AUSTRALIA & NEW ZEALAND

2026 – 2027 Voyages of Discovery,
Depth, and Wonder

SYDNEY, AUSTRALIA

FROM THE UNTAMED TO THE UNFORGETTABLE

Here's to the moment. To the wonder of lands shaped by fire and sea — and the thrill in discovering their secrets. From beholding the echoes of the Sydney Opera House to following the Marlborough Sounds. Beaming at Kangaroo Island's wildlife and trekking the wildlands. Roaming the Salamanca Market in Tasmania and strolling through the vineyards of Hawke's Bay. To disconnecting, reinventing, and having every reason to celebrate. To Finding More.

LINGER LONGER, DELVE DEEPER

From shorter escapes to longer, more immersive itineraries, our voyages reveal the stories of this sweeping region. Cruise the Eastern Seaboard from Queensland to Victoria, explore Western Australia or navigate New Zealand's Milford Sound — each sailing is crafted for closer connections, meaningful moments, and a true sense of place.

WHERE CULTURE MEETS CUISINE

Discover destinations where culinary expression is part of the cultural fabric. Sip world-class vintages in the Barossa Valley and Margaret River, uncover Melbourne's laneway cafés and coffee rituals, and savour freshly shucked oysters along Tasmania's rugged coast. In craft breweries and beyond cellar doors, every taste tells a local story.

WILDERNESS WONDERS

Venture into landscapes shaped by millennia. Encounter the technicolour reefs of Australia's Coral Sea and the remote majesty of New Zealand's Fiordland. Hike Tasmania's forested trails, spot intriguing wallabies at dusk, or trace volcanic cliffs in New Zealand. Our small ships bring you closer to wild corners few ever reach.

ENRICHED DISCOVERIES

Extend your discovery with optional City Stays by Silversea. Explore Sydney or Auckland with expert guides, behind-the-scenes access, and bespoke experiences — all seamlessly planned and led in small groups for deeper immersion. From legendary landmarks to local markets, create deeper connections before or after your voyage.

SPECTACULAR SHIPS

From the sleek, light-infused design of *Silver Nova* to the contemporary elegance of sister ships *Silver Dawn* and *Silver Moon*, our intimate ships elevate every aspect of your journey. Expect more space, personalised service, and panoramic views from every angle — so you never miss a moment of the ever-changing landscapes outside.

SILVER NOVA, MELBOURNE

CONTRASTING COASTS, ENDLESS PERSPECTIVES

Australia and New Zealand may form one region, but the landscapes, cultures, and experiences stretch across two very different worlds. From the jade-carved fiords of New Zealand's South Island to the brilliant white sands of Western Australia, each sailing reveals a different story. Discover wildlife havens and wine country, cosmopolitan capitals, and legendary beaches. With rare access to remote ports and authentic encounters in iconic places, here's to exploring every edge of the extraordinary.

FIORDLAND NATIONAL PARK

A living landscape of legend

One of New Zealand's most revered natural treasures, this UNESCO-listed wonder is a world of brooding cliffs, inky waters, and whispering forests. Journey deep into the heart of Fiordland, where Doubtful Sound and Milford Sound reveal nature's drama in every shadow and shimmer.

KANGAROO ISLAND & SEAL BAY

Australia's wildlife sanctuary

Few places offer such concentrated biodiversity. Watch endangered sea lions bask along pristine shores, spy echidnas in the bush, or simply breathe in the salt and silence. It's a place that feels both ancient and alive — a coastal refuge for the wild at heart.

BAROSSA VALLEY

A sip into history and heritage

Just beyond Adelaide lies a world of bold reds, old vines, and cellar doors rich in story. Sample Shiraz from vines planted six generations ago, savour chef-led tastings, and discover why the Barossa Valley remains Australia's most legendary wine region.

WESTERN AUSTRALIA

Vibrant cities and wild beauty

Here is a region shaped by nature, history, and laid-back coastal character. Discover Perth's modern energy and Fremantle's colonial charm. In Albany, rugged cliffs meet maritime lore while Esperance dazzles with national parks and sugar-white sands.

GREAT BARRIER REEF

Nature's grandest tapestry

This UNESCO World Heritage site is a living mosaic of coral gardens, sea turtles, and kaleidoscopic fish. Snorkel secluded reefs, learn from marine biologists, or simply float above an underwater world that defies imagination.
