

I am delighted to introduce our summer 2027 sailing programme, offering a record-breaking 27 new ports of call in the Mediterranean on board our timeless and iconic tall ships.

In a first for Star Clippers, we will visit the beautiful Albanian Riviera, where Saranda's welcoming charm and beauty envelops keen travellers eager to explore fresh territory. Embedded within a 10 or 11-night sailing from Venice or Rome, this new twist on an old favourite is a must-try.

Our Greek Islands Odyssey itinerary debuts Gavrio and Pighadia, two authentic and unspoiled destinations; a fitting juxtaposition blending ancient history with contemporary amenities, perfectly reflecting Star Clippers' ethos. Additional brand-new Greek ports of call include Astypalea, Kastellorizo, Parga and Skiros – each offering its own unique story whilst echoing mutual sentiments of calm relaxation and historical wonder.

Menton, a picturesque village nestled on the edge of the French Riviera, offers guests a new insight within our popular sailings around the region. With colourful cascading buildings, a peaceful atmosphere and a protected marina, this secluded village embodies the charm and character that cements Star Clippers as the pioneers of small-ship sailing- characterised by unique and hidden ports of call.

Spain's Roses, Peniscola and Barcelona are also new for 2027, adding contrast and variation to Royal Clipper's Malaga to Nice sailing as the Mediterranean season kicks off.

Whether you're keen to explore somewhere new, or want to revisit our popular returning sailings – such an exhilarating Atlantic ocean crossing or a beautiful Amalfi Coast cruise – our summer 2027 brochure is sure to inspire your next adventure.
