is to think like a local, and *Go Local Tours* provide connections with local culture through community members themselves. Witness how the locals of Stockholm breathe new life and beauty into the city they call home, from wonderfully enhanced and decorated public transit to the bohemian vibes of Södermalm. In Alaska, walk the streets of Sitka guided by a knowledgeable local sharing historic tales and insights into the city's affection for the arts. Experience a new world of hospitality and discover the best of what you didn't know about your favourite destinations with *Go Local Tours*.

ECO-CONNECT TOURS

Engage with local groups and businesses to learn about how they're transforming the world around them, while experiencing the impact of their efforts first-hand. Witness the natural beauty of a mangrove habitat in Bali and help ensure its future by planting seedlings as you learn its importance as a sanctuary for indigenous crabs, or tour an organic vineyard in Almería to learn how this family-operated wine producer utilises sustainable practices. Converse with, learn from and observe the local community as they work to conserve and sustain the surrounding environment on our unique *Eco-Connect Tours*.

BEHIND THE DESIGN TOURS

Glimpse behind the scenes of some of the most captivating and brilliant designs around the world. Learn from an art historian about the undulating design of the Oodi Central Library and see its beautiful contrast to the strong lines and terraced main hall of the Helsinki Music Centre, or edify yourself with insights into three of Rome's more modern attractions: La Nuvola, MAXXI and Auditorium Parco della Musica. Witness superb architectural feats and more, gaining special insights from knowledgeable guides about the inspiration, reasoning and genius that brought these marvels to life on a *Behind the Design Tour*.

SERENE SPA & WELLNESS* TOURS

Enjoy a revitalising shoreside experience with a *Serene Spa & Wellness Tour*. Centre yourself surrounded by the verdant beauty of the Samford Valley as you engage in a holistic yoga, meditation and chanting session at Zen Space in Australia. Or, experience the organic crops and flavours of Corfu after being guided through mindful meditation and specific yoga poses to help revitalise your being. Restore and rejuvenate your mind, body and soul as you engage the world through our *Serene Spa & Wellness Tours*.

DUNE 7
WALVIS BAY, NAMIBIA

SANDS OF TIME

WALVIS BAY, NAMIBIA

In Walvis Bay, you'll need to remember the number seven — as in Dune 7. This is the tallest dune in the coastal area, and you simply can't leave Walvis Bay without seeing it for yourself. The entire dune belt is a fun spot to watch adventure seekers sandboarding down towering dark orange hills. You might even be inspired to give it a try! Continue your quest with a trip to the famous lagoon. Along the way witness salt heaps that look like snow and bright pink-coloured water basins, a shipwreck and the Pelican Point Lighthouse. Once at the very tip of the peninsula, you'll be surrounded by incredible wildlife.

As you gaze across the Huangpu River to a big-city skyline, it is hard to imagine that just a few decades ago there was hardly a building over 10 storeys in Shanghai. While the global economy has transformed the cityscape, you can still find history and culture. Enjoy a quiet moment in the 16th-century Yuyuan Garden, sample traditional pan-fried dumplings in the Old City and shop for popular souvenirs like yixing teapots.

THE SOUTHERNMOST CITY

USHUAIA, ARGENTINA

As the southernmost city in the world, Ushuaia has grown from a former penal colony into a lovely tourist hub. The spectacular scenery embracing the town is a mix of mountains, glaciers and forests complemented by the Beagle Channel, named after the ship used by Charles Darwin to explore the area in the early 1800s. Ushuaia is the gateway to Tierra del Fuego National Park and home to several interesting museums and fantastic restaurants.
